# Memorial

For the admission of the State of Deseret.

dip To the honorable, the Senate and House of Representatives of the United States in Congress Assembled:-

dip GENTLEMEN:---Your memorialists, the Legislative Assembly of the Territory of Utah, respectfully represent that in the year 1856, on the 16th day of February, the qualified electors \$3,00 of the Territory of Utah met at the usual places of holding 2 - elections in their several precincts, and did unanimously 1 - elect, by vote, thirty-nine delegates to a convention, dip which convention met on the 17th day of March 1856, in 3 - Great Salt Lake City, and appointed a President and 2 - Secretary, and did proceed to form and adopt a Constitu-1 - tion and a Republican form of State government for the dip Territory of Utah, under the name and style of the "State 3 - of Deseret," and prepared a Memorial to your Honorable 2 - Body for admission into the Union, and appointed dele-1 - gates to transmit the same to Washington City, D.C., things farmers keep? dip | which Constitution and Memorial were submitted to the grain they give a peck.

people on the 6th day of April, in their several precincts, and by a unanimous vote approved; and Whereas said Constitution has been presented to your dip Honorable Body without receiving that favorable action which our constituents desire; and Whereas the people of the Territory are abundantly

able to support a State government: lip | Therefore your petitioners respectfully pray your Honor-- able Body to admit the State of Deseret into the Union - on an equal footing with the original States, thereby to dip avoid, in a great measure, the difficulties which naturally - hinder the advance of the glorious principles of true Republicanism, or government by the people, the only lip sure basis of permanent government and true liberty. And your memorialists, as in duty bound, will ever pray.

### Memorial

To Congress for the Construction of a Magnetic Telegraph across the Continent.

Your memorialists, the Legislative Assembly of the Territory of Utah, respectfully pray your honorable body to provide for the construction of a Magnetic Telegraph lip from Sacramento, California, via Great Salt Lake City, to \_ Iowa City.

Your memorialists beg leave to express their sincere opinion that no measure of Congress would be more callip culated to promote the general welfare, provide for the common defence, and to preserve inviolable our national union than to bind the east and the west by a magnetic stream, making the inhabitants of our eastern and western limits neighbors by instantaneous communication; and your memorialists as in duty bound, will ever pray.

#### Memorial

To Congress for the establishment of a Daily Mail from Omaha, Nebraska Territory, via Salt Lake to Sacramento.

Your memorialists, the Legislative Assembly of the Territory of Utah, respectfully solicit your Honorable Body to provide for the establishment of a Daily Mail from Omaha City, or from Nebraska City, Nebraska Territory, via Great Salt Lake City, to Sacramento City, California.

Your memorialists, believing that the above indicated route is the best and most practically useful route across the North American continent, and desiring the advantages of mail facilities on a like footing with our fellowcitizens in other States and Territories, respectfully desire your favorable consideration of this our Memorial. And your memorialists, as in duty bound, will ever pray.

#### Memorial

To Congress in relation to the unpaid expenses of the Legislative Assembly of Utah Territory for the Sessions of 1856-7 and 1857-8.

dip To the Honorable, the Senate and House of Representatives of the United States, in Congress assembled:-

Your memorialists, the Legislative Assembly of the Territory of Utah, would respectfully represent that the ip expenses of the Legislative Assembly of this Territory for - the Sessions of 1856 7 and 1857-8, have not been paid; dip and that the appropriations justly made by Congress for that purpose have been withheld from their legitimate dip | channel for some cause to your memorialists unknown.

Your memorialists beg leave to respectfully represent, lip that the Sessions of the Legislative Assembly above referred to, were held in strict accordance with the Organic dip Act, and laws of this Territory enacted in strict accordance therewith, and feeling confident of the just and lip humane intentions of your Honorable Body in making said appropriations. We respectfully desire, if not inconlip sistent with your Legislative position, that you will take such measures as will cause them to be paid according to ip | the requirements of law. The incalculable inconvenience that has arisen to the people of the Territory by the nonip distribution of the laws, and by other difficulties resulting therefrom, are a sufficient reason for presenting this P matter before your Honorable Body. And as in duty bound, we will ever pray.

## Memorial

To Congress for the construction of a National Central Rollroad via Great Salt Lake City.

Your Memorialists, the Legislative Assembly of the Territory of Utah, respectfully pray your Honorable Body to make the necessary arrangements for the construction lip of a National Central Railroad from some eligitle point - on the Missouri River, via Great Salt Lake City, to Sacialip mento California. Your memorialists would respectfully represent that

dip that the immense emigration and trade across the centinent calls loudly for its immediate construction; and that dip as a means of national defence in the event of a war with any navel power it would be invaluable, enabling the country to transmit to the western coast, troops, supplies, - and other appliances of war, with a speed and facility that would render powerless the attacks of all the combined powers of the monarchial world upon our western - frontier.

A great hand of union throughout the family of man lip is a common interest-a central road would unite that interest as with a chain of iron, and would effectually p hold together our federal union with an imperishable id ntity of mutual interest, thereby consolidating our relations with foreign powers in times of peace, and speedp ily enforcing our rights in times of war.

The attention of Congress to this subject is earnestly solicited, and your memorialists will ever pray.

# Memorial

To Congress, for the election of Governor, Judges, Secretary and other Territorial Officers, by the people.

Your Memorialists, the Legislative Assembly of the Territory of Utah, respectfully pray your Honorable Body to so amend the Organic Act of the Territory of Utah as to extend to the people of this Territory the right of the elective franchise, authorizing them to elect their own Governor, Judges, Secretary, as well as other officers .-Your Memorialists would respectfully desire your early attention to this subject.

Your Memorialists believe that the appointing of strangers, as officers over the citizens of the United States in Territories, (though a time honored custom) is to say the least, a relic of British Colonial Rule, and a direct infringement upon the rights of self government, and opposed to the genius and policy of republican institutions; your attention to this important subject is respectfully requested.

As your Honorable Body are well aware, that no persons can be so well qualified to administer justice, make laws and execute them, in a Territory, as those citizens of the United States, who have reclaimed it from a wilderness; the consummation of this valuable reform isrespectfully desired: and your Memoralists, as in duty bound, will ever pray.

# Memorial

For a donation of lands to cities, towns and villages. To the Honorable the Senate and Hruse of Representatives of the United States in Congress Assembled:-

Your Memorialists, the Legislative Assembly of the T. rritory of Utah, respectfully pray your Monorable gody to grant unto the inhabitants of Cities, Towns and Villages in this Territory a donation of the land included within their respective surveyed and recorded plots, and which are actually occupied; the right of soil to be secured by patent issuing from the land office to Trustees appointed for the purpose by the inhabitants of their respective Cities, Towns and Villages; the right of soil to be conveyed by said Trustees to the settlers upon lots on equitable terms; the proceeds of which shall be applied to a fund for the support of common schools.

The favorable exercise of your Legislative wisdom upon this subject cannot fail to bring a blessing upon the heads of the children of those hardy Ploneers whose energy broke the solitude of this desert and mountainous re-
