ELDER JOHN W. TAYLOR. My dear brethren and sisters, I humbly pray that the Spirit of the Lord which is the spirit of truth and rightcousness, may prompt me in all that I shall say this morning, and I trust you will pray unto our Father for me, that He will enable me to talk in such a way as shall be pleasing in His sight. I am a firm believer in inspiration. I believe the statement in the Scriptures that the word of God "came not in old time by the will of man; but holy men God spake as they were moved by the Holy Ghost."

On my way to this meeting I met a neighbor of mine, and he said, "Brother Taylor, have you noticed any blight in your pear orchard?" I told him I had not noticed it particularly, and asked him what it was. "Why," said he, "if you will notice carefully, there will be a few limbs toward the top of the tree where the wood begins to with-er a little bit, and the leaves then wither and dry up." I asked him what the effect of this blight was upon the tree, for he seemed to be well posted on the subject. He replied that it had the effect, if the evil is not corrected in its this world. incipiency, to kill out not only the tree affected, but the entire orchard. What is the remedy? said I. He answered promptly, "The remedy is to cut off the blighted part about one foot below where it is dead, and be careful to gather all the leaves and branches, take them out of the orchard, and burn them up." I have since been thinking ab ut the trees in my orchard, and I remember that several of them have some dead limbs, and are evidently blighted It would be well for us all to

look after our orchards carefully. Now, my brethren and sisters, I have imagined I can see a blight, not only upon our orchards, but in some of the families of the Latter-day Saints, and that is much more serious than having our orchards blighted. Christ said: "Fear not them which kill the body, but are not able to kill the soul; but rather fear him which is able to destroy both soul and body in hell." If the families in Salt Lake City were an orchard, and each one represented a tree, I can imagine there are a few dead branches that may be likened unto the blighted trees referred to in my conversation this morning. The Apos-tle John, in writing to the Saints in his day, used this expression:

"Whoseever transgresseth, and abid. eth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

'If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him Warning Against Blighting Influences of Evil-Spiritual Gifts not Principles of Salvation -- Christian Science Fallacy-Hypnotism Not of God; the Doctrine of Satan, on Par With Ancient Sorcery of Soothsayers-Modern Revelation -- World Accepting Gospel Light-God's Financial Plan-Israel Shall be Gathered and Zion Established.

Smith, and the Gospel has been restor-This Gospel is being preached according to the commandment of the Savior. "He that believeth and is baptized shall be saved; but he that be-lieveth not shall be damned." How lieveth not shall be damned." How can we keep the commands of God? By listening to His voice and doing There are those in the world His will who are blighted with the idea that if they only believe on the Lord Jesus Christ they can be saved. This is a convenient and very popular doctrine. But Jesus said: "Many will say to me in that day,

Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? 'And then will I profess unto them,

never knew you: depart from me, e that work iniquity."--Matthew 7: Not every one that saith unto me,

WORLD RECEIVING GOSPEL LIGHT

This is the true doctrine of Christ. The world today are adopting some of The world today are adopting some of the principles revealed to the Prophet Joseph Smith. A short time ago a great conclave of ministers met at Los Angeles for the purpose of remod-eling their creed. Did you ever hear of the prophets of God in any age meeting to remodel the revelations of Ced the Dispute the revelations of God, the Eternal Father, or His Son Jesus Christ? He is the same yester-day, today and forever. The word of God never changes. 'The Lord our God revealed unto His Prophet in this day the principle of infant salvation. What about infants? Why, it has been reached by sectarians for generations that little infants who died without being baptized would be damned. Is there any man under the sound of my voice who can deny that this doctrine has been taught? You cannot deny it,

because it is in the secuarian writings. Yet Joseph Smith proclaimed the doctrine that little children come into the world pure and innocent, and they are ot responsible for sin until they arrive at the years of accountability. I am very glad to see these ministers beginning to receive a little light. I bethere are no men so reluctant to get light into their heads as minis-That is why they have received little during the last sixty years. But, they are gradually beginning to observe the light; and I am glad they have, in a measure, adopted in their creed the revelation of God to Joseph Smith concerning infants. Another thing: Joseph Smith, under the com-mand of God, taught the principle of tithing, and now some of our Chris-tian friends are beginning to recommend the payment of tithing in their churches. I tell you the time will come when every principle that was revealed to Joseph Smith, the Prophet, in this last dispensation, will be adopted, one by one, until every knee shall bow and every tongue confess that Jesus is the Christ, and that Joseph Smith is a prophet of the living God. I have just had handed to me written evidence of what I have said regarding tithing. It is a card published by one of the may place their faith upon the gift of healing, others upon the gift of proph-eey, others upon the gift of tongues or the interpretation of tongues. I say

