TELEGRAPHIC.—Mr. A. Pratt, whose notice appeared in the NEWS, will charge the following rates to pupils who wish to learn the art:

For two months' regular lessons, twenty dollars.

For extra lessons, so as to prepare pupils in about six weeks, or less, for an office, twenty-five dollars.

He also teaches, in connection with the art of telegraphing, the art of penmanship, speedy and plain, for which his charge per two months will be three dollars.

The practical part of the business of telegraphing will be entered into, by the pupils sending messages, dispatches, news reports, mining stocks, etc., with full explanations thereon. His terms are very reasonable. Address, A. Pratt, S. L. City. d231 w29 1c

HEALTHFULNESS.—A distinguished physician says: "After a careful examination of Dr. Price's Cream Baking Powder, I am satisfied that it is a wholesome and valuable preparation, with which bread and other articles may be prepared suitable to a weakened and disordered digestion. I have introduced it among my patients, and have yet to learn the first instance where a convalescent patient could not indulge in warm biscuits made with it and feel the better for it. Sour milk and saleratus will not, I hope, be longer used to poison the stomach and corrupt the blood." Dr. Price's Special Flavoring Extracts, as well as his Cream Baking Powder, have gained their popularity and extensive sale from their perfect purity and unvarying quality.

ADDRESS OF CHURCH EMIGRATION AGENT.—Mr. William C. Staines, Box 3957, P. O., New York City.

MRS. JOSEPH BULL respectfully informs the Ladies of Utah that she still teaches the Art of Cutting all kinds of Garments by the celebrated CURTIS FIRST PREMIUM MATHEMATICAL MODELS. Any article of Wearing Apparel for Ladies, Gentlemen and Children can be shaped in a few minutes. There will be no altering—no taking up or letting out, which not only injures the material but destroys the proportions and often ruins the garment.
