It was an affecting the formal that they should go down an adjoining alley. It was an affecting the formal transfer to the formal tra

was accosted by Mr. George Anderthe city, for real and imitation Friedmann & Lauterjung, of New ed by him to utter a word of caution and admonition to fast drivers. In alluding to the subject George got off a speech something like the following-

"There appear to be numerous descendants of Jehu around here at present, who frequently drive along the public thoroughfares with and of the respectability of the exceeding great speed and impetusity and dash recklessly through hapless nerds of cattle, heedless of disastrous collision with the limbs and other portions of the physical structures of the latter, to their great damage and to the detriment of the interests of herdsmen and cattle owners generally." We agree with a much furious reckless driving, in this City now a-days, and that it should be stopped, as not only cattle are liable to serious injury thereby, but also the lives and limbs of human beings

re in danger. A NEW INVENTION.-Mr. Samuel Hamer, the other day, brought into our office a model of an invention of his, a self-coupler for rail-

and sherman, it commenced to show and blow very hard, and it was very cold. It continued that way all night and part of next day. We were met, some distance from Omaha, by agents of the different railroads, offering their terms and, at Omaha, the agents nearly quar-relled with each other about who should do the best by us. We came to Chicago by the Rock Island, Chi-cago and Pacific railroad, and from

Chicago to New York by the Pitts-burg and Fort Wayne railroad. ster than up to that point. Our

At Stockton, Cal., two omnibus drivers got to fighting, Oct. 28. One had his thumb partially bitten off, and a bystander, who interfered as a peace-maker, received a stinging blow under the ear.

The town of Carson, says the Appeal, is distressingly sickly. The doctors really believe it is malaria. Why don't the big storm come and, in washing away decayed vegeta-tion, put an end to malarious ex-

We have observed of late, with no little regret, says the Stockton, Cal., Independent of October 28, a visit to her relatives and friends that quite a number of boys in this in Philadelphia. She was absent city, who are not yet out of their four or five months, and snloved teens, are in the habit of carrying pistol and get ready to "draw" because a man ten years his senior them to the penitentiary, if not the scaffold.

A. E. Horton, of San Diego, say the San Francisco Aita, is at the Occidental. Mr. Horton is deservedly a noted man; he has accom plished greater success in real estate to ensure a continuance of its payment, locked up in Jall. A fifth the bundred dollars and plenty of determination, he has built a town, sold half a million dollars' worth of property, owns half a million dollars' worth of property, owns half a million dollars' worth of town lots, and out of the profits of his two hundred dollars has built the with Eastern dealers. In fact, no finest hotel in Southern California, country merchant can afford to

son, herdsman, to-day, and request- at a cost of nearly \$200,000, a town at a cost of nearly \$200,000, a town hall, stores and private residences, crowning all with the completion of a fine bank building, with a hand-ome iron front, worthy of a place in any fine street. No wonder he believes in San Diego—and yet his has been no easy time.

A clergyman at the Truckee Hotel, says the *Republican*, has been seriously ill for several days past. A kind-hearted nurse, in the person of an old pioneer of this State a '49er, has been patiently waiting on the sick man and ministering to his physical wants. The nurse was full of sympathy for his charge, and determined to leave nothing un-done that he could do to make his he sick man was backward in makressed him as follows : the nurse ad-

The clergyman faintly responded, "Pray for me."
The 49er stood aghast, and re-

phed:

"I can whip a grizzly bear, play poker, and drink a gallon of lightning whisky, and I can swear a blue streak, but I haven't seen the inside of a church for twenty-five years and can't pray. Don't know where to begin, what to say, who to talk to, nor when to let up. I'll go out on the street and

Elder Charles Sansom, dated at New York, Oct. 20th—

"We left Ogden on Monday, Oct. 20th, and traveled rather slowly but safely to Omaha. We enjoyed ourselves fine, in singing, shatting and taking notes as we went along. The weather was delightful the first day. The second day at noon, as we asks "how are stocks?" at the same time looking severely interested in the reply. These are the sert of people who never deal in stocks—the first for fear of losing credit at the bank, and the second class fearing an invitation to resign. There is evidently no use trying to stop the speculative feeling among our people who never deal in stocks—the first for fear of losing credit at the bank, and the second class fearing an invitation to resign. There is evidently no use trying to stop the speculative feeling among our people who never deal in stocks—the first for fear of losing credit at the bank, and the second class fearing an invitation to resign.
