diligently examining the association's workings and has been entirely across the continent, attending the laying of the corner gtome of the new Y. M. C. A. building at Topeka. A remarkable thing about the gentleman is that, al though he began studying English bu six weeks ago, he expressed himself in fairly good English. He told of the work of the Y. M. C. A. on the govern-ment railroads of his own country. Mr. Stokes was then introduced and warmiy received. He was introduced as one who had given \$250,000 to the asso-

C. A. work and explained the remark States. He was glving much of his time to the work, and felt well repaid for

being done in this community. He said it was non-sectarian; that it did not

duced Mr. Coxe, the new secreary, to tell of the practical workings of the or-ganization with the boys and young men. Mr. Coxe emphasized the educa-tional work. He said young men do not want charity--they want a chanes. The men who work all day long and then are willing a student action. then are willing to study at night, are the hope of the nation, the best stuff between the earth and the sun. The manual training and the educational work in general of the Y. M. C. A. was highly commended by Mr. Coxe.

Other speakers followed briefly, and the sentiment generally was that the Y. M. C. A. is doing good work, and the hope was oft expressed that the cam-paign for funds for the proposed new building would be successful

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not al together true. Dr. King's New Discov ery for Consumption is a sure cure for all lung and throat troubles. Thous-ands can testify to that. Mrs. C. B. VanMetre of Shepherdtown, W. Va., says. "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cur-ed me absolutely." It's infallible for ed me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneu-monia and Consumption.
