Terrible Fatality.

CINCINNATI, 21 .- At a fire this afternoon in Sullivan's printing estab-lishment, No. 19 Sixth Street, eight girls and women jumped from the lifth story to the sidewalk. Five of hem are dead.

Later-The tire on Sixth street this afternoon caused the death of 17 persons. It was at first thought that only women who jumped the fifth story window were killed; but when the fire was subdued so that the economical than the ordinary kinds, and cannot be sold in competition with the multitudes of low test, short weight, alum or phosphate powders. There were six who jumped from a window and were killed, and one man after saving the lives of two women by letting down a rope from the roof, was himself killed by the burning of the same rope before he reached the ground. This was Mr. Sullivan, a brother of the proprietor of the print-

ing works."
The fire originated by the explosion of a gasoline stove on the ground floor. The flames entered the elevator shute, chance of escape was thus cut off. The killed were mostly cuploves of the dye works, which occurred a postlor of the dye body with bullets. works, which occupied a portion of the building. In addition to the list of those who were killed by leaping from the fifth story, eleven more corpses were found inside the building, and search is now being prosecuted. The rom putting up ladders promptly for

hef of the inmates.

This city has had its share of shockas that of to-day, eventeen persons had perished. Look- in any departments the reasons may be ing over the scene after the event, it is given. saved, short as the time was. There were thoughtful displays of heroism that saved two lives, but one of the heroes lost his own life. At the soldiers; that as President is labeled to do all that can be done for the old soldiers; that as President is labeled to do all that can be done for the old soldiers; that as President is labeled to do all that can be done for the old soldiers; that as President is labeled to do all that can be done for the old soldiers; that as President is labeled to do all that can be done for the old soldiers; that as President is labeled to do all that can be done for the old soldiers. beroes lost his own life. At 1.30 to see that all laws of the United States o'clock this afterneou, J. A. Green, are enforced, and that he recognizes city editor of the Times-Star upon the claims of old soldiers on the Gov-Spool Cotton going up the stairway to his office, saw he windows of building numbers 19 and 21 West Sixth street, and immediately telephoned to the fire department. An alarm brought the engines almost instantly, and as the firemen ould reach the building from front and rear it was not filteen minutes AT WHOLESALE until the fire was so much under control that Chief Engineer Wisby was able to reach the top floor, but he was too late to rescue the girls employed there, and to his horror he found ten used bodies with their hands to main faces and faces blackened and discolored in death. The Chief said, in speak-ADAMS& Co., ing of it: "The house is not burned out. In fact the fire was chiefly in the dfth story. I counted ten girls lying upon benches, tables and other things

was not burned, but the skin on the lpless dispair." It has now been ascertained that the ire started from a can of benzine on ne second floor near the elevator shaft. A boy on that floor said he heard shouts and instantly the fire leaped to ne elevator shaft and darted up it.

The shaft reaches to the top of the building, and from the third story to the lifth it was encircled by a wooden stairway, which was the only means of access to those floors. The levator shaft, to add to its combustiollity, was encased with thin wooden attice work. The second floor, where the fire started, was the press room, the third the composing room; the fourth, the storage and waste-room, and the fifth was the folding As soon as the fire started, John Sullivan, a young man, a cousin of the proprietor, ran up the stairway to the nstantly, almost, he found he was too ate to get them down the stairway and

కా

J. R. Kinsley's son and his foreman one on the west, and knowing the girls | movals for offensive partisanship. were imprisoned on the floor below, they procured a rope and lowered it to the window where Sullivan was. He instantly grasped it, and fastening one of the girls to it helped her to the winforemost to the sidewalk, in the pres-ence of a horrified crowd of people, who had witnessed his heroism. When the girls were jumping from the winlows, a large colo ed man heroically ried to catch them and break the force oants of the building, of whom 20 or 5 were girls on the fifth story. The boys were on the second and third loors, and this accounts for their esscape. All agree that the spread of he flames was almost instantaneous. Mr. (Kinsley, who ran to his upper floors in the rear where the flames were in danger of coming. through his window, found the smoke so dense that he had to crawl on the

have reached from a bench standing beside the wall, and once on the roof they could have reached other buildings with perfect ease. The lack of

Mr. Sullivan estimates his loss at \$6,000 to \$10,000, with ample insurance. The loss to the building is slight.