Belleving that all Christians should ystematically and sacredly set aside a ertain porportion of their income for the cause of Christ; and furthermore, that it is the plain teaching of God's Word, and His Financial Plan, that me-tenth of our income belongs to Him;

Therefore, we hereby covenant with

"And many people shall go and say, Come ye, and let us go up to the meuntain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths; for out of Zion shall go forth the law, and the word of the Lord from Jerusalem."-Isaiah 2: 2, 3

This is the word of God, and the gathering is now taking place. Jesus would have gathered the people in His day, but they would not receive Him: He said:

"O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not!"-Matthew 23: 37.

The day, my friends, has arrived when Israel is being gathered from the our corners of the earth, and when is arising and will shine, and will become the light and brightness of the whole earth. This is the work spoken of by the Prophet Daniel. He saw that "a stone was cut out of the mountain without hands," which "be-came a great mountain, and filled the whole earth." The proclamation of this work will go from nation to nation, until every soul that lives upon the carth will be the provider of had. earth will have the privilege of hear-ing the sound thereof, and every honest man and woman will have the privilege of embracing it and becoming heirs of God and joint heirs with Jesus Christ. The blood of our Lord and Savior was split, that He might redeem mankind, and it is only through His name we can be saved. GOSPEL ONLY MEANS OF SALVA-

Men and-women who have been faithful in the Church of Christ begin to neglect their duty, forget their prayers, speak against the Holy Priesthood, and and wander into by and forbidden paths which leadeth to destruction. Show me a man or woman who has adopted this single principle of faith, and has neglected the weightier things of the kindgom; show me any member of the Church of these has joined any who Christian Science associations, and I will show you a man or woman who has been finding fault with the author-ities of the Church, neglecting to pay tithing, and not praying unto God for I ask how the Lord light and wisdom. I ask how the Lord light and wisdom. I ask how the Lord could ever have built up His Church in ancient days by somebody simply saying they felt happy? People with such ideas may be enjoying the happy hallucinations of dreamland, but they are sleeping the sleep of death. The Prophet Moroni spoke of the good gits that God had placed in the Church of Christ, and then said, "Touch not the vil gift, nor the unclean thing." is the evil gift and the unclean thing? It is any gift, or inspiration or inclination that will lead men from the straight and narrow path, and from serving the true and living God-the God of Abraham, Isaac and Jacob. Could Solomon have satisfied the Lord, when He commanded him to build a temple, by saying, "Lord, I am happy all day long; I am not sick, I am not in distress, and I do not need to build a The Lord temple? Certainly not. would undoubtedly have said to him that He wanted him to build a temple unto God, no matter whether he was happy or sad, and He would have reproved him sharply. He does not expect us merely to satisfy our own de-sires. "Man shall not live by bread alone, but by every word that pro-ceedeth out of the mouth of God." he was called Suppose Noah, when upon to build an ark to save a few of the sons and daughters of God, that the human race might be perpetuated, had said, "I am happy, I am never af-tlicted, and I enjoy myself;" would that have saved anybody from the flood? The Lord our God wants the children of men to do something. He wanted Noah o build an ark, and Noah built it. You annot build arks and temples, you annot gather Israel and establish the kingdom of God, on one principle of the You cannot make a Gospel alone. You cannot make a watch or clock go with only one of its wheels. You cannot make the human body active by separating the head or the feet from it. God-speed:

"For he that biddeth him God-speed is partaker of his evil deeds."-II John,

This is one of the best guides we have received from inspired men of olden times. "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son." We are also told

"And this is life eternal, that they might know Thee, the only true God, and Jesus Christ, whom Thou hast sent,"-John, 17:3.

'No man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal him."-Matthew, 11:27.

"No man can say that Jesus is the Lord, but by the Holy Ghost."-I Corinthians 12:3.

