LOCAL AND OTHER MATTERS.

THE NATHAN TROUPE made their first bow to a Salt Lake audience last night, and, as a whole, their performance may certainly be termed a success. They are not a company of stars, but the combination is a good one, and talent was evinced in the rendition of the pieces represented. In the first piece, "Andy Blake," the title role was sustained by "La Petite Marion," a girl ten or eleven years of age, and small for her years; and in playing the part she evinced an understanding and conception of the character that none would expect in one so young. In the second act she was particularly effective, and was heartily applauded and called before the curtain at the close. Mr. Melville made a splendid "Earl Daly;" too high praise could hardly be given to his rendition of the gouty, irascible, but high-toned old aristocrat. In the musical interlude the young Masters Nathan acquitted themselves with credit and ability.

The farce [of "Larkin's Love Letters" was played with great vim by the stock company, and was a source of unlimited merriment.

The burlesque, "Paddy in India," like all such productions, is the greatest bosh and nonsense imaginable, but gave considerable scope for "The Little Marion," who was the most conspicuous character therein, did well, and received fair support from the various members of the troupe.

To-night the Nathan Troupe make their second appearance, the performance commencing with the two act play, "His Last Legs," to be followed by a musical interlude, in which the younger members of the troupe will appear. The comedy of Larkin's Love Letters will then be played by the stock company, the whole to conclude with the farce of Miles's Boy, by the Nathan troupe, "La Petite Marion" playing the character of "Paddy Miles."

THAT LECTURE TO-NIGHT.—Remember the lecture to-night at Morgan's Commercial College. The subject: Resources and scenery of Southern Utah and Northern Arizona.

CAN SUCH THINGS BE?—Among that lady "committee of First Presbyterian Church, Salt Lake City," who sent the begging letter to their Presbyterian sisters in the East for a five dollar subscription to build a church for the conversion of the "poor, deluded, down-trodden women of Utah," is found the name of Mrs. Etna Ewing. Now can it be possible that this Presbyterian Etna Ewing is the identical lady who was fined by Justice Clinton on a prostitutional charge the other day, and then Ashcs *corpused* by Judge Hawley? We merely ask for information, though we may venture the observation that Presbyterianism and prostitution may be very good alliteratively, but can hardly be considered a delectable compound otherwise. Is it possible that Etna has fallen from grace so soon?

> Can such things be,
> And overcome us like a summer's cloud,
> Without our special wonder?

NOT SO HERE.—In a veto message of the Governor of Wyoming Territory, a portion of which appears elsewhere, his excellency contends that rights once acquired and exercised cannot be taken away. His excellency can not have visited Utah, at least not of late, or he would hardly have had the temerity to make such an assertion, for citizens here are systematically deprived of rights "once acquired and exercised" by officials who profess a wonderful regard for the law, though they have very little to say in favor of the constitution, and they do not hesitate to twist the law all manner of ways to suit their prejudices.

PROVO.—The Eureka Case; Jury Unable to agree—Assaulting the Police.

PROVO, Dec. 14.—In the District Court, the present Eureka Co. *vs.* Woodhull *et al*, closed by the jury reporting themselves unable to agree. The prevalent rumor is that the jury stood eleven for plaintiff and one for defendants. This leaves a case of twenty-one days' duration, in which fifty-seven witnesses testified, unsettled. The feelings of parties are strong, but they are leaving, and we hope there will be no outbreak. One case of disturbance and resisting the police was disposed of yesterday, by a fine of fifty dollars in the police court, and in one to-day, of attacking the police the offender was bound over to the next term of the District Court. The Court and bar have left for Salt Lake City.

BELIEF AND KNOWLEDGE.—Mrs. Woodhull says she knows some things that are going on, as see the following—

"If I am asked, 'Do you believe in promiscuous intercourse for the sexes?' I reply, I don't believe any thing about it, I know that it exists to an alarming extent; and more, I know that a great many of those editors who write me down, are among its best representatives. But if you ask me if I believe such a condition a high one, I will say I think it to be that which the Times calls 'nastiness.' I hope it does not view my doctrines through colored glasses. I believe promiscuity to be anarchy."

OLIVER D. BOYD is COMING.—He commences a star engagement at the Theatre next week, in his specialty, "Across the Continent," full of sensation and fun. Just the thing for Christmas.

MORNING TRAIN REPORT.—Ogden R. R. Depot, December 15th, 8 a.m. Union Pacific train will not arrive before regular time to-night; it may be later. A through freight train arrived last night, as reported, 7 hours late. C. P. arrived on time this morning. C. P. westward, leaves on time.

