other ailments which are but the symptoms of disorder in the stomach and its Pretoria, Tuesday, May 15,-An offlal bulletin announces that the federal If you are sick you can consult Dr. R. V. Pierce, Buffalo, N. Y., by letter, free of charge. Each letter is treated as roops stormed and occupied the forts around Mafeking on Saturday morning. The same night the federals were sur sacredly confidential, and an answer is promptly sent in a plain envelope with-out printing or advertising upon it. "I was troubled with very frequent headaches, often becompanied by severe voniting," writes Miss Mary Belle Summerton, of San Diera, Duwal Co., Teams. "My howels werr irregular and my stemach and liver seemed continually out of order. Often I could est afmost nothing, and sometimes absolutely nothing for twenty-four hours at a time. I was entirely unfit for work, and my whole system scened so run-down that I feared a severe sick shell and was very much discoutaged. I was advised to try Dr. Pierve's Golden Medical Discovery and did so with ancies asistenting public school life, and contracted to do so. I most heartily advise these andfering with indigestion. a d its attendant wits, to give this great medicine a fair tria!" "Use only Dr. Pierve's Pleasant Pellets with "Golden Medical Discovery" when a laxative is needed. promptly sent in a plain envelope withrounded, losing, so far as known, seven killed, 17 wounded, and a number taken prisoners. The British casualties are said to have been 50 killed or wounded It is reported that the advance guard of the force proceeding to the relief of Mafeking from the south was repulsed yesterday.

BRFTISH DOUET THE STATEMENT.

London, May 17, 8:20 a. m .- The Brit+ ish relief column fought the Boers at Kraal Pan, thirty-two miles south of Mafeking, on Tuesday, according to a telegram received Wednesday at Leurenzo Murques from Molopo, 100 miles north of Mafeking. This intelligen is accepted here with some reserve, be ause it is difficult to understand how the news could have been so quickly put on the wire from a place 132 miles. from the scene of the engagement. A correspondent of the Morning Post, pre-It is a Collection of Specimens for the Smithsosumably John Stuart, is reported captured by the Boers at Kraal Pan.

The British public is keeping expectant of the announcement that Mafe-To Go to the National Museum-Great ting has been relieved. In army circles the opinion seems to provail that this has already been accomplished, although two hours after midnight the war office associated that news of the re-lief had not been reserved. The stead-fast courage of his garrison has pro-duced a deep impression, and the news of succor is availed with more anxiety than has been for more successively. San Francisco, Cal., May 17 .- Col. ton and arranged as a Filipino depart-ment in the National muscum. Col. Hilder says that the greatest and most profitable industry of the future idents prior to the occupation. FIGHT AT ZAND RIVER. In the Philippines will be that con nected with the marketing of magnifi It seems that Gen. French's cavaly

had one lively fight after crossing the Zand river. A mixed squadron, com-posed of the Scots greys, the Inniski cent timber that covers the Islands. There are extensive groves of hard cabinet woods and other woods unknown to the commercial world. lens, carbineers and Australian horse, took a kopje and diamounted. The Boers suddenly fired from a concealed poshas also made a collection of all the fibres of the country, among them the elebrated one from which Manila rope s made. This fibre, he says is not hemp tion, killing many horses and stampeding the rest. The Boers then advanced in overat all, but comes from a species of ba-nana peculiar to the Philippines. Next to the hard woods these fibers will be of great commercial value.

whelming numbers and drove the squadron, capturing some. The Boers robbed the dead and looted the saddles. A small brigade of cavalry drove them off. Farther north the hussars charged the Boers, killing and wounding many drowedcas with sahers and rhinds. tragglers with sabers and pisiols. Lord Roberts' Infantry marched 120 niles in seven days. Gen. French narched thirty nules in one day. The

Boers, when retiring, dragged thirty-two guns through Kroonstad.

BULLER ADVANCING.

she met for the first time in twenty-Gen. Buller is maving toward New-castle. He appears to be using 25,000 men against 5,000 or 6,000. His opera-flons will almost certainly result in his eight years. Woven in with the story of the meeting of the two alsters is a pretty romance of the fulfillment of a dying mother's request, a trust which Mme. Nevada discharged yesterday when she presented to her sister a diamond ring, which their mether had loft in Mme. forcing his way into the Transvaal possibly in time to co-operate with Lord Roberts' advance, although Gen. Bul-ler is now 252 miles from Johannes-burg, or twenty-five days' march. A Dane who was captured by the South African holders says that there are 500 Frenchmen with the Boers who are concerned for Buller together with resented to her sister a diamoni ring, which their mother had left in Mme. Sevada's charge with the injunction hat it should be given to "Laura." the ister who had left home eight years afore his mother's death. Mmc. Nevada arrived in Cleveland are opposing Gen. Buller, together with many Germans and other foreigners. The Ladysmith correspondent of the Daily Telegraph says that only one Hoer was shot in the movement which resday evening. Yesterday the sister, no is Mrs. Laura Icks of West Brookavid. Ohio, knocked at the door of Mime, Nevada's apartments and intro-luced herself. Explanations followed ind both sisters were much affected. Mrs. Icks is the wife of a farmer and resulted in the taking of Heipmakaar.

BRITISH SUCCESSES.

Gen. Rundle is sweeping through the northeast of the Free State. The Boers are dissolving before him and some are surrendering. Their main force is as-sembled between Ficksburg and Winourg but it is without close organiza-

Today's installment of the war story from every part of the war field is, therefore, seemingly a narrative of British successes, but with the Boers preparing for a last desperate fling far-Mr. E. C. Hazard, one of the oldest best known wholesale grocers in ew York, has for many years given his tention to the preparation of fine food ther in the interior and with Boer guer lia parties looting houses and store in the northwest section of Capt Col-ony, it is not all rosus for the British. The Upington district is the locality where the guardian tactics of the Boars