The scenes at Habig's undertaking establishment, where the bodies were taken and where friends and relatives came to identify them. came to identify them, were of the most painful character. In one case a policeman of Covington, Ky., identified his sisters Lizzie and Dollie Handel, who were twins. Mrs. Meyer found

the body of her daughter and had to be led away from the terrible sight. Mrs. Leyban had the awid experience of finding her three daughters among the Leyban, sisters, aged 23, 14 and 16 respectively, No. 206 Sixth street: Katle Lowry, 20 years, Newport Ky.; Lizzle Meyer, 16 years, No. 345 Broadway: Annic McIntyre, 20 years, No. 90 East Sixth Street; Fannic Norton, 34 years; Invited by Norton 19 years, No. 345 Broadway: Teady been burned. The town of Doladies of Mark Parlame Norton, 34 years; Invited by Norton 19 years, No. 90 East Invited by Norton 19 years, No. 90 East Invited by Norton 19 years Katic and Mary Putnam, sisters, 22 and gang of men are out fighting the 19 respectively; John Sullivan, 22 years, flames.

No. 95 Broadway: Lillie Wynn, 20 years, No. 88 East Fifth St.

The injured are Will Bishop, printer, aged 23 years, 203 Fifth Street, Covington, Ky., crushed and burned, probably die; Josie Hawkes, broken leg: Emma Punchback, Covington, uncon-scious, probably die; Nannie Shepherd, head badly cut, lives on Harrison St. Already preparation are in progress for the relief of the families of the vicof dependent parents.

Lynched. COLUMBUS, O., 21.—Marshal Henry Auer, of New Straitsville, Ohio, in a quarrel with Albert Guest at that place to-day, was shot by the latter several times in different parts of the body eastward, and cannot recover. One shot missed spout when Auer and hit a boy il years of age, 50 yards away, passing through his body and injuring his spine. He cannot recover. Guest loaded his revolver and endeavored to fire on l'inkerton's men, who followed him, but they compelled him to surrender, and he was locked up of damage was caused. in jail. Strong threats of lynching were indulged in, and trouble is feared be-

fore morning. Reports as to the trouble between the two men are conflicting—one being that Mr. Auer was about to serve a warrant for arrest on Guest, and another that they were talking over some trouble they had had in the country the evening previous.

Hanged and Riddled with Ballets. A State Journal New Straitsville spe-cial says: Two hundred masked men broke into the prison at 10 o'clock tonight and compelled the constable, at the points of revolvers, to give up the keys. They secured and took Guest out near the Plember Hill inine, where "H. F. Adams." The thieves secured

Urging the Claims of Union

Soldiers. WASHINGTON, 11. - A delegation representing the Grand Army of the Republic of the Department of Pennfifth story was completely burned out, but the walls are still standing. The called on the President, Secretary sylvania, and Veterans' Rights Union, other floors are not much damaged. It | Manning and Gen. Black, Commiswas not long until the fire was under | sioner of Pensions, to-day, in the incontrol. The mass of telegraph and terest of the enforcement of the laws telephone wires prevented the firemen | relating to the appointment and retention of ex-soldiers in the civil service of the United States. In their inter-This city has had its share of shocking disasters, but never has one happened where such a pitiful loss of life ex-Union soldiers shall be enforced whenever reductions of force are made. fifteen minutes after the the law of 1876, which provides that in blunder began, sixteen or the making of any reduction of force

dense clouds of smoke issuing from for him to give his attention to indi-

vidual cases. The delegation then asked to be allowed the privilege of laying before him, by letter or otherwise, violations of the laws in question which shall come under their notice, and they ask also gives the total production of coal further that when such cases are as 99,851,870 (gross) tons, including 30,brought to his attention, he give them | 718,293 tons of antaracite. The fabulous nmediate consideration. The President cordially assented to all their communications proper at-

tention. The delegation then called on Colonel Lamont, the President's private secre-tary, informed him what had been said at the interview with the President, some on the floor. Their clothing and obtained from him an assurance that he would promptly lay before the back of their hands was scorched. It President any communication from was a terrible sight—the worst I ever saw in all my experience. The girls lay manning and called his attention to the where they had fallen in their wild and laws to which they had directed the laws to which they had directed the President's notice. They also called attention specially to the removal of the assistant custodian of the Philadelphia postoffice building, an ex-soldier, and the appointment of a civ-

ilian to succeed hi Secretary Manning in reply said that the department would respect the laws in question; that the spirit of those laws met his hearty approval, but he said ex-Union soldiers who had been offensively partisan should not expect to be retained in office; that they took their chances in the late Presidential about we are unable to explain, but it election

