Notice to the Public!

THREE YEARS' EXPERIENCE HAS TAUGHT US THAT WE CANNOT DEAL IN TWO different makes of wagons with satisfaction to the manufacturers, ourselves and the public.

Therefore, we shall hereafter only buy and sell the

FISH BROTHERS WAGONS.

They have been so steadily and deservedly growing in favor, that we find it next to impossible to sell any other wagon. Ask any person who has bought one for the last two years, and he will tell you he has never had a tire or spoke loose, or a wheel broken or out of repair. He will tell you that the Fish Brothers Wagons run the easiest, and are the best in all respects.

The balance of our stock of Mitchell Wagons on hand we offer for sale at cost.

We thank the public for its generous patronage in the past, and shall try to deserve your kind favors in the future. We know from the letters written us, and the thousands of words of commendation received from purchasers, that in offering you the FISH BROTHERS WAGON we offer you

The Best Wagon on Wheels!

NOTICE TO AGENTS.

We sell no wagons on commission. Fish Brothers' Wagons don't need to go round the country begging for purchasers. We can sell outright all the wagons the manufacturers can furnish us and supply their other demands, and when a wagon leaves our yard, it is sold.

Yours very respectfully,

JOHN W. LOWELL & CO.

Salt Lake City, March 4th 1875.