ONE OF THE "DELUDED" HEARD FROM.—In to-day's issue of the NEWS appears a communication from one of the "deluded and down-trodden" women of Utah, which we have no doubt will be perused with the same pleasure by our readers as by ourselves. It is an honor to the writer, and every word and sentiment it contains will be most heartily endorsed by every "Mormon" woman in Utah on account of its truthfulness, and because it is such a faithful reflex of their sentiments upon the subject it treats upon. We advise all the ladies to give it a careful perusal, and especially the begging-letter committee to whose mendacious epistle it is a reply. We do not care how much money comes into Utah, but we must insist that it come honestly. We can not sanction the obtaining of it under false pretences.

THIRD DISTRICT COURT IN CHAMBERS.—Yesterday afternoon the examination of Messrs. Burt, Blythe and Toms, arrested on a charge of murdering Dr. Robinson some five years ago, in this city, commenced before Judge McKean in chambers. Gen. C. Bates Esq., U. S. Attorney, appeared for the people; Messrs. Hempstead and Fitch for the accused.

The following witnesses were examined; Messrs. Baker, Gus Sprouse, Dr. Williamson and Mrs. Sarah Crosby. The chief points of the testimony of the first witness were that he was on East Temple Street at the time the murder was committed, and near the spot on which the deed was done. He heard a scream, and the firing of a pistol; he crouched behind a fence and two men ran past him directly after the firing, and others in other directions. He thought he knew two of those who ran, and the next day he identified Messrs. Blythe and Toms as these two men. Blythe was one who ran past him. After the men ran, he saw a body lying on the opposite side of the street, but did not know whether it was that of a man or not; he did not go to see, but went home to bed. Sprouse testified that he saw the murder committed, but he could not identify the murderers. The evidence of the other witnesses, Dr. Williams and Mrs. Crosby, did did not go at all to the identification of the supposed murderers. The Court then adjourned.

The examination was resumed this morning, the witnesses examined being Messrs. C. King, —— Wardle, A. Dash, Gus Sprouse (recalled) and Theo. F. Tracy, the testimony contradictory, and nothing conclusive elicited against any of the accused. Further proceedings were postponed until Monday.

MORE TELEGRAPHIC EXTENSION.—Yesterday afternoon a telegraph office was opened, by the Deseret Telegraph Company, at the far off Kanab. The following telegram, announcing that and other interesting matters, came over the wires this morning:

KANAB, Dec. 15th.

Editor News: Good morning to all. We opened an office here yesterday afternoon, Miss Rosella J. Haight, operator. The weather is fine and no snow. The Navajoes, hoppers, wolves and crows have decimated last season's crops. The people are at work like beavers, making general improvements. Major Powell, with a party of fourteen men and three ladies are near here in two camps, and will soon establish a base from which their geological and topographical operations will radiate. In my opinion Kanab will ere long be a most desirable point, and a flourishing settlement. There is no sickness.

140,000 SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,

AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (in which any one can have access) of the manufacturers for the year 1870 to the owner of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,600
Wheeler & Wilson	52,226	Gold Medal	8,912
Howe	43,100	Kins	5,806
Grover & Baker	37,402	Empire	3,500
Weed	35,002	Finkle & Lyon	2,440
Wilcox & Gibbs	24,890	Parham	1,760
American Button-hole & Overseaming	16,623	Wilson	500

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the **Singer Machine** far exceeds that of all others, their sale being one-half greater than even that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the **Singer Company** have lately commenced making, besides their old and well-established manufacturing machine, what is known as their "**New Family Machine**," of which is selling at the rate of nine to one better than their old style." Their total sales for 1871 were 81,741 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

One-half of our Gigantic Sales, now nearly

THREE-QUARTERS OF A MILLION

Machines Sold,

AND ALL IN PRACTICAL USE, WERE MADE WITHIN THE PAST THREE YEARS!

But the greatest increase of our Sales over all other Machines, being within the past year This is incontestible proof that

Our Machines are the Best in the World!

The New Family Singer Sewing Machine,

With Attachments for All Kinds of Work,

Is fast winning supreme favor in the household, as shown by the rapidly increasing sales, over all other machines.

This **New Family Machine** is now capable of a range and variety of work such as was only recently thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easy operated, speedy and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the **Interlocked-elastic-stitch**, alike on both sides of the fabric sewed; the only stitch which is universally approved, and adapted to first-class work. Thus, beaver cloth, or leather may be sewed with the same strength and uniformity as stitch and, in a moment this quiet and light-wearying instrument may be adjusted for fine work on gaize or illusion tissue, the stitching of tarletan, or ruffling, or almost any other work—even by a child—which delicate fingers have been known to perform. Even the careless and thoughtless have little or no trouble on this machine.

Send for Descriptive and Price Circulars.

We manufacture our own needles, silk and twist; furnish linen and cotton thread and oil—all of superior quality—but which can be relied on only when obtained through our Principal or Branch Offices, or Agencies.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER** and **A LIFE-GIVING PRINCIPLE**, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood**, which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which renders them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
