HILLSDALE, Iron County,
March 27th, 1872.

Editor Deseret News:

Dear Sir—I am forming a new settlement in Iron county, seven or eight miles above Pangwich, on the Savie river, which I call Hillsdale. There are many facilities here for a good settlement, such as plenty of timber for sawing, fencing, and firewood near at hand, plenty of farming and meadow land, with an almost endless stock range, abundance of water easy of access for irrigation, trout and other fish in the river easy to be caught. Bro. George D. Willson and myself have a large upright saw mill almost ready to run, and have a good turbine water wheel and three foot circular saw, which we shall soon put to sawing boards, with two small circulars for sawing lath. Any good men and women who wish to assist in forming a new settlement are respectfully invited to come and look at this location, which is on the main road from Pangwich to Johnson and Kanab.

Very respectfully your Brother and friend.
JOEL H. JOHNSON.

President Geo. A. Smith,

Dear Brother;—I am well and have enjoyed good health since I left Utah.

A few days ago I visited Brother Armon Woodruff and family. They enjoy tolerably good health, are firm in the truths of the gospel, and desired to sell as quick as possible and gather up with the Saints.

I have visited a small branch of the Church in Covington, Tioga county, Pa. I preached almost every other night for two weeks. There was a Methodist invited me to preach in his church. I preached three times, and when I came to leave he invited me or any of our Elders to come to his house, we were welcome. Says he to me, "Brother Hulse, the people have heard nothing but evil about your people."

I think there will be some baptized in or near Covington. Brother Jacob Piercy is preaching there. When I left, the Saints appeared very happy with my visit. The people received me kindly through that part of the country. Perhaps I may visit there again.

I do not know of any place where I have visited, that the Saints have appreciated the teachings of a servant of the Lord more than they have here, and I also have enjoyed myself the best kind, knowing that the Lord has inspired me to edify every good man and woman.

Brother Esdras Howell presides over the branch here. He is whole-hearted in the cause, and is a merchant, highly respected by the people. I leave here for New York this morning. I have many places to visit yet, where the Saints want to see me.

Your brother in the truth,
BENJ. R. HULSE.

THE CELEBRATED

HOME STOMACH BITTERS.

Are endorsed and prescribed by more leading Physicians than any other tonic or stimulant now in use. They are a SURE PREVENTIVE for Fever and Ague, Intermittents, Biliousness, and all disorders arising from miasmatic causes. They are highly recommended as an anti-dyspeptic, and in cases of indigestion are invaluable as an Appetizer and Recuparant, and in cases of General Debility they have never in a single instance failed in producing the most happy results. They are particularly BENEFICIAL TO FEMALES, strengthening the body, invigorating the mind, and giving tone and elasticity to the whole system. The HOME BITTERS are compounded with the greatest care, and no Tonic Stimulant has ever been offered to the public SO PLEASANT TO THE TASTE, and at the same time containing so many remedial agents, endorsed by the medical fraternity as the best known to the Pharmacopoeia. It costs little to give them a fair trial, and

Every Family should have a Bottle.

We ask every one to read the following Certificates from many of the most eminent physicians in the country:
ST. LOUIS, July 1870.—JAMES A. JACKSON & CO.: Gentlemen—As you have communicated to the medical profession the recipe of the "Home Bitters," it can not therefore be considered as a secret or patent medicine, no patent having been taken for it. We have examined the formula for making the "Home Bitters," and unhesitatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they belong, being highly Tonic, Stimulant, and Cathartic, and slightly Laxative. The mode of preparing them is strictly in accordance with the rules of pharmacy. Having used them, seen its effect in our private practice, we take pleasure in recommending them to all persons desirous of taking Bitters, as being the best Tonic and Stimulant now offered to the public.

U. S. ARMY HOSPITAL, ST. LOUIS, Mo., Oct. 8, 1870.—JAS. A. JACKSON & Co.: I have examined the formula for making the "Home Stomach Bitters," and used them in the Hospital for the last four months. I consider them the most valuable tonic and stimulant now in use. L. MELCHER,
ST. LOUIS, July 6, 1870.—JAS. A. JACKSON & Co.: Having examined the formula from which your celebrated "Stomach Bitters" are prepared, and having witnessed the method of combining the different ingredients, we can safely recommend them as the best tonic with which we are acquainted. From the great care with which they are compounded, and from the choice materials which enter into them, we have no doubt that they will prove, as they deserve to be, the most popular tonic and stimulant in use. Respectfully yours,
T. J. YASTINE, M.D. T. G. COMSTOCK, M.D.

We cheerfully concur with every word contained in the above testimonial.

CINCINNATI, Oct. 19th, 1870.—Messrs. W. B. KENNEDY & Co., Agents "Home Bitters": Gentlemen—Agreeable to your request, I have examined the formula of the "Home Stomach Bitters," and find the remedies it contains such as are in general use by the Medical profession. They are very scientifically and pleasantly combined, and as stimulating tonics will be found especially adapted as corroborants to the treatment of low or debilitated stages of the system, whether arising from impaired digestion, or from malarious diseases.