The delegation replied that they realized this fact, but they asked, in filling vacancies created by such removals, that preference be given to ex-Union soldiers over civilians.
Mr. Manning gave cordial assent to

roprictor, ran up the stairway to the this proposition, but added, there are fth floor to give warning to the girls. a great many honorably discharged soldiers and sallors who have never been recognized in the distribution of that his own retreat was cut on. What he did for the frightened girls could be only be told by glimpses that could be ex-soldiers and ex-sailors, some of them bearing wounds received in determine the smoking winseen of him through the smoking win-dows whence the girls had already fense of their country, have never got into office. He said the claims of these men would be recognized by the had gone to their roof adjoining this department in filling vacancies and re-Ways that are Dark.

San Francisco, 21.—Charles F. Mac-Dermot, a wealthy mining operator, and formerly president of the Califorlow, and Kinsley and Shreder lowered are safely to the sidewalk. The rope was brought back and Sulliswindled John T. Bradley and other safely fastened it to another late shareholders of the Caboner vali quickly lastened it to another girl and sent her down safely. The cope came up a third time, and as all the other girls by this time were suffocated, or were afraid to venture, Sullivan fastened the rope to his own body and was being lowered, when, as he was half way down, the flatnes shot out of the window and he fell head for a post to the sidewalk in the pres-MacDermot received \$2.50 a share, and only accounted at the rate of \$1.50. He says that he knows this to be true, as luhad been pre-arranged between Mac-Dermot and himself that if a sale of 120,000 shares was made at \$2 50, they would account to the other shareof their fall, and he nearly lost his own life in the attempt. Within 10 minutes holders at \$1.50 and divide the \$120,000 after the fire began, patrol wagons of stealings between themselves. and his exact whereabouts is unknown. The shareholders will bring suit to recover. John T. Bradley made affidavit before T. E. Tomlinson, Jr., Commis-sioner of Deeds, New York City, Dec. 13, 1884, to the foregoing facts, but the matter was made public to-day for the

Puritus of Apaches.

escape which the panic-stricken girls did not think of. There was an opening on the roof which they could easily have reached from a bench standler warned, it is feared many over the second roof the second

Hanlon's Defent.

SAN FRANCISCO, 21.—Hanlon, who arrived from Australia yesterday, was questioned on his defeat by Beach. He replied: "I simply met a better man than I was at the time. I was beaten fairly and squarely. Shall return to Australia in eighteen months and try him again. Beach is the best man I ever met, and I am authorized by his backer to say he is ready to row any man in the world for from \$5,000 to \$25,000 and allow traveling expenses." Hanlon is in excellent health. He will remain here ten days and then go to Toronto and train for the summer's rowing.

The truth seems to be that Steele couclutims, most of whom were the support ded there were too many hostiles be- is yet settled," said Mr. Gladstone,"in tween him and Fort Pitt, and retired regard to arbitration between England on the main force.

Cyclones in Manttoba.

Winnipeg, 21. - A heavy cyclone passed over the northwestern outskirts of the city this afternoon traveling eastward. It caused a great waterspont where it struck the river. Roofs were blown off several houses and a west of the city, going'in the same direction. It is not known what amount

Fight with Surglars.

CLEVELAND, 21. A special from Burton City, Wayne County, gives the details of a fatal fight with burglars at an early hour this morning. The clerk who slept in the store of James Con-nor was awakened and saw several men working at the safe. He aroused his employer, who, with his son, hastened to the store. An attempt was made to arrest the burglars, but they made a desperate fight. Several pistol shots were fired by Connor and the thieves. Four of the men escaped but one was killed. Connor was also fat-\$3,000.

A Bloody Victory.

fled the town council of 1 wis that if, its indebtedness of between \$60,000 and GUAYMAS, Mexico, 21. - General Carbo engaged the Yaquis vesterday. A bloody battle ensued, and 57 Mexicans were killed and many wounded. They captured the Indian stronghold. The loss of the Yaquis has not been ascertained.

