

## OGDEN.

Ogden, Utah. - August 13, 1894.

## Irish Woman and the Dancing Master.

Mr. Pavey, a dancing professor who has been for some time just giving dances at Riverside Park, and a woman by the name of Umph, showed their dancing abilities at a meeting at the park Saturday night. About 100 Mrs. Church, who is a milliner by trade, and had apparently been watching for an opening, stepped up to Pavey and announced him several times over the head with the bill of a hundred men. She then took a scuffle knife in which both parties were armed with a sharp knife and a scuffle knife, and the two women were separated by policemen. The professor, with hand streaming with blood, and the woman in tears, was led away to the police station. The woman was taken to jail, and the professor was released on a warrant for his assault on the street, but later escaped his guard and all arrests were made.

Mrs. Church says she has known Pavey for the past year, and that he had been very kind towards her daughter, being of a serious nature. This is said to be the eighth woman who has been injured by him since he came to Ogden with this same plan.

## The Girls Will Quail.

Tuesday (yesterday) will conclude a new list of visitors to Ogden. The last of those who have walked there for a long time will be out. The trouble is caused by the young ladies belonging to what are called "the best families" who are given to visiting the management, and which they do so at great expense.

## Slapped and Fought.

A square dance at T. Wood's, Ogden, on Saturday night between H. L. Gant, president of the Workmen's Union and W. M. Morris, which resulted in Gant being suspended from his office as a member of the Board. Both parties were arrested and taken to the city jail where they furnished the necessary bond for their appearance in court today.

## Notes.

The two companies of the Seven-tenth from Fort Douglas, which have been delayed here for a long time, returned to Cheyenne on Saturday.

A large number of Weber county people went to Ogden this morning.

## PLEASANT GROVE.

Pleasant Grove. - Aug. 13, 1894.

## Want to Hear from Him.

A man purporting to represent the Salt Lake Hardware company has been in town taking orders. As an extra inducement he has got in his way by promising to give his patrons a big advertisement in some local newspaper. He has got the name of "John D. Martin," "agent to follow," which was to be used on advertisements. Strange as it may appear, some fine business women are trying to follow the water and raining over the loss of their cash. This person signed his name A. J. Martin.

## For Homemade Soaps.

Moesta Nielsen and Nielsen, tailors, have accepted situations from the Kinnane Coop, Silver City, at their stores and will grant them full charge in the interests of Utah women. The gentlemen went to Salt Lake City at the request of their new employees and selected a large stock of goods from J. C. Underhill, the outlet of which will be made for our southern neighbors.

## From Telon.

Dan C. Driggs and wife arrived from Tooele Basin yesterday. They will remain a few weeks and then go to their home. They report miners preparing for that country. Many new settlers coming in seeking homes.

## Wrong Name.

In your notice of "State Drawing" here a few days ago a mistake occurred in transcribing the message. It should have read, "A boy whose father's name was Peter Jensen, instead of 'Stephen Hansen,'" as stated.

## Notes.

Quite an interest is being manifested in the coming events, etc. Please say all salutes, and the like. I am gathering at present.

Everybody is very dry. People of employment would get work here during the summer if we help themselves and save the fruits.

## 40. Count Them! 40.

Did you ever count them? We refer to the Spokes in the wheels of your bicycles. Some makes have 20. Some have 22. The STEARNS, that superb 20 Pound Guaranteed Road Wheel, has 40. Count them? 40. No wonder the wheel stands hard usage. What wonder that it can be ridden over all kinds of roads and never break down. Mr. T. O. Angel, our agent and pains-taking retailer says: "I never saw anything like that STEARNS spoke, nor a broken one, for this is an Anti-revolutionary road wheel." Talking about art wheelchairs! Great Angel is doing the 10 Pound Road Wheel. Think of it. 40 pounds for the road wheel! Help now at Logan and Brigham. Give us credit for the road wheel! Help now at Logan and Brigham. That our representatives have created a sensation at Lincoln and Brigham City, with the STEARNS."

STEARNS, SPALDING, CONDON, WATKINS. Splendid Wheels.

## Western Hardware Co., Agents,

WHEELMEN'S PROTECTIVE COMPANY. Mr. T. O. Angel is selling Tires for \$100.00.

## Fox Watch Plates.

Do not buy your bands yet. They are 18 months old if you were there to purchase good, paying property.

When you buy a book of bands, get them more sense if you can find them well. They will take to their own surroundings, especially well, and then be serviceable.

What is the word respecting the purchase of gold? Mr. T. O. Angel says it is bad now and will be worse. They have been bad for generations, and will be so to the end, except the other day when the market again apparently supports their weight.

There goes. They have not been strong enough lately to justify buyers to continue to pay record prices. The result is a general depression of business. Demand has not been able to keep up with supply, and the market has turned and now goes down.

Some could sell at 100 cents. The present market value is generally given as 85 cents. A general panic in which the market will still stand depends entirely upon the demand and resistance to it is the only thing that will sustain the market. Owing to this cause, the market may bring record losses by a day or two.

It is the usual rule of 100 cents. The market has not been strong enough lately to justify buyers to continue to pay record prices. The result is a general depression of business. Demand has not been able to keep up with supply, and the market has turned and now goes down.
