Last Night's Dispatches.

EASTERN.

Cordial Greetings.

WASHINGTON, 17. — President Hayes, on arriving at the Executive Mansion, to day, was handed the following telegram, dated on board the steamer *Twilight*, this morning, in response to the good wishes of President Hayes and Mrs. Hayes to ex-President and Mrs. Grant on their departure for Europe:

"Mrs Grant joins me in thanks to you and Mrs. Hayes for your kind message received on board this steamer after the passage out from this wharf. We unite in returning our cordial greetings, and in expressing our best wishes for your health, happiness and success in your most responsible position. Hoping to return to my country to find it prosperous in business, and with cordial feelings restored between all sections, I submit myself

"Truly yours,

(Signed) "U. S. GRANT."

Those Stolen Logs.

The special agent who seized 40,009 stolen logs in Louisiana, reports that rafts are being towed away every night. The matter will be immediately attended to.

Shooting Affair.

J. H. Reaves, collector of internal revenue of Virginia, telegraphs to the Commissioner of Internal Revenue that Collector Joslyn, Deputy Marshal Austin, and three others have been shot in Lee Co., while in the discharge of their duty, one of them mortally.

Grand Reception.

NEW ORLEANS, 17.—Gov. Nicholls and staff visited the *Plymouth* to-day. A salute of seventeen guns was fired, flags displayed, and the usual ceremonies by the men-of-war were paid to the visitors. Gov. Nicholls expressed to Captain Barrett the hope that the *Plymouth* would remain here until after Thursday next, the time appointed for the grand ball and reception tendered by the citizens to the officers of the United States army and navy.

National Bank Notes.

The redemption of national bank notes by the redemption agency, last month was nearly $84,500,000. The counterfeits rejected since the organization of the agency amount to $14,000, and the stolen and other notes rejected to nearly $27,000. The over reported in remittances from banks in the same period, amount to $65,000, and the shorts to $60,000. The redemption for the current fiscal year will amount to $235,000,000, an increase of $17,000,000 over the preceding year.

Gen. Grant and Party.

PHILADELPHIA, Pa., 17.—This morning General Grant took breakfast with Gov. Hartranft, Senator Cameron, Col. Fred. Grant, Gen. Sherman, and Hamilton Fish, after which he was waited upon by the mayor and a committee of the council, and escorted to Chestnut Street Wharf, where a steamer was waiting to make an excursion up the river with the ex-President and invited guests on board. A very large crowd of people were assembled at the wharf, and General Grant was loudly cheered on his arrival. The ferry boats, steam tugs, etc., all saluted the excursionist party with their whistles and flags. When passing the Russian corvette *Oreysser*, that vessel ran up the American flag and fired a salute of twenty-one guns. The steamer will proceed to Newcastle, where General Grant will be transferred to the steamship *Indiana*, in which vessel he will sail to Liverpool. The revenue cutter *Hamilton*, which had been placed at the disposal of General Grant by President Hayes, was used for the purpose of carrying Mrs. Grant and a number of personal friends down the river. Mrs. Grant was escorted on board by Geo. W. Childs and wife, A. J. Drexel, and J. W. Paul and family. In passing the navy yard, the *Hamilton* was greeted with a salute from the receiving ship.

During the trip down the river General Grant took dinner with the committee on board the boat. Among the guests were Secretaries Chandler, Fish, Borie, Robeson, German Sherman, Governor Hartranft, Mayor Stokely and others. Speeches were made by all the gentlemen named, in which Gen. Grant was highly eulogized as a soldier and statesman.

General Grant, in response, returned thanks for the honor conferred on him by the speakers and by Philadelphia, and begged that it should be remembered that those who had so faithfully aided him in his military and civic positions were deserving of their share of whatever credit was due.

The Silk Frauds.

NEW YORK, 17. — The Custom House Commission has received a long memorial from the Silk Manufacturers, suggesting remedies for alleged abuses in the handling and valuation of silks arriving here. The chief remedy being the appointment of one or more expert appraisers, with salaries of $1,500 annually. The memorial declares that by the evading of the duty and the under valuation of invoices, government loses from three to five million dollars annually. Some of the merchants have ceased importing, finding that they can buy here cheaper.

