## FRAGMENTS.

An officer from Camp Laramie has been sent to-day.

*Lecture on "Hospitals at St. Helena" at the Theatre to-night.*

The Lecture Engineer's excursion left this city last evening.

The Pappenheim Opera Concert at the Walker Opera house this evening.

The Bear Pic., No. 4 Vol. 1, comes buzzing in like a bee to the usual quota of literary insects.

The usual quota of drunks and disorderlies at the police court to-day. Nothing important.

GENERAL McCORMICK left for the East yesterday to attend his own marriage with Miss Annie Cole.

We are informed that the new edition of that valuable work, the "Compendium," is in press, and will be ready for sale at Conference time.

A lecture will be delivered this evening at 7:30 in the Nineteenth Ward meeting-house by C. H. Blas, Esq., on "The Cause and Cure of Hard Times." The lecture is free, and the public are invited.

## MUSICAL NEWS.

**Information Wanted.** - Mrs. Nellie Wedge, of Panacea Lincoln Co., Nevada, is anxious to know the whereabouts of her two nieces, Leona and Mary Kronow, who immigrated to Utah with the last company.

**Not So Bad.** - A pleasant dry-weather correspondent says the report that there are several new cases of diphtheria in that place, and that the malady is spreading is not well founded. We are glad to state that there is no fresh development of the disease in the place.

**The Logan Choir.** - Brother Alex. Lewis, leader of the Logan choir, has accepted the invitation of Conductor E. Beesley, to bring his choir (as a body) to this city, and assist our Tabernacle Choir in the musical services of the approaching conference. In all probability the Logan choir will furnish the music for the Sunday School meeting, to be held one evening during the conference.

**Mr. Anderson Heard From.** - By courtesy of a member of the family of Mr. Scott Anderson we are enabled to make the following extract from a letter from him dated San Francisco, September 25th:

"I never would have come away if I had not sent a copy of my letter to the Tribune. Had I not done so I believe I would have turned back from Ogden. This would have been nothing against the Mormons."

**The Utah County Delegation.** - Delegates from the several provinces, People's Party, Utah County, met in convention at Provo Saturday, 13 m., 27th inst., for the purpose of electing nine delegates to attend the Territorial convention to be held at Salt Lake, Oct. 8th, 1884. A. O. Smoot, Jr., was chosen chairman and John C. Graham secretary of the meeting. Following are the names of the delegates elected:

N. Packard, S. B. Thurman, Wm. Creer, George Webb, B. W. Driggs, John Hindley, A. O. Smoot, Jr., Wm. Price, J. S. Page.

**Cleaning Wool.** - In the article in Saturday's News in relation to efficiency of Mr. Robert Johnson as a manufacturer of piles the news was mainly to exhibit the fact that the information he possesses would be available in connection with the manufacture of woolen fabrics, as being familiar with the best approved method of preparing wool for cloth. The other branches of picking and manufacturing leather from the gels are conducted by J. W. Summersay & Co. Co. We would be pleased to learn of Mr. Johnson being employed in the wool cleaning business.

**Suicide at the Grave-yard.** - Shortly before going to press, word came to the news-room that a man had committed suicide at the Sisters' Hospital. Inquiry elicited the fact that the fatal event did not take place there, but at the grave-yard, where the suicide, who is no other than M. Goldsticker, the butcher, had been to visit his first wife's grave, and took his life, it was supposed by poison, while there. No marks of violence were found on his person, and at the time our inquiry was made there had not been an examination made by the doctors, which, however, was pending. The victim was brought to the Hospital about half past 2 o'clock this afternoon.

**Tuesday's Programme.** - The programme for the Pappenheim Concert at the Opera House to-night has been printed in the News. Following is the one for Tuesday evening:
