On his return his condition became worse instead of his condition became worse instead of better. He found sleep almost an im-possibility, and talked the matter over with his father. Hon. Parley L. Wil-liams, but last night was rather more cheerful than he had been for some days. He retired at 9:30 going up stairs with better prospects for rest than at any time since his home-coming. During the evening a good many firecrackers were touched off in the GERMAN SHIPPERS. Memorial Relative to Administration of American Customs. Berlin June 29 .-- An important memorial of the American customs administration and German trade has been presented by the League of German firecrackers were touched off in the Manufacturers to Chancellor von Bue-low, Baron von Richtoff, secretary of foreign affairs; Herr Mueller, Prussian street occasioning no little disturb ance. The noise continued until about midnight when the youthful Fourth of July celebrants ceased their din and disappeared. About 2 o'clock another minister of commerce and industry, and to Herr Buenz, German consul general to Herr Buenz, German consul general at New York, who is now in Berlin. The memorial is based upon material which the league collected in accord-ance with a resolution adopted in 1903, and was written by the Saxon manu-facturer, Afred Petschow, who was sent to the United States to collect inreport was heard, but 2 belock another report was heard, but little or no al-tention was paid to it. Mr. Williams thinking it was probably a belated tor-pedo that had been fired. At 4:30 the young man's father awoke and saw a light in the liberry. Knowing that John, or "Sharp," as he was generally called, had gone down to the library to read, but thinking he was prolonging his stay, Mr. Williams arose and de-scended the stairs to ascertain what formation among importers. The league summarizes its views in the following five points. First—The American government should be prevailed upon to accept Gerscended the stairs to ascertain what was the matter. On entering the room he beheld a shocking sight. The young man was dead. He had 'taken a 30-30 rifle that was kept 'n the house for hunting purposes, and had put the muzzle in his mouth and pulled the trigger, doubtless causing the report that was heard about 2 o'clock. Justice Clark was notified and the remains were brought down town to man manufacturers' declaration, sworn to before American consuls, as evidence in all cases. Second-It is necessary to re-introduce the former privilege of appealing directly to the American treasury de partment, because, under the pres tent remains were brought down town to the Evans' undertaking establishmen general appraisers can not be over thrown even when the courts find it where they were officially viewed, and where after making inquiry into the o be erroneous. Third-The general appraisers should be required to communicate to the importer sentenced the penalty and dudetails of the tragedy, it was decided that an inquest was unnecessary. The fuperal was set for 4 o'clock this after and reasons for the board's deci so that the importer can defend and the interment will take place himself. Mt. Olivet cemetery, where the ing man will be buried at the side of Fourth-The practise of classing Geroung n nan goods sold in the United States as mother consigned and subject to special legis-lation merely because the involces are made out in dollars and cents should Young Williams was for a time a student of the Salt Lake High school but later attended the Stanford uni-versity and then went to college at Lawrenceville, New Jersey, and Terre Fifth-Shipments of goods and sam-ples should not be detained in public store houses as hitherto under the Indiana, from where he returned Haute on Sunday last. Rockford, Ills., spoke on "The Educational Possibilities for the Country

Uonal Possibilities for the Country Child in the United States." "The Educational Need of the South," was the subject of an address by John Herbert Phillipps, superintendent of schools, Birmingham, Ala., who de-clared that outside a dozen cities in the south there can be found today but few men and few women who have received oven a part of their training in the Deported Men from Cripple Creek Denver, Colo., June 29 .- Thirty-nine even a part of their training in the The primary need of public schools. The primary need of the south today, he said, was a more liberal infusion of the spirit of true Democracy, as represented by Jefferson a hundred years ago; the realization of the American ideal which opens wide for every child, of whatever race or color, the door of opportunity. Con-tinuing, he said "While the south is not indifferent to the problem of negro illiteracy she has reached the deliberate and solemn conclusion that her greatest and most seri-ous problem is the illiteracy of her na-tive white population. While the southern states have only 24 per cent of the total white population of the United States they have 64 per cent of the white illiterates over 10 years old in the constraints." country.