Weapons and Explosives of War.

It is currently reported among the manufacturers of arms, that foreign belligerents are active hereabouts. The Russians have loaded three barks with weapons and explosives, and it is hinted that the Russian squadron took out one such vessel. The cargoes comprise about 200 tons of brass metal, from three to five million cartridges, 5,000 barrels of gunpowder, each worth about $350,000. It is understood that the Russians are increasing their orders for pistols. The total shipments now aggregate 200,000. The manufacturers for the Turks are doing their usual work, but no vessel will be dispatched before July.

The Illinois Silver Coin Act.

The *Tribune's* Washington special says the Secretary of the Treasury does not consider the passage of the act by the Illinois Legislature, making silver coin a legal tender within the limits of that State, as a very important event. The government is ready to supply the people of the State of Illinois, and those who may have creditors there, with all the silver they may desire in exchange for greenbacks. The only effect upon the treasury which the passage of such a law can have, if really carried into operation, will be to enable the Secretary to redeem greenbacks at a profit instead of losing the percentage upon them, as it does if it redeems them in gold. Of course, neither the State of Illinois nor any citizen of it is allowed, under the laws of the United States, to manufacture silver coin, so whatever benefit may accrue from the increased circulation of our subsidiary coins in that State, will be secured by the U.S. government.

The Treasury Department believe that if the law actually goes into effect, it will become so unpopular in Illinois before the meeting of the next Legislature, that its repeal will be one of the first acts of that body at its next session.

Wholesale Theft.

The *Times* says Thomas Burton, clerk and porter for H. B. Claflin & Co., was arrested to-night for robberies committed during the past six years, which aggregate fully $50,000. It appears he carried off quantities of goods almost daily, and sold them to Daniel J. Hall, dealer in dry goods and notions. He was caught in the act with 85,000 needles, thirty-five packages of thread, and $47 on his person. By the aid of his confession bank books have been discovered covering $9,000. Daniel March was also arrested, to-night, in the act of carrying off goods from the same firm.

An Unruly Scholar.

OREGON, Mo., 17.—Miss Kingsbury, a teacher in the select school, having had occasion to punish an unruly boy named William Payne, aged thirteen, he resisted and struck her several blows with his fist in the breast, when she immediately turned to her seat, fell over and expired. A post mortem examination revealed the fact that her lungs were diseased, and her heart so badly involved, that death might have been caused at any time by over excitement.

Poisonous Candy.

BOSTON, 17.—Five candy makers have been indicted for poisonous adulteration. Their bonds have been fixed at $6,000 each.

Movement of Troops.

LEAVENWORTH, 17.—Two Companies of the Fourth Cavalry have been sent from Fort Sill, Indian Territory, to scout the Staked Plains regions, and prevent further raiding and pillaging of Indians. Two Companies of the Twenty-third Infantry are expected to arrive at Fort Leavenworth on Saturday, and the entire Sixteenth Regiment to reach there shortly.

Rich Diggings.

CAMP STAMBAUGH, Wyo., 17.—The richest diggings ever discovered in this country were found one-fourth of a mile from this post yesterday, by the post carpenter. He has ten men at work to-day, and they are taking out twenty-five cents to the pan.

Attempted Outrage by a Negro Boy

ARLINGTON, Ky., 17.—Eli Pyle, a negro boy, sixteen years old, living near here, attempted to outrage the wife of his white employer, C. R. Pyle, a respected citizen. Failing in this, he beat her, and supposing her dead, threw her into a cistern of water, and being only four feet deep, she tied her hair around a projecting root, and when she weakened was held up by it. She was in this position for five hours before rescued. The criminal is in jail. The woman will recover.

FOREIGN.

RUSSIA.

Retreat of a Reconnoitering Party.

CONSTANTINOPLE, 17.—A reconnoitering expedition of 500 Russian infantry crossed the Danube in small boats a little below Reni. The Turks allowed them to come well within range, when they opened such a heavy fire that the Russians were compelled to retreat to their boats with serious loss.

