Cattle Driven Off—Rich Mining.

GLENWOOD, Sevier County,
June 28th, 1877.

Editor Deseret News:

Dear Sir—I started out, in company with four others, on the 10th of last November, with the expectation of going to New Mexico. We crossed the Green and Grand Rivers, where we found a fertile valley, and thought it a good place to winter our stock, as we had some over two hundred head of cattle and horses. After fitting up suitable winter quarters, three of us returned home, leaving George and Cyrus Green, two brothers, in charge of the stock, and in the month of March I sent out two men with a supply of provisions. On their return they reported all well. In the month of April a company of men, with a herd of stock from Castle Valley, went to Grand Valley, and found the camp of the Green boys vacated, and the stock run off. It was supposed to have been by Indians, as they found in going up the valley several head of stock killed, and one mule with his throat cut. They immediately brought word back, and I, with a company of fifteen men well armed, started out to Grand Valley to reconnoitre the country and find out what was the matter. When we arrived in the valley we went to their cabin and found it deserted and their guns broken in pieces and everything carried off. The next day we travelled up the valley and found cattle all along the trail, that had been killed. We travelled a distance of about fifteen miles, where the Indians made their first camp. There we found one gun broken in pieces and several head of stock killed. We searched in vain for the boys and no trace of them could be found. I would have made further search, but the rivers were on the rise and we were obliged to return. As soon as the rivers are down, I am intending to renew the search for them. I have delayed having this published before, in hopes of hearing something respecting them, and I now forward this for publication.

George and Cyrus Green were born in the Eastern States, but I do not know to what State they belonged. I wish the eastern papers to copy this, that the relatives and friends of the above two men may learn of their fate.

For further particulars address
NATHAN PIERCE,
Glenwood, Sevier County, Utah.

HIGHEST HONORS

AT THE

UNITED STATES

CentennialL

World Exhibition, 1876.

MASON & HAMLIN

CABINET

ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such Instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY MAKERS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so that it will be necessary for many makers to advertise that they have received "first medals."

The difference in commending articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THIS CLASS, viz: Promptness and equal distribution of tone, scope of expression, resonance and singing quality, freedom and quickness in action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action."

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the only ones ranking as such. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA, 1873; SANTIAGO, 1875

PHILADELPHIA, 1876,

and have thus been awarded highest honors at

Every World's Exposition

at which they have been exhibited; being the *Only American Organs* which have ever obtained *any Award* at any competition with best European makers, or in any European World's Exposition!

NEW STYLES, with many improvements, exhibited at the CENTENNIAL, being now ready in great variety. Prices very low, consistent with best material and workmanship. Organs sold for cash or installments, or rented until rent pays for them. Organs exchanged, or part money received on them.