National Chairman Stewart, in a brief reply, said the convention just assembled was the only one that had a real issue to present to the American people. He then introduced Homer L. Castle of Pittsburg, temporary chair-man of the convention. Mr. Castle said in part. said in part:

"CANKER WORM OF WEST."

"That canker worm of the west, polygainy, today holds at bay our United States senate, and its power is

to Oregon with her, where they lived until March, 1903, when they returned to this city, where they have resided together continuously up to the present time. By reason of such conduct on the part of defendant plaintiff alleges that she has been deprived of the affection, comfort and support of her husband.

which the Japa ns are ad and the diparties countries are ad-encing and the difficulty of moving have bodies of troops into position hardly expect the battle to begin in ernest inside of several days, alhough admitting that heavy fighting bough admitting that heavy fighting between the advance guarda may now be in progress. The papers, with the sception of the army organ and the Nove Vrsmya are unanimously of the option that a pitched battle is now wrtain. The former is silent on the ubject which may be significant, es-pcially as Gen. Kuropatkin's move-ments are shrouded in mystery.

ON EVE OF TACTICS.

The Novoe Vremya says: "The time for strategy is passed. We are now on the eve of tact knowing the exact position tactics. oui forces we can not state what Kuropat-kin intends to do. It is possible he may consider it untimely and unprofitable to enter a decisive engagemen of all his forces, in which event, while ergaging the enemy who is pouring troops down upon him, he may retire terthward to meet his reinforcements."

PUBLIC HOPEFUL.

The tope to both public and official circles has sreatly improved. The re-ports that the Port Arthur squadron has successfully put to sea, and that no ship has actually been sunk seems to have removed the despondency and developments on land and sea are look ed forward to with increased cheerful Confidence is manifested in the Effuence the havy will have upon the ompaign and many people are in cined to attribute the Japanese preclined to attribute the Japanese pre-clpiancy to get at Gen. Kuropatkin to the fact that the squadron at large threatens the Japanese army's sea com-umications. munications.

CONSTANT FIGHTING.

Special dispatches say it was Maj.-Gen. Mistchenko's division which has been engaged in constant fighting in the vicinity of the mountain passes the vicinity of the mountain passage over which the Japanese are advancing one dispatch says the country is al-most impussable, that Mistchenko re-tired only when the enemy appeared in overwhelming numbers. The cor-respondent coasiders it doubtful wheth-er Gen. Kuroki will advance all three columns, as this would disunite his forces. He is more likely to push forces. He is more likely to push home his attack from Siu Yen upon Ta Tche Klao exclusive of Gen. Oku. The carrespondent figures that Kuroki has 7,000 troops, the Japanese commander being in personal command of 25,000 men at Dallen pass.

MUST BE HUMANE.

MUST BE HUMANE. Mai.Gen. Europatkin has issued an amy order, insisting on the kindest and most humane treatment of Japan-iss prisoners and wounded, notwith-tianding the tales of strocities commit-ted by the Japanese. The order, which directs that the same respect and hon-ers de paid to the brave foes as if they were Russians, is most favorably com-mented upon by the Novoe Vremya, which says: which says:

"The Japanese apparently are unable "The Japanese apparently are unable to restrain their instincts. As the mill-tary operations develop and our re-serves multiply, they seem to become nore savage. God grant Japanese bar-harism may not influence our soldier have savage. God grant Japanese bat-barism may not antiuence our soldiers to give way to feelings of vengeance, but that they will preserve the good reputation which always has distin-guished the Russian soldiers."

Damage Judgment Reversed.

The supreme court has reversed the udgment of the lower court in the case of Joseph Faves vs the Rio Grande Western Railway company, appellant. Plaintiff was awarded judgment in Judge Stewart's court for \$5,150 as damages for personal injuries received. This judgment is reversed in an opinion written by Justice Bartch and con curred in by Justice McCarty. Chie Justice Baskin dissents from the opin Chief ion and holds that the judgment should have been affirmed.

DIVORCE COURT GRIND. Four Unhappy Couples Rent Asunder by

Judge Hall.