The Russians have crossed Aluta, and entered Little Wallachia, which, it was expected, would be occupied solely by Roumanians.

Gen. Skobeleff's division of the Circassian Cossacks, intended to head the advance of the invasion, is passing through Bucharest *en route* for the Danube.

ITALY.

A Sword Duel.

ROME, 17.—A duel with swords has been fought between Deputy Pierantoni, son-in-law of the Minister of Justice, and Senor Albanes, a writer on the *Fanfulla*. The latter is somewhat seriously wounded in the arm. The cause was an editorial criticism. The members of the press have protested to the Chamber.

GREAT BRITAIN.

Eastern War News.

LONDON, 17.—The capture of Seokgoom Kale and the rising of the Circassians, who massacred the garrison and burned the town, is officially announced.

An iron clad has left Seokgoom Kale for Batoum, to obtain arms for the Circassians.

The Russian infantry corps, numbering 52,800, accompanied by a proportionate force of cavalry and artilery, is marching in the direction of Simnitza. It is believed the main body of the Russians will attempt to cross the Danube there.

The railway bridge at Tekutch, between Barboschi and Jassy, was washed away by a freshet, and will require several days to erect a temporary structure.

The Sultan has determined on the admission of Christians into Turkey. A draft of 20,000 is to be equally divided among the Ottoman subjects, without distinction of race or creed.

The column of Russian infantry is expected to reach Bucharest tomorrow. Rain falling all day and continues this evening.

The Russian army corps at Odessa has been ordered to the Crimea, to prevent the spread of the Tartar insurrection.

The report that the Turks intend to seize the church property in Bulgaria causes much excitement there. Many monks are accompanying the Turks to the Caucasus to incite a holy war.

Eight Turkish soldiers, captured near Ibrail, were armed with American rifles, firing thirty-six cartridges without reloading. In addition to the charges contained in his rifle, each soldier was provided with 120 rounds of ammunition. The Russians were somewhat surprised to find such weapons in the hands of their enemies.

WEST INDIES:

Mysterious Movements — Gold Sale Suspended — Smuggling Fraud.

HAVANA, 17.—Mysterious movements of the American Catholic priest, Dr. Pope, have attracted attention. It appears that Dr. Pope, while on his way hence to Hayti, had an interview with the Captain General and the authorities. The Doctor had tried to gain the confidence of the Cuban leaders, but was suspected. It is supposed that he intended to act as a go-between.

Government has suspended the sale of gold, as the expectations of the treasury were not realized. The daily selling of gold in small quantities prompted, rather than abated, the street speculation.

An extensive smuggling fraud in the Custom House has been discovered by the National Loan Society who receive the revenues.

OFFICERS, SOLDIERS and SAILORS of the late war, or their heirs, are in many cases entitled to money from the Government, of which they have no knowledge. Write full history of service, and state amount of pay and bounty received. Enclose stamp, and a full reply, after examination, will be given you free.

Pensions.

All OFFICERS, SOLDIERS and SAILORS wounded, ruptured, or injured in the late war, however slightly, can obtain a pension: many now receiving pensions are entitled to more. Send stamp and information will be furnished free.

United States General Land Office,

Contested Land Cases, Private Land Claims, Mining, Pre-emption and Homestead Cases, prosecuted before the General Land Office and Department of the Interior.

Old Bounty Land Warrants.

The last Report of the Commissioner of the General Land Office shows 2,497,500 acres of Bounty Land Warrants outstanding. These were issued under act of 1855 and prior acts. We pay cash for them. Send by registered letter. Where assignments are imperfect we give instructions to perfect them.

Each department of our business is conducted in a separate bureau, under the charge of experienced and skilled clerks.

By reason of error or fraud many attorneys are suspended from practice before the Pension and other offices each year. Claimants whose attorneys have been thus suspended will be gratuitously furnished with full information and proper papers on application to us.

As we charge no fee unless successful, stamps for return postage should be sent us.

Liberal arrangements made with attorneys in all classes of business.
