That vegetable (a West India leaf,) is used as the basis of Warner's Safe Kidney and Liver Cure. It is pure, leasant to the taste and absolutely ertain in its results. It keeps those who intelligently use it in perfect health, and cures those whose secretions are deranged. For all urinary complaints of either sex it is infallible. For all bilious troubles it s certain. For the hot season it is nvaluable, and it should be used upon the approach of the slightest ymptoms. ALBIA, IOWA, May 26, 1880.

TO WHOM IT MAY CONCERN: I take great pleasure in making the following statement: I have been afflicted with a disease of the kidneys for the past two years and have tried numerous remedies with only partial and temporary relief. Warner's Safe Kidney and Liver Cure was recommended to me, and after taking it the pain and distress left me, and I am to-day feeling strong and well. I am perfectly satisfied that Warner's Safe Kidney and Liver Cure is the medicine needed and can cheerfully recommend it to others.

A Doctor's Certificate. I bereby certify that I have been a prac sing physician for twenty-seven years, and for many chronic cases in my practice do re-commend Warner's Safe Kidney and Liver Cure. It was upon my advice that G. W. Stamm, the editor, chtained this valuable remedy.

I am happy to say I am now a well man, and custrely as the result of Warner's Safe Kidney and Liver Cure. With such glorious results, I am only too glad to testify regarding

the remedy which has made me so happy.

Editor Deseret News: Since 1860 I have not known so much interest felt here in the pro-bable course of an incoming administration as is now felt in that of General Garfield.