Judge Hall had a busy day today in Judge Hain had a busy day today in the divorce line, four mis-mated cou-ples being granted decrees of divorce by him. John A. Ovard was granted a divorce from Eliza Ovard on the ground divorce from Eliza Ovard on the ground of desertion. They were married in this city on Nov. 7, 1990, and defendant deserted her husband on Dec. 26, 1903. Failure to support is the ground upon which Hannah M. Danielson was grant-ad a divorce from John M. Danielson,

ed a divorce from John M. Danielson, whom she married in this city on Sept. 7, 1902. Upon the same ground, Lulu Cox was granted a divorce from Royal V. Cox. They were married in this city on Aug. 21, 1901. Eady A. E. Cody was granted a de-cree of divorce from Edward R. Cody on the grounds of desertion and non-support. They were married in Rich-field on Dec. 11, 1893, and defendant de-serted flis wife on April 17, 1894. erted fils wife on April 17, 1894.

THESE WANT THEM.

Suit for divorce was filed in the dis-rict court today by Birdie Anderson of non-support. They were married at Farmington on Nov. 7, 1903. Plaintiff asks that her maiden name, Birdie Jones, be restored to her.

August Fischropp filed suit for di-orce in the district court today against Minnie Fischropp on the ground of de-sertion. It is alleged that the parties were married at Great Falls, Mont., on June 14, 1899, and the desertion is al-leged to have occurred on Aug. 1, 1992.

COL. BRUBACK'S ESTATE.

Appraisers File Inventory, Placing Its Value at \$84,893.

The appraisers of the estate of Theo-dore Bruback, deceased, today filed with County Clerk James an inventory of the property belonging to the estate. The total appraised valuation of real es-tate is valued at \$23.360 and the person-al property at \$61,533.23. The apprais-ers of the estate are John J. Daly, U. U. Hiskey and S. A. Whitney.

COURT NOTES.

Suit to foreclose a trust deed was Biled in the district court today by the Utah Loan & Building association against Lizzle C. Stocking and Frank H. Stocking. The property foreclosed is part of lot 6, block 8, plat B, and the amount of the judgment asked \$3,247.17 together with \$259 as attorney's fees.

Frank Hyde filed suit in the district court today against the Park City Gold & Silver Mining company to recover \$1,000 and interest alleged to be due on a promissory note executed by defendant on Oct. 20, 1903.

Maine Republicans Convene.

Bangor, Me., June 29 .-- The Republican state convention assembled here teday with William A. Cobb of Rock-lend, Charles H. Prescott of Biddeford, Bert M. Fernald of Poland and Eliot Wood of Winthrop, rival candidates for the gubernatorial nomination.

During an intermission the conven tion was treated to a recital on the mammoth pipe organ that is being erected in Festival hall, Scott Brooks, being of Leland Stanford university, render-ing a medley. The organ, which is re-puted to be the largest pipe organ in the world, is as yet only one-third com-

Later E. B. Bryan, former superin-tendent of education in the Philippine Islands, talked on education in the Fhilippines.

Fhilippines. Mr. Bryan spoke of the great results accomplished is an educational way by the United States in the past three years, saying that no less than 300,000 natives of the Philippines speak and

write the English language. Z. X. Snyder, president of the state normal, Greely, Colo., spoke on "Our Educational Creed."

After the appointment of a commit-tee on nominations, which will reporprrow, the convention adjourned for the day.

HARVARD AND YALE.

Commencement Exercises at the Institutions Are Features Today. Cambridge, Mass., June 29.-Har-

vard's commencement today attracted a greater number of persons than in any years, especially those from the ranks of the older graduates of the university. The procession to Sanders theater, where the exercises were held, was headed by the candidates for hon-orary degrees and included Gov. Bate and staff. Among the commencement speakers was Frederick W. Cattlett o Wellsville, O., whose topic was "The Millionaire in Politics." President Ellot admitted that the hundred candi-dates for the degree of bachelor of arts and degrees were conferred upon the candidates for bachelors of agriculture, upon the graduates of metical and dental schools, the graduates of the law school and the graduates of the di-

Billings, Mont., June 29 .- The Brenning coal mine, near Sheridan, Wyo, is on fire. No lives have been lost.

