CONGRESSIONAL.

HOUSE.

WASHINGTON, 25. — The House resumed consideration of the postal bill. Butler, of Mass., reviewed the history of the postal service and of the franking privilege. He declared that the newspapers had taken possession of the mails, and said that of 58½ tons of mail matter which left the New York post office daily 47½ tons were newspapers, yet the annual receipts of the government from letter postage was over twenty millions, while from the postage on newspapers it was only a little over a million, yet Congress was asked to relieve newspapers of burdens. He contrasted the great abuse of franking speeches, &c., on the approach of the presidential election, with the greater abuse of loading the mails with newspapers, a large portion of which consisted of advertisements in the interest of those outside the place where published. He proceeded to criticize newspapers as educators, and said they educated the people in crime of all kinds by giving details of every murder and burglary, showing how they are done and may be done again, full reports of trials which should be heard in silence, the full details of executions with the dying words of murderers, &c. He denied that he was an enemy to newspapers, but he was an enemy to their abuses, and proceeded to relate how he had been vilified by them, and how impossible it was for any one to secure the retraction of a newspaper falsehood.

At the close of Butler's remarks Packer, who has charge of the bill, demanded the previous question, refusing to admit any amendment except the substitute offered by Hale, of New York, to repeal the law abolishing the franking privilege. The previous question was seconded 112 to 67, and the vote, on ordering the main question, resulted in yeas 126, nays 117, the Democrats almost uniformly voting in the negative. Further action on the bill went over till to-morrow, and the House took a recess.

EASTERN.

Decision Affecting Railroads—The Centennial.

WASHINGTON, 25.—The Attorney General has decided that the Secretary of the Treasury may withhold from a railroad company compensation for transportation services, when such company has received from the U. S., to aid in the construction of its road, bonds upon which it has not paid the interest, though the services were rendered upon another of its roads to which no government aid was given.

The President, to-day, sent to both houses of Congress, the report of the Centennial commissioners, accompanied with a strong recommendation in favor of the proposed Centennial Exhibition at Philadelphia, and expressing the hope that it would not be allowed to fail through the negligence of Congress or the people to give it proper support.

Dead.

CHARLESTON, S. C., 25.—The venerable Lutheran pastor, John Bachman, distinguished as the life long friend and co-laborer of Agassiz and Audubon, is dead, aged 87.

Murder by a Policeman.

NEW YORK, 25.—This afternoon a policeman named John Doyle shot and instantly killed Miss Lawler, with whom he had been in company for some time; it is said that the officer was jealous of the young lady, and shot her after getting drunk. The murderer was arrested.

Bondholders Appoint a Committee.

The bondholders of the Rockford, Rock Island and St. Louis R. R. met to-day, and appointed a committee to investigate the condition of the road, and to suggest a plan for reorganization.

Temperance Riot Threatened.

CINCINNATI, 25. — The *Gazette* special from Piqua, O., says the praying women, on entering the saloon of the City Hotel, this evening, found the bar keeper, Stillwell, disrobing; they left, and the men standing by told the fact on the street, and the crowd gathered in front of the hotel gave Stillwell an hour to leave the saloon. The keepers came to his defense. The crowd on the street grew larger and a dangerous riot was threatened.

Anti-Temperance Senator.

ST. LOUIS, 25. — Senator Guecke introduced in the State Senate, to-day, a bill to protect peaceable citizens from imposition by religious or temperance fanatics, and to make praying, singing, preaching or swearing, on or contiguous to any premises, without the consent of the owner, a misdemeanor punishable by fine.

Stanton is Opposed to the Praying Bands of Women.

PHILADELPHIA, 25. — Elizabeth Cady Stanton, in an address before the Radical club, this p.m., on the anti-liquor movement, opposed the feature of peripatetic praying bands of women; she thought women should exert their influence in other ways.

The Temperance Movement in Michigan.

STURGES, Mich., 25.—The Temperance men have succeeded in closing every saloon in the town.

The Boston Independent Grangers.

BOSTON, 25.—The Boston grange, which were declared not to be in good standing by the national grange, it seems, met to-night, and declared themselves independent of the national order, and adopted a declaration of principles, and invites other organizations to unite with them as independent grangers.

WESTERN.

Mayor Otis and the City Money.

SAN FRANCISCO, 25.—Mayor Otis has sent a letter to the Grand Jury, requesting permission to appear before them and explain why the money of the city was deposited in the Bank of California by the Treasurer with his approval. Treasurer Hubert justifies his action on the ground that the vaults of the City Treasury are not secure, and that moving so large a sum as seven hundred thousand dollars in coin was too inconvenient and expensive, and it was deemed better to allow the bank to forward the money to Sacramento by express, and bring back the receipt.

FOREIGN.

GREAT BRITAIN.

Ashantee Matters.

LONDON, 25.—The war office has received no reports of the battle said to have taken place between Sir Garnet Wolseley's army and the Ashantees, but an unofficial, though circumstantial, dispatch has reached the Admiralty Office. The battle was fought at Accromba, on January 31, and not at Coomassie, as reported. Among the killed are Major Baird and Captain Buckle. The *Globe* says if the news be true a great disaster has befallen the British arms, and the only course left to Sir Garnet Wolseley is to effect a safe retreat to the coast. A special to the *Standard* says the Ashantees entirely surrounded the British army, but were eventually driven off with great loss. The principal war chief of the Ashantees was killed. The king has taken command of his army in person, and it was expected that he would renew the attack. February fifth was decided upon for the storming of Coomassie by General Wolseley's forces.

FRANCE.

International Exhibition.

PARIS, 25.—It is proposed to hold another international exhibition in this city in 1875.

Ovation to Thiers.

VERSAILLES, 25.—When ex-President Thiers entered the Assembly to-day, he was greeted with a perfect ovation from the members of the Left, in consequence of his letter, published yesterday, stating his conviction that a republic is the only form of government for France.

WEST INDIES.

Died of Vomito—Arrival of Chinese—Santa Anna Gone to Mexico.

HAVANA, 25.—An aide de camp to the Captain General died to-day of vomito.

Several hundred Chinese have arrived at Havana from Torcha.

Santa Anna has sailed for Mexico.

THE EMMA MINE BUSINESS IN UTAH.—New York, Feb. 21.—Experienced Utah miners in this city say that the alleged failure of the Little Emma mine was only a sharp trick to freeze out the British stockholders. It is alleged that the working of the mine was not stopped because it had ceased to pay, but to mislead distant stockholders. The managers suspended operations, subsequently guarding the mine from intruders, in order to conceal the real state of affairs. The *Sun* states: "At the time of the stoppage over $300,000 worth of first class ore lay on the dump. Some months ago it was reported from the mine to parties here that operations had been resumed, and that the shipments of newly-mined ore averaged eight car-loads daily. We have seen a letter from A. Majors to a friend in New York, dated Salt Lake City, February 2d, 1874, in which he says: "The Emma is yielding ore which assays by the car-load $800 per ton, and from all I can hear, they seem to have a very fine vein at the lower level.'"—*Sacramento Union.*
