BREVITIES.

A Haltimore workman lighted a match to discover a leak in a gas meter. He discovered it, but will never comnunicate the intelligence.

A Troy editor lately returned a tail or's bill with the following memoran dum on the margin: "Your manuscript a respectfully declined."

you wish to know how many riends you have, get into office; if you

A Michigan editor has just given up the sanctum for the pulpit. He thinks it is easier to fight the one devit at which a minister levels his arrows, bliged to contend with.

A sleepy Deacon, who sometimes en-gaged in pepular games, hearing the minister use the words, "shuffle off this mortal coil," started up abruptly, subbed his eyes and exclaimed: "gfold on there, it's my deal!"

Two trate cooks of New Orleans hrew eggs at a policeman who endeafored to separate them, until he strongresembled an omelet, and appeared laguated in the eggstream.

You'd better look out for your hose 'est above here, mister,' said a ragged boy to a Reading traveler. "Why?" mad there," was the candid reply.

No process is so fatal as that which would cast all men into one mould. Every human being is intended to have scharacter of his own, to be what no PACIFIC COAST DISPATCHES ther is, to do what no other can do. our common nature is to beunfolded in inbounded diversities. It is rich nough for infinite manifestations. It to wear innumerable forms of beauty

delegation of ladies waited upon him, tare him some wholesome advice and promised him further attentions if he ver repeated the offence. His answer I have read ancient and modern his-

ory and rode on a peddler's cart thir-en years, and I think I know somehing of human nature and when my wife ought to be whipped."

Hasty words, as the poor island shep-lerd bitterly proved, like random ar-rows, often his a mark they never shot it but even solemn slow ones, when sints of the harness." At Mull a measints of the harness." At Mull a measinger having requested a London elertoman to announce, "If Dr. — was
among his audience he was urgently
"anted," the ciercy man added from
sympathy, "and may God have mercy
to the poor. in the poor patient!" The doctor, in a rage, demanded and received an hum-

in all well regulated households, the ther of the family exercises a watchcare over his children, Ho notes their various phases of temperament and dispositions, their hopes and fears; their anxieties and disappointments; heir physical development and moral morress, and he becomes in a measure mawerable in society for their good conduct. With the help of the mother,

change in that case? Most people de."

home. A father who is habitually signt in his own house may be in many mapsots a wise man, but he is not wise in his allence. We sometimes see partus who are the life of every company they are in, but atlent and uninteresting home among the state of the state

SPECIAL TO THE DESCRIPT NEWS. Bu Telegraph

Various.

NEW YORK, 25,—Private dispatches from New Orleans say that yellow fever is raging there. Among the victims is State Senator Polk. The Couiter Biglin crew challenge to

Ward brothers, and it is believed they Deputy Comptroller Green, in a com-munication to the supervisor, says the amount to be raised by tax levy is \$23,-

The examination of Haggerty and Baich, charged with stealing the vouchers, was resumed to-day. Mary Conway was examined at length, but no new facts were elicited, and the case was adjourned till Friday.

The board of aldermen met to-day and a communication was received from Mayor Hall, in relation to the brick church property, now the Times building. The Mayor repeats his former statement, that the title to the property is in the city, as it was not sold to the vik - Cor. South and East Tempe Sta highest bidder, and was originally given for religious purposes. He recommends that legal proceedings be taken to re-cover the property. The communica-tion was placed on file.

Alderman Woltman presented a re port, in which he claims that the comnittee of citizens made an incorrect report of the city debt, and that the to-tal indebtedness is twenty-eight mil-lions less than stated by the commit-

Among the most remarkable westward passages across the Atlantic, are those of the Baltic, City of Brooklyn, and Wyoming. All arrived yesterday shead of their usual time. The Baltic made the passage in eight days and nineteen hours; the City of Brooklyn in eight days and twenty-three hours; the Wyoming in nine days.

WISCONSIN.

Schooner and Crew Lost. H. Hurd foundreed on Friday night in Lake Michigan, three miles from shore. The crew, nine in number, and the haven't, get into trouble.

Dector—"John, did Mrs. Green get the medicine I ordered?" Druggist's Clerk—"I guess so, for I saw crape on the door this morning."

The orew, nine in number, and the emptain of first-clas Musical Merchandise, from a Plano-forte to a violin string at the preceding lost. The captain drifted ashore on Saturday afternoon in an exhausted condition.

The orew, nine in number, and the emptain of first-clas Musical Merchandise, from a Plano-forte to a violin string at the preceding statements contain not a particle of exaggeration the door this morning."

MARYLAND. Mrs. Wharton.

BALTIMORE, 25 .- The case of Mrs. Wharton came up for trial, but was postponed as she was too ill to appear. ILLINOIS.

President Grant Traveling. CHICAGO, 25 .- President Grant arrived in this city this evening from Cincinnati, and left immediately on an excursion train over the South Western railroad to Leavenworth.

Reported Discovery of Gold Mines.

ARKANSAS.

LITTLE ROCK, 25.—The people of Monticelic are greatly excited over the report of the finding of a gold mine four miles west of that town; and a similar report comes from Dalias, Polk aid the gentleman, nervously, pulling similar report comes from Dalias, Polk County. Both mines are said to give promise of a fine yield.

San Francisco, 25.—The weather is foggy and hot. All the wounded by Saturday night's fire are doing well. The case of Charles and Michael De Recently a South Briatol (Vermont) Young, in the three aditional indict-man beat his wife unmercifully, and a ments for libel on R. H. Sinton, were dismissed in the municipal court to-day, the jury having acquitted them on the first. Los ANGELES, 25.-Sixty tone of rich silver ore, received from the Bradshaw district, got to San Francisco, the largest shipment of the kind ever re-

ceived from Arisona. The transporta-The Jewish people here celebrate the Day of Atonement with religious deremonies, closing stores and places of business, which gives the city a holiday

Mr. Watkins, of San Bernardino, shot by an Indian while entering his house three weeks since, has died from the effects of his wounds.

BAN FRANCISCO, 25.—F. O. Wakeman was arrested, while acting as a pension agent, for forging a soldier's name to a warrant for a bounty. He has been ordered east to answer the charge at Washington.

WINNEMUCCA, 25.—A movement is an foot to construct a road from here to

on foot to construct a road from here to Canyon City, Oregon. About 190 miles already have been completed, and the remainder will be ready by January lat, when it is thought all freight for east-ern Oregon will be shipped over the

A large and well defined lode of ailonduct. With the help of the mother, my youthful mind may be moulded mo gentleness and obedience. Filial into the becomes a pleasurable habit that is observed during life.

A heart that can feel for another.—"I give and bequeath to Mary my wife the miles from the place, and in a locality supposed to be destitute of mineral. A miles from the place, and in a locality supposed to be destitute of mineral. A party are examining the ore in this and surrounding districts, with a view to establishing extensive works.

A provided the western alope of the Winnemucca mountain. The extent and richness of the lode are yet unknown. A rich copper discovery is also reported a few miles from the place, and in a locality supposed to be destitute of mineral. A party are examining the ore in this and surrounding districts, with a view to establishing extensive works. ver bearing ore, has been discovered on the western slope of the Winnemucca mountain. The extent and richness of