We learn, then, that if we abide in the doctrines of Christ we have both the Father and the Son, and being in fellowship with them and with Holy Ghost, which constitute the God-head, we are heirs of glory, immortality and eternal life.

Various doctrines are being promulgated among the Latter-day Saints at the present time that I would like to refer to briefly. One of these is Christian Science, which has spread to some extent in this city, and to my mind it is like the blight upon the orchard. If it is not "cut off about one foot below the dead branches," it may kill the tree and affect the whole orchard. Let us reason together a few moments upon this. In olden times, certain gifts and blessings were promised the One was the gift of prophecy, Saints. another the gift of healing, another the gift of tongues, another the interpretation of tongues, another the sife of wisdom, another the sife of knowledge, etc. Now, I say to you there is not one of these gifts that is a principle of sal-vation in and of itself. Though they were promised by the Savior, and exercised by His Apostles, and always exist in the true Church of Christ, there is not one of them that, of itself, will save and exait the children of men in the kingdom of God; for they are not prin-ciples of salvation when segregated from the doctrines of Christ. CHRISTIAN SCIENCE FALLACY.

Take Christian Science, as it is called, and it rests largely upon what they term "being happy," and the healing of their bodies when affileted. I testi-

fy to you, as a servant of the Lord, that you may lay hands on the dead and raise them to life again, as Christ did the widow's son, or you may heal the afflicted by the newer of God, and the fact that they are healed or brought

HYPNOTISM NOT OF GOD.

Another thing that we have in our midst is what is called hypnotism. There is a sprinkling of Latter-day lints tainted a little with this. Yot can see the blight and the wither of hypnotism "on the tops of the trees." Men are being carried away with it, and are beginning to exercise unrighteous dominion over the children of men, heause they have stronger wills than others. They try to charm others, and make them do as they please. Don't you know that, in the days of Moses and the prophets, charmers were put to death? The Lord so despised the idea of one man exercising unrighteous iominion and influence over another that he gave a law, commanding that charmers should be put to death. And He has opened His mouth in this day and said

"The rights of the Priesthood are in-separably connected with the powers of heaven, and that the powers of heaven cannot be controlled nor handled only upon the principles of righteousness.

"That they may be conferred upon us, it is true; but when we undertake to cover our sins, or to gratify our pride, our yain ambition, or to exercise control, or dominion, or compulsion, upon the souls of the children of men, in any degree of unrighteousness, be-hold, the heavens withdraw themselves;

sy in part. "But when that which is perfect is come, then that which is in part shall be done away."-I Corinthians, 13:

That is perfectly natural; for when that which is perfect is come, we shall see as we are seen, and know as we are known. There will be no need for men to prophesy what shall take place, for we shall all see and understand it. In that day it will not be necessary for one to say to another, Know ye the Lord; for all shall know Him, Perfect knowledge will be enjoyed by all, We shall see eye to eye, and be of one heart and mind in the kingdom of God. It will not be necessary for any to speak in an unknown tongue: for the speak in an unknown tongue: for the original Adamic language will be re-stored, and all shall speak in the one tongue. Hence how consistent it is to say, "When that which is perfect is come, then that which is in part shall be done away." These gifts are now given to us as a lamp to lighten our pathway to account on the our pathway, to encourage us when our spirits are drooping, to heal our bodies when we are afflicted, and to give us knowledge of things to come, that we may be buoyed up and go on to per-

ON PAR WITH ANCIENT SORCER-ERS.

My brethren and sisters, this doctrine of Christian Science is not of God. Hyp. notism is displeasing in the sight of the Lord, and those who practise it may be likened unto the charmers, soothsayers, sorcerers, and idolaters of ancient times. They were so repugnant in the sight of the Lord that He gave special taws to Israel in relation to them. Now, shall we, who have come out of darkness into light, turn away as the sow to wallow in the mire, or like the dog to his vomit? Shall we go back to the beggarly elements of the world? I say unto you, as said the old prophet, Let those who bear the vessels of the Lord be clean. Jesus said, "No man, hav-ing put his hand to the plow, and look-ing back, is fit for the kingdom of

And that day is at hand which was spoken of by the ancient called upon to build a sugar factory, let us willingly respond. If we are called upon to build a city, town or village, let us do that. That is the Spirit of the Gospel, as I understand it.
