Health, Strength and Happiness.

Pure blood insures good health, and the spring of the year is the time to cleanse and purify the blood; it will cure you of all your aches and ills. Dr. C. W. Higgins' prescription will cure you. His medicines act direct and beautifully on the stomach and digestive organs—assisting them in making good pure blood, and one or two months' treatment will cause the life-giving fluid, cool and animated, to ripple beautifully along its course, bearing the crowning perfections of loveliness, not on the features alone, but in the mind also, for the stomach and brain are in intimate sympathy. Dr. H. prepares all prescriptions at his office, one door north of the Walker House. d106

MILLINERY. — Mrs. Morton and Mrs. Dewey have recently opened a first-class millinery establishment at No. 81 First South Street, next door west of Dinwoodey's Furniture store, where they now offer to the Ladies of the City a new and choice selected stock of spring goods. Mrs. Dewey invites her friends to call and see her before purchasing elsewhere.

DANIEL GRENIG.

A SUFFOCATING COUGH.—In a letter from Mrs. Charlotte Lisle, of Chicago, a lady well known as a contributor to the Western Press, she ascribes the cure of a dangerous cough, accompanied by bleeding at the lungs, to HALE'S HONEY OF HOREHOUND AND TAR. "My cough," she says, "threatened to suffocate me * * * * *, but the HONEY OF HOREHOUND AND TAR has removed every trace of it." The letter was to a lady friend in this city, who has placed it at the disposal of C. N. CRITTENTON, 7 Sixth Avenue.

PIKE'S TOOTH-ACHE DROPS—Cure in one minute.

The "Housekeeper" of Our Health.

The liver is the great depurating or blood cleansing organ of the system. Set the great housekeeper of our health at work, and the foul corruptions which gender in the blood and rot out, as it were, the machinery of life, are gradually expelled from the system. For this purpose Dr. Pierce's Golden Medical Discovery, with small daily doses of Dr Pierce's Pleasant Purgative Pellets are pre-eminently the articles needed. They cure every kind of humor from the worst scrofula to the common pimple, blotch or eruption. Great eating ulcers kindly heal under their mighty curative influence. Virulent blood poisons that lurk in the system are by them robbed of their terrors, and by their persevering and somewhat protracted use, the most tainted system may be completely renovated and built up anew. Enlarged glands, tumors and swellings dwindle away and disappear under the influence of their great resolvents. Sold by all dealers in medicines.

REWARD OF MERIT.—The U. S. Government has given not only to Dr. Price's Cream Baking Powder, but to his True Flavoring Extracts, the preference, and large quantities are shipped to its military posts. No more, we say, than it deserved, for it truly has proved itself in our family all that we desire, making bread, biscuits, and cakes better than any other we have used, and just so have we found his Flavorings of Lemon, Almond, etc., as pure, natural, and strong as can be made. Try these articles, ladies, and see if you do not find them superior to anything of the kind in the market.

CHAMBER'S ENCYCLOPÆDIA.—Messrs. J. B. Lippincott & Co., of Philadelphia, announce that, by a recent purchase, they have become the sole proprietors of the *American Revised Edition* of "Chambers's Encyclopædia," and are thereby enabled to offer the work at much lower rates than hitherto. In the course of its recent thorough revision, the American edition was edited with the special view of supplying the wants of American readers. It also possesses a special attraction in containing a series of over seventy-five full-page engravings not contained in any other edition. d50

IF YOUR Watches or Clocks are out of repair, bring them to H. Reiser, Watchmaker, opposite the *Herald* Office. He warrants his work. d80

NOTICE OF REMOVAL. — P. Shwartz, at the New York Dry Goods Store, has removed opposite the Post Office, next door to the 13th Ward Co-operative Store, where he will be glad to see all his friends, as they will find a full and choice stock of Dry Goods. d99

IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets by the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

EVENING NEWS.

Tuesday, . March. 30, 1875.

Local and Other Matters.

THERMOMETER 39 degrees F in the shade at 1 p.m. to-day. Fine, breezy.

Cold.—A keen, sharp, cutting wind has been blowing most of to-day.

Poetic Fraud.—"Come, Gentle Spring! ethereal mildness come," seems to be regarded as disgusting to many just now.

