EDITORIAL NOTES.

-The San Francisco Chroniele of June 12 says that the day previous was the hottest day in that city for twenty-seven years previous, to counteract the effect of the Herthe mercury reaching 99? at 12:45 ald's revelations.

p.m. -As one good turn deserves another, we have no particular ob- London special says, the Pall Mall Jection to giving the New York Herald an occasional notice in the sia in Central Asia has been long valuable columns of the NEWS, and regarded, by the closest and most the benefit of the extensive circulation of the NEWS in the publica- not believe that the protestations tion of such notice, for the Herald of contempt for such movements, is doing more gratis just now to ad- on the part of official persons, are vertise the "Mormons" than any anything more than an exaggerother paper in the States.

-The New York Herald has Salisbury's prominent connection several times indicated that it is no with the famous conference, the editorial concludes by asking use trying to scare its correspond- how far does anger ents away from Salt Lake. Now most natural, inevitable and hudo you hear it, you shaky corres-pondents? What are you trying to in such matters is so you which, scare yourselves away for? Here What, in short, is he driving at, you are and here you must stay, and what are his motives? The "Mormons" stayed here un- have a right to ask this. It is not scared when there were no soldiers Lord Salisbury's private business that is to be decided from personal on the hill, and only 143 of thempredictions, and though he seems to selves all told, and some of them think that if the government goes went back to the Missouri to help their brother and sister emigrants of the country, the rabble will be to come west. What are you fright- honor of driving from office perened at, you scribbling sons of sphages so distinguished as the Bellal?

-The San Francisco Chronicks of June 12 says, "Mrs. Taylor, wife of the London papers, it will be of Rev. Archi bald Taylor, the brother of Rev. Wm. Taylor, the evangelist, delivered an entertaining lecture last evening at Nicholl Hall, Oakland, on 'The Universal Disease.' She related the story of her unhappy life; claimed to be a Christian woman, and said she entertained no favorable opinion of Henry Ward Beecher, who, she their diplomas by the superintenclaimed, was tainted with the 'universal disease,' yet who, in her opinion, is a better man than many other preachers of her acquaintance,

She regretted ever having married a minister."

-The Petersburg (Va.) Index says the N. Y. Herald's Salt Lake correspondent assassination canard "will strengthen the prevalent written to the mayor of Southampsentiment that any means would ton stating that previous angage-

very bones by the power given to partial intimations of the avider in his possession in regard is kept priestbood, that the latter is kept very busy at the Lion House. Sev-eral secret meetings have been held there during the past few days, and many apostates and Gen-tiles have been condemned. The organization for future resistance to probable arrests, which has been to scouted by suborned or ignorant for the organization-Mrs. Elizanewspapers, is proceeding with

greater energy, as well as secrecy, than before. Mormon emissaries are on their way east and west, and Elizabeth Brown, of Pleasant Grove; Mrs. Mary Hindley, of Amthe Mormon missionaries, already established in the east, have recelyed instructions to use every means erican Fork.
