ADDRESSES BY CHARLES FRAN-CIS ADAMS AND VICE-PRESI-

> DENT HENDRICKS Wired from Washington.

Townshend sald to-day:
"I was over in New York last week atroducing Col. Denby to a number of gentlemen who are deeply interested in developing commercial relations with China, and who have a great deal of information that will prove useful to our new minister to Pekin. Thave taken a great interest in this matter of increasing our commerce with Asiatic and South American countries, and this is the result in part of having in

among civilized nations, and we have e man, such as Denby is, at Pekin. If the Chinese government be brought to the point of encouraging railroadbuilding (and I think she can soon be), it would be an enormous benefit to us. We can furnish all the material, rails, rolling stock and bridges, and all the work. There is a clause in the Burlingaine treaty by which we obligate our-selves to furnish China with engineers whenever China is ready to embark on a system of internal improvement. That clause has been wholly inopera-

in China by broken down political hacks. A brainy man like Denby could accomplish a good deal.
Acting Commissioner of Pensions McLean has been for some time engeons throughout the various States on the plan adopted by Gen. Black, removing two from each Board in the various cities, and filling the vacancies by the appointment of democrats. He expect to complete the reorganization of the entire State of Pennsylvania before the end of the present week, and within the next month have all the tion of the Board of Examining Sur- when court adjourned, an hour later within the next month have all the Boards in Iowa, Indiana, Ohio and on the part of Riddle and Rieber: that Vermont reorganized. It is the Inten-

Naval Equipment Frauds.

The Post to-morrow will say: The agree. vestigation of the accounts of the Bureau of Equipment of the Navy Desartment, now being carried on by a special committee detailed for the purral irregularities have been discoverner, but their further investigation has of the Equipment Bureau is finished.

Retrenchment.

Secretary Manning made several dismissals in the Treasury Department to-day, including sixteen clerks in the ment. It is expected that more reappears it will be reduced and expensotherwise curtailed.

Investigating the Indians.

diner on Sept. 23, 1884, who, after stating the little advance made by these Indians, reported in substance is follows: The Indians have no deire to become farmers or try to become self-supporting, as long as the government supports them in idleness nd they receive cash payments of --clined to work from working, and con-ider themselves masters of the situation, and have defied the agent and ullitary at Fort Reno. Agent Dyer has made a fair statement of the situaion, and should he push these people in the matter of farming, he will meet with resistance from the Dog soldiers, and in such case the military force at Reno is entirely too small, numbering only 260 soldiers. It should be in-creased to ten companies. The Inliass number: Arapahoes, 2,196; Cheyennes, 3,679; ichildren at school in the States, 304; total, 6,270. Indians are well armed and well supplied with ammunition, and the male adults over 18 number from 1,300 to 1,400. At the Arapahoe school the pupils number 57, and at the Chey-enne school 13. The Indians say they will not send any more children to school until they have a talk with the Great Father in Washington. The threatened outbreak among the Also the report of the murder by Cheyenne and Arapahoe Indians, in dians of a man named Gunther. Indian Territory, was discussed in Cabinet to-day. Secretary Lamar presented a letter from Mr. Covey, in charge of the mission school at the agency, giving a full statement of the condition of affairs; the adverse cirhad to contend and the origin of the

pissioners, to serve as a member of the board to investigate the differences amed at all their branch stores throughout he Territory.

and troubles existing at the Cheyenne agency, and he has signified his seceptance and will report to the Secre-

tary at once for instructions. Address of President Adams on Railroads.

OMAHA, 23.-The select Senate Com-

mittee on Interstate Commerce fin-ished their labors here this eyening. Adams and party arrived this morning. At 2 o'clock he appeared before the committee. His remarks were lengthy and exhaustive. He referred the committee for his views on Congressional regulation to a pamphlet of his opinions when, three years ago, he was arbitrator of the joint committee of Col. Fink's association and indorsed the commission system of Massachu-setts. If pooling was prohibited, and competition left to run to intense riv-HAZARD POWDER