Strange and Fatal Disease. PITTSBURG, 21 .- A strange disease,

baffling the skill of physicians, broke out in Paris Roads, a small station on the Panhandle railroad, is miles from persons have died and eight more are sick. The local physicians refused to attend the patients, and Steubenville physicians pare there. The disease is spreadlig fapidly, and all cases prove

Iron and Steel.

PHILADELPHIA, May 21.—The annual report of Secretary Geo. W. Cope, of the American Iron and Steel Association, has just been completed. The production of pig iron in 1884 was 4,589,613 (net) tons; of all rolled iron, erament, but, he said, it is impossible including rails, 1,931,748 tons; Bessemer steel rails, 116,621 tons, and rails of all kinds, 1,144,851 tons. The imports of iron and steel aggregated in value \$38,211,800, and exports \$10,902,-150. Altogether, 487,820 tons(gross) of iron were imported. The statement quantity of 62,110,669 bushels of charcoal were required to make fuel for the these requests, and said he would be said the country. The bal-cation from them, and would give States in the first eight months after the fiscal year 1885 was \$159,502,350. After alluding to the belief that the transfer of the presidency from one political party to the other would create a commercial revolution, Secretary Cope, in his review of the commercial situation, says: "With the dread of the adoption of a re-actionary policy by the new national administration nappily dispelled; with the domestic market very largely in the hands of home producers, so that imports are exceeded in value by exports; with our currency on a gold basis, so that no unsettling of values is to be apprehended soon from that quarter; with no political excitement distracting the minds of the people and with a majority of the members in the next House of Representatives believed to be in cept with reference to the pass near

> may be very much nearer at hand than is now supposed." FOREIGN.

LONDON, 21.-The Admiralty has telegraphed orders to Hortsmouth to prepare the man-of-war Cormorant for sea as rapidly as possible and to expedite work on the ironclads Sultan, Rupert, Devastation and Polyphomus, preparatory to their joining the fleet.

The New Guinea Company.

BERLIN, 21 .- The Official Gazette announces that Emperor William has granted to Gehelmrath Hansemann, on chalf of the New Guinea Company, a charter confirming Emperor William's sovereignty over the company's terri tory comprising that portion of Kaises William's Land not already in the British or Dutch possessions. The islands situated off the coast, islands of the Archipelago, hitherto called New Britain, are now known as Bismarck Archipelago. The company undertakes to establish and maintain State institutions and to defray the expenses of an adequate judicial administration, in return for which the company will enjoy territorial rights, subject to the supreme control of the government.

The Brunswick Succession. Herr Weisbergin, representative of the Assembly of the Diet of the Duchy of Brunswick, to-day read the proposal mentioned in yesterday's National Zeitung of Berlin as one which would be laid before the Bundesrath concerning the succession to the ducai throne The proposal is that the Bundesrath should express its conviction that the administration of the government of Brunswick by the Duke of Cumberland would be incompatible with the inter-nal peace and security of the empire. The reading of the proposal was re-ceived with applause. A special com-mittee of the Diet was appointed to take action on the proposal.

LONDON, 21 .- It was rumored this Tucson, Arizona, 21 .- News from evening that Chamberlain had resigned the Apaches who his seat in the Cabinet. proved untrue. It is stated, however, in well-informed circles that his resignation is certain, with, perhaps, Sir Charles Dilke, the dissension in the

ready access to this place lost all their lives.

The fire was almost insignificant. The wooden stairway around the elevator shaft is not burned so as to be useless or unsafe, yet the flames seem to have pervaded all the floors and to have ruined all the paper and other light combustible matter.

Ureek and nave started in hot pursuit after them, General Bradley, commanding in New Mexico, has sent three inopportune to explain the grounds for the renewal of the Crimes act. He denied that the Government's policy in Ireland had been a failure. He described all the floors and to have ruined all the paper and other light combustible matter.

Ureek and nave started in hot pursuit inopportune to explain the grounds for the renewal of the Crimes act. He denied that the Government's policy in Ireland had been a failure. He described all the paper and other light combustible for the renegades to escape the troops. valuable. Replying to numerous criticisms of the Government's policy, and charges of withholding information, Gladstone retorted that he feared he had already given too much information. He warned members against making utterances and criticism which tended to strengthen the hands of the Russian war party.
