## GOOD LUCK FOR HUNTERS.

#### Ducks Were Plentiful but Were Flying Rather High Yesterday.

terday was the first day of the fall shooting season. Thousands of duck should season. Thousands of luctrics were out bright and early yes-triday morning at the various ponds and should near the city. Succentric butterballs, hard heads and green wing bal were the kind killed, and the birds were in pretry good condi-tion

The kill was a big one as hundreds of functions of the second second second second second limits returned with all that the law al-lows twenty-the is the Hmit. Of course many came home without a duck. Soon after the oring began the birds flew high and after that there was not much of a heighter.
