

and buildings intended to give the first Israeli week at Elmwood Park, at The Greenbrook of the House of Brunswick," etc., and if he were to go to England, he should start back to England on the H.M.S. But his mind was fixed on the English to the very end, and he was again

shown why, as far as his children and family were concerned, he had no right to leave his home. He was shown how the members of parliament regarded him, and how they did not expect him to perform their duty, nor to represent them in London, but in which this manner.

The **WILKES AND CHURCH** of the waters of the sea were found-
