by Dr. E. L. Plant, of Market Row, Salt Lake City.

TESTIMONY:

Cast dear little son was for many months fearfully troubled with the above com-plaint, rendering him to every appearance a most frightful-looking object, and from which his sufferings were beyond descrip-tion, but, thanks to Doctor E. L. Plant, is now perfectly cured and free from the disease. For verification please call at our Linch House. First South Street, opposite Theatre, S. L. C., and ascertain all particu-lates. 1 Testimony from Mr. Hunter, of Payson, son of Bishop Hunter :

DEAR DOCTOR PLANT -- Gratitude and DTAR FOCTOR PLANT:- Gratitude and think are comparatively very poor words to use inconveying my feelings for the very astonishing core you have performed on my son. He was troubled with those fear-ful his from his birth, from which he was derived of both the use of his right arm and right foot, from which, under Ged's c and your superior skill, he is now filler's twentered.

Serverse to and God bless you. Even in the Plant, Market Row, Vall Lake City, Nov. 8, 1876.

: ALT LAKE CITY, May 22, 1876. All of six weeks ago I was perfectly cured La cancer in my tongue. The suffering loval, cannot be described. The cure was focted without any surgical operation, clicated without any surgical operation, and I gradually experienced great relief from the commencement of Dr. Plant's skillful treatment. The entire cure was performed in six weeks. I am sixty-one years eld, and am prepared to answer any or all inquiries in relation to the matter. Rut the case, to myself, seems so wonderful that J think it my duty to take the present means of communicating the fact for the benefit of others. Mrs. MAY. 14th Ward, Main Street.

A PERFECT CURE.

A PERFECT CURE. Dr. E. L. Plant's reputation is increasing all over the Territory as certain destroyer of worms in the human body, and a curer of fits, cancers, tumors, scrotula, etc. One case, that of Mr. John Skidmore's daughter, at Salt Lake, should be mentioned among others. The girl had been afflicted for years with fits. She was placed under Dr. Plant's care, and in a short time she was entirely cured, and has not had a single fit for twelve months. Another daughter of the same gentleman was affected with a hugh wen. Dr. Plant made a perfect cure without the use of the knife. He does all he claims, and his charges are reasonable.
