LEVI W. RICHARDS, Administrator. December 28th, 1876. Residence, near the 20th Ward School-

Think of the above before you buy! Also, remember that there were more of the MCCORMICK machines sold in the United States last year, and every year, than any other make, and ask yourself the reason why. Is it not because they are the BEST and most DURABLE machines?

See for yourselves before buying. Remember that every machine is fully guaranteed.
