The exact working formula for making these medicines cost Dr. Pierce and his collaborating Chemist and Pharmacist many years of study and experiments, but as perfected they produce almost perfect pharmaceutical compounds embodying all the active, medicinal principles residing in the ingredients employed, and this, too, in such form and combination as to keep unchanged in any climate. Thus the use of alcohol is entirely avoided in their manufacture, and instead an agent is employed which possesses valuable medicinal properties, being a demulcent, anti-ferment and nutrient.

Without solicitation, Mrs. H. Harrison, of 112 West 2d St., Sioux City, Iowa, wrote us as follows: "I suffered for more than seven

years with a very complicated form of female trouble accompanied with nervous prostration, and after doctor-ing with six physicians (all bearing excellent reputations) was informed that unless an operation was performed I would be an invalid all my life. Hearwould be an invalid all my life. Hear-ing of the wonderful cures effected by Dr. R. V. Pierce's remedies and oc-lieving that there must be a cure for almost every ailment, I determined to make one more effort. I wrote to Dr. Pierce, and I will never forget his kindly advice, telling me to follow his instructions faithfully and not to sub-mit to an operation. I commenced to improve after six weeks' treatment, and in five months my improvement and in five months my improvement was so noticeable to friends that they began to inquire about my method of treatment. I was pleased to tell them of the wonderful means of cure that I had most fortunately found, and, as so many ladies applied to me for infor-mation regarding Dr. Pierce's world-famed medicines and his plans of treatment, I felt in duty bound to give them the benefit of my experience, so, told them the facts. ache and headache was my daily portion. Finally, I was unable to continue my work and things looked pretty dark in the home with me, without work and no money to fall back My employer, whom I had just left, called to see me while in bed, and he spoke so highly of Dr. Pierce's Golden Medical Discovery that I decided to try it. Within two weeks I felt much better, could begin to relish my food, and my aches and pains grow less. I kept up the medicine for ten weeks, when I was cured and again able to return to work. This was over seventeen months ago, and I have not lost a day's work since. My wife had ovarian trouble and ulceration of the womb, and she was cured through the use of Dr. Pierce's Favorite Prescription, so you see, my
