WILL BE TRIED FOR LARCENY.

Carlson Kump, the alleged larcenist, was taken to Logan by Sheriff Turner today.

Christian Kemp, the man who is charged with embezzling \$100 of the Argus Publishing company, and who was brought down from Ogden last Sunday to answer to that charge, was this morning taken to Logan, where he will be tried for said larceny.

A WOMAN CAR-JUMPER.

An Unknown Young Lady Who Turns and Jumps from a Car at Will.

There is in this city a young woman who is quite in her way. She is not an inventive genius, nor yet is she one whose social, literary or musical accomplishments have won her renown, but she is one of those "mashy" women so often read about but so seldom seen.

To see her on the streets she appears not unlike most women—plain, dignified and beautiful. Her step is light and elastic and she has a sweet smile for all her acquaintances.

The class of people who best know this young woman of agility as well as peculiar ability are those who are outside. To them she shows—like the moon in the firmament above, for it is in their presence that she shows herself.

This woman, to make a long story short, is a car-jumper, so to speak—that is, she leaves her car and starts from them without pulling the conductor to the trouble of giving the motorman one or three bolts, without ever the care may be, she never allows a car to stop, but stands by the track as if waiting for the car to pass, then when it reaches her, out goes her

wintry little feet, while her hand catches the rail and she is on speaking way to her destination. Conductors and motorman, who find this little lady commencing her routine at once, are at first surprised to note her agility, her sprightliness, her lack of fear, but now her performance as to them is a daily occurrence and they look upon it as a matter of course. It is said she is a regular patron of the Utah Lake Railway company, making her trips by way of the East South Street.

It is supposed to be the only female in the city who can perform such a maneuver, hence she has won for herself a distinction by which she may be known and pointed out among fifty thousand people.

Information Wanted.

Information concerning the whereabouts of Mrs. Rose Hines, maiden name Rose Thorpe, and a sister Anna Marie Thorpe and adopted brother Edward Little of Thory, who left England somewhere near forty years ago with Edeley by the name of Smith. Anna left Sheffield with one Edeley Smith, and Edward left Birmingham with the other. Their mother's name was Fittis, married at Birmingham against the Turin House; also Jane Taylor, who left Birmingham about the same time, being thirty years ago having married her mother's sister Anna, who died before he went to Utah.

Also Wm. Hudson and Elizabeth Bacon, who left the Sheffield emigration in early years against the opinion of their father, now Mrs. Wm. Arnold. It is said I would like to hear from the children of either. Address all information to Elder George H. Hedges, 124 1/2 Michigan Street, Park Row, Boston, Vt., England.

Finch-Russell.

Mr. Harry Lou Finch and Miss Beveridge Russell were last evening united in the bonds of matrimony, the ceremony being performed by Bishop George Binney of the Twentieth ward. The bride will be remembered as the lady who, last summer, carried the flower to the carnival queen contest. She came to Utah from Scotland, and was married in that land for the past two years. The bridegroom is engaged in the business of a restaurateur and is the junior member of Finch Bros. in

The big semi-centennial celebration has been christened. It will be known as the Utah Pioneer Jubilee. The price of \$50 for the suggestion of a proper title will go to Miss Kemp Kinch, a stenographer in the office of Rogers, secretary of the exposition commission.

The name was adopted last evening at a meeting of the commission. The members were: President William C. Rogers, Secretary R. G. H. Whitney, C. H. Swaine, Mr. R. C. Cannon and Mr. A. W. McCune.

H. F. McArthur, general agent of the Miamonath carnival, hopes for a \$100,000 subscription for the Jubilee, and J. W. Van Dyke, in a communication to the commission, suggests to raise the money by a popular subscription for \$50 per week.
