g Suit Sale

Where did the crowd come from? That was the question asked by so many yesterday. They came early and kept coming all day, the big suit department being fammed, and everybody bought, and were more than satisfied. They said they looked more like \$25.00 Suits than \$20.00, but when they only had to pay \$14.95, with the alterations included, it certainly surprised them. And the way they bought was certainly gratifying. The Suits are, as we said, the greatest values that were gyer offered, and tomorrow we will add about fifty more to the assortment, thus giving you as good a variety as was offered yesterday. No alterations will be charged tomorrow, Come early and get first choice.
