PROF. COOP'S CONCERT.

Splendid Musical Event-Original Compositions Receive Rapturous Applause-

Weber County Affairs-Inquest Over Remains of Claudius J. Roberts D. H. Peery Estate.

One of the finest musical events that has ever taken place in Ogden was presented at the Ogden tabernacle Monday evening at Prof. Squire Coop's concert. Although the audience was not very large, it was very appreciative of the excellent musical numbers rendered. The program opened by a number

from the Ogden tabernacle choir en-litited "Spring Song," which was ren-dered very cheerfully under Mr. Ballantyne's able direction. Mr. Coop's first numbers were

Sonate op. sl' Beethoven, and 'Andante Graziose." In the first Mr. Coop demonstrated his depth of thought and an intimate conception of the great rugged master. In the Andante the audience was happily relieved from the strain of this classic number. It was a graceful, beautiful melody sung out by Mr. Coop's fingers as though it were from the human voice. The applause that followed Mr. Coop's first appearance was a sincere and emphatic "x-pression that he had affected his hearers deeply.

Mile, Carmen Lesne, who appeared for the first time before a Utah audi-ence, was greeted most heartily at her appearance. With much feeling of draexpression, with which the matic charming young vocalist is especially possessed, she sang "Reve" and "Mel-odie de Canic" in a most effective manner, That Mile, Lesne had won the hearts of her hearers was forcibly expressed by the continued applause which followed her beautiful rendition of these numbers.

Mrs. Anderson, a prominent society woman of Jacksonville, Fla., daughter of Recorder of

Deeds, West, says : Man "There are but few wives and

mothers who have not at times endured agonies and such pain as only women know of. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any other I ever knew and thoroughly reliable.

"I have seen cases where women doctored for years without permanent benefit who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."- MES. R. A.