Horsicultural Society.—We are requested to announce that the regular meeting of the Deseret Horticultural Society will be held on Friday evening next, at half-past seven o'clock. A full attendance of the members is particularly requested.

Territorial Teachers' Association will hold its regular semi-annual session at the University Building, Salt Lake City, on Saturday, April 3, at 10 a.m.
O. H. RIGGS,
President.

Postponed.—It was expected that the case of the People of the United States, etc., *vs.* George Reynolds, indicted for polygamy, would be tried to-day, but, owing to the indisposition of the Court and one of the defendant's attorneys, it was continued till to-morrow morning, until which time the court adjourned, after being in session half an hour or so this morning.

New Meeting House Finished.—This morning we met with Brother James Miller, of Spanish Fork, by whom we are informed that the large new meeting-house at that place, which has been under way for several years, has now received the finishing touches, and is ready to be dedicated for the purposes for which it is intended to be used. It is over 60 feet long by something over 40 feet wide, is nicely painted, and the cornice in the interior is of excellent workmanship and design. The building will be dedicated soon after Conference.

Social Reunion.—We have received a complimentary to a Social Reunion given by the 8th Ward Choir, on Thursday evening, April 1. Committee—S. R. Marks, A. C. Smith, W. W. Taylor, G. Manwaring, and Misses Cornelia Horne, Sarah Hoagland, Annie Lenzi, Lizzie Stevenson, and Jennie Seaman. James Currie, prompter. Dancing to commence at six and close at twelve.

Wrong Impression.—Sheriff S. B. Taylor, of this county, has received a communication from a party living in Wyoming Territory, which states that the writer understood that a batch of prisoners had escaped from the Sheriff's custody, and that if he saw any money in it he thought he could get a couple of them, to wit: Dougherty and McCausland.

That correspondent of the Sheriff does not know as much as he thinks he does. He does not know that the prisoners who lately got away from hereabout were not held by the sheriff, but by the U. S. Marshal; he does not know that Dougherty and McCausland are now both in the county jail, with but small prospect of escaping from it, but he does appear to know that he wants a little money, for which, however, he will have to apply to another quarter.

The British Mission.—From the *Millennial Star* of March 9th we learn that a district meeting was held, in Nottingham, on Sunday, Feb. 28. Present on the stand were President Jos. F. Smith, Elders F. M. Lyman, John Squires, Geo. L. Farrell, and William Clayton. The congregation was addressed by President Smith and Elders Lyman, Squires and Farrell. Meetings were held morning, afternoon and evening. "The hall was well filled, and a good spirit pervaded the hearts of all present. A number of the strangers present expressed their pleasure at what they had heard, and their desire to come again."

The following is from the same number of the *Star*—

"Plymouth, Feb. 23.—Our course of lectures thus far has been a moral triumph in the cause of Zion; hundreds of people attending—observing excellent order—approving of our doctrines. Much good must be the result of the laudable efforts of the Saints of the Plymouth Branch in this particular. A fair and respectful report of the second lecture—'The Kingdom of God,' was published in the *Western Daily Mercury* of the 15th, and also in the *Devonport Independent*, of the 20th inst., the latter journal devoting two and a half columns to the subject, without comment. There are a few inaccuracies; but as a whole it will enlighten the public mind, and enable the man of reflection to comprehend the true position, measurably, of the Latter-day Saints in the religious and political world. I trust that they will be rewarded for their honest impartiality and liberality. The English press possesses a great amount of manly independence. It has battled long and successfully for the rights and privileges it enjoys this day."
E. HANHAM.

A Musical Treat.—Mr. Joseph J. Daynes will provide a musical treat for the public, at the 20th Ward School-house, next Saturday evening, commencing at 8 o'clock. Besides Mr. Daynes himself, whose ability as a musician is well known, other talent of the best quality in the Territory will participate in the exercises, which will consist of a very choice selection of instrumental performances, songs, choruses, &c. That excellent and always popular songstress, Mrs. George Careless, will sing one of her favorite songs, and the orchestra, which will be composed of well known musicians, will be quite a pleasing feature. Mr. Daynes' Tumberonicon solo, a most clever and dexterous performance, is well worth hearing, but the whole programme, which includes sixteen pieces in all, is one of an unusually attractive character, each part being in the hands of parties competent to do it justice. The tickets are for sale at Daynes & Son's store and at the 20th Ward Store.

District Court. — The District Court met at 9 o'clock this morning, Associate Justice Emerson presiding. The matter of the sixteen persons, employes of the Richmond Mining Company, who were arrested for alleged contempt in disregarding an order of Court came up. Mr. Bennett, of Bennett & Whitney, appearing as attorney for the Teresa Company, and Marshall and Royle for the Richmond Company. Mr McBride was appointed referee to take testimony and report his findings to the Court, and five experts were to be appointed by each side, to examine the disputed ground and report their conclusions. Meanwhile the sixteen persons who were arrested were permitted to go at large on their own recognizances.

Theatre.—Owing to the inclemency of the weather the attendance at the Theatre last night was not so great as it otherwise would have been, but the performance of "Charity" was an excellent one and much enjoyed by the spectators. Mr. Howard Paul elicited hearty applause as usual, Mr. Lingard in his character sketches left the house in superb humor.

This evening will be presented the beautiful four-act comedy of "Alixe," with Miss Lingard as "Alixe," Mr. Lingard as "The Duke De Mirandol," Miss Walters as "Madame Vallory," Miss Roche as the "Marquise Ceseranne," Miss Clawson as "Lucienne," Mr. Graham as the "Marquis Ceseranne," and Mr. J. S. Lindsay as the "Count De Somerive."

The performance to conclude with Mr. Howard in two popular songs and his impersonation of "Willie Spooney, the Timid Young Man."

Missionary Appointments.—We have been requested to publish the following home missionary appointments for Sunday, April 4:

Mill Creek — Elders T. Taylor and Geo. Teasdale.
South Cottonwood — Elder T. Harris.
Big Cottonwood — Elder John Van Cott.

Paralyzed.—Our numerous readers will regret to learn that about midnight of Friday last, Gilbert Belnap, Esq., of Hooper, was seized with a stroke, at first depriving him of the use of his left arm and leg, but which culminated in paralyzing the entire left side of his body. On Thursday Mr. Belnap was in this city, and appeared to be in good health, indeed we never saw him look so well as he did on his return, some two weeks since, from his visit to the Eastern States. The affliction was very sudden, and reminded us of a saying in regard to man: "He cometh up and is cut down like a flower." Mr. Belnap is an old resident; has filled many honorable positions in this county. He is well known and much respected, and will have the deep sympathies of a wide circle of friends in this sudden and sad affliction.—*Ogden Junction, March* 29.

DIED.

At Kanab, Feb. 25th, of dropsy, WILLIAM MYERS.

Brother Myers was born in Durham County, England, February 9th, 1809; emigrated to Canada, where he received the gospel: was baptized by Elder J. E. Page; gathered to Nauvoo, Ill.; was sent to Maryland upon a mission, where he remained till after the Prophet's death; returned and joined the emigrating Saints, and came to the mountains; was called to the Muddy mission; was affected with the chills, from which he never recovered; upon the breaking up of the Muddy mission he settled at Kanab. Though feeble in health, he labored for the Kingdom, had great faith in the Gospel, and rejoiced exceedingly that he lived to see the United Order established as taught by the Prophet Brigham. Thus has a good man passed away.—COM.

At Easton, Weber County, March 25th, at 5:40 a.m., LYMAN LAFAYETTE, son of Warren W. and Julia Corey, aged 2 years, 5 months and 24 days.

Deceased was a sprightly boy, and his death casts a gloom over the place. He came to his death by scalding. While the mother was using some hot water, the child fell backwards into the tub, was instantly taken out, but found to be badly scalded. He lived about seventeen and a half hours, when death put an end to his suffering.—*Ogden Junction.*

At Pont John, Pontyoridd, Glamorganshire, Feb. 11th, of dropsy, MARGARET DAVIES, aged 66 years.

Deceased embraced the Gospel, July 20th, 1849, and was a member of the Treforest Branch. She lived and died a faithful Latter-day Saint.—*Millennial Star.*