An Attempted Lynching

South Haven, Mich., June 29 .- An at tempt has been made to lynch Charles L. Allison, a well known citizen and Sunday school worker, who was ar-rested yesterday on the charge of as-soulting 4-year-old Edith Secor, A rowd surrounded the city hall, when Allison had been taken, and severa demonstration were made.

A demonstration continued through the evening, and early today fifty citlizens went to the door, demanding admittance. They shouled that they britance, they should that they wert prepared to break down the door and lynch the prisoner. The officers on guard telephoned for help. A posse which the sheriff had sworn in ar-rived soon after and a flerce fight ensued before the men were drive Many were severely injured but it is not thought there were any fatalitis. The prisoner was spirited away and The prisoner was spirited away and taken to Paw-Paw.

greatest law-making assemblage of this country, composed of Republicans and Democrats, dare

of Republicans and Democrats, dare not strike because polygamy has said there is a national election at hand. "This problem must be solved by a braver lot of men than Republican or Democratic senators. The homes of our land have stood for years at the doors of Congress asking for such a pullaring system of marriage and diuniform system of marriage and di-vorce laws as will protect the sacra-ment of marriage. It has been treated not simply with scant courtesy but with no courtesy at all. This problem of indissoluble home life is one of our lefracies. legacies.

CAPITAL AND LABOR. "An intelligent national solution of

the mutual rights and the rights of aggregations of capital called 'trusts' on the one hand and labor with its

organization on the other, is a prob-lem never yet approached from the standpoint of a statesman but always

AGAINST THE PHILIPPINES.

AGAINST THE PHILIPPINES. "The exigencies of war opened the door and the ambitions of short-sighted leaders for empire has placed in our keeping provinces which in time of war would cost many times their value in money and men to protect and when annexed can belong to us only in name and title, for in heart and sympathy it is even more remote than in distance. How to honorably let go is a tremen-dous problem, for thus far it has been profitless to any one except the liquor

profitless to any one except the liquor interests and the bawdy house-keepers.

THE SALOON EVIL.

"Above all these, because greater in scope, broader than all those because largely the source of the evils in ther-all, is the problem of what to do with the 250,000 galoons of this land. Where

the 250,000 saloons of this land. Where is the political aggregation that can be trusted to cope with these evils? Shall it be that crowd of inane, be-collared men that gathered last week in Chicago to do the bidding of a hero of a blood-less San Juan, and place a Democratic secretary in charge of their national committee and coax some one of ever semi-mational reputation to assess to

semi-national reputation to agree to run second to this despoller of every

trust except the whisky trust? By no manner of means. The men who as senators have not the courage to send

school and and.

"UNCAGED HYENAS."

"Shall we trust that crowd of un-

somely we trust that crowd of un-caged hyenas who will convens next week in St. Louis and whose chief oc-cupation seems to be to dig in some grave-yard uncovering the bones of some by-gone dead issue and failing to find subsistence upon these, they turn to cond cosch other attemption

to rend each other, apparently caring nothing for the peace and dignity and preservation of the nation in their de-

preservation of the hatton in their de-sire to gnaw at each other's throats? By no manner of means. Nor shall we wait to see what they will do, for a Democratic convention can always be trusted to do the wrong thing at the

DENOUNCES OTHER PARTIES.

"There is but one political party, With the absolute monarchy existing today in the Republican party that is pressed in its imperialism, militarism and commercialism on the one hand and Democracy with its absolute an-

archy, want of conservative thought on any subject, upon the other hand there

who stand before the American people, sure of the needs of our great land, positive of its position on public ques-tions, and fearless its espousal of the cause of right."

Cause of right." When Mr. Castle, after his denuncia-tion of the Democratic party should "nor will we wait to see what they will do," where was a tremendous burst of applause which broke out several times. The names of the new national com-mittee were read and adopted, and a recess was taken until this afternoon at
