In Ogden Tabernacle Tomorrow—Mus-
ical Events Booked for Junction
City—Verdict for \$125.

Ogden, March 14.—The Ogden and
Northwestern railroad, owned and
operated by David Eccles and associates,
running between Ogden and the Utah
hot springs, was made defendant yes-
terday in the district court, in suits
aggregating \$114,700.

One suit was brought by E. S. Rol-
app, trustee, against the railroad
company and A. R. C. Smith. The
suit alleges that Jan. 1, 1904, the rail-
road company issued its bonds num-
ber 1 to 20, inclusive, for \$500 each,
to run for 20 years, with interest pay-
able annually, that the said bonds
were secured by a first mortgage on
the company track, rolling stock,
etc., that no part of the principal or
interest has been paid, and that there
is now due on said bonds \$40,000, to-
gether with interest at the rate of 5
per cent, from date of issue. Plain-
tiff sets forth that Smith claims an
interest in the said property and is
therefore made a defendant. A fore-
closure of the mortgage is prayed for.
As a second cause of action, Mr.
Rolapp alleges that he is trustee for
bonds Nos. 21 to 120, inclusive, issued
by the defendant railroad company
Sept. 5, 1904, drawing interest at the
rate of 5 per cent per annum, and
security for the payment of the said
bonds the railroad company gave a
second mortgage on all its property;
that no part of the principal or in-
terest has been paid and that there
is now due \$20,000 and interest. A
foreclosure of the second mortgage is
prayed for.

The Ogden Savings Bank has filed
suit against the Ogden & North-
western, to recover \$54,700 alleged to be
due on promissory notes issued during
1907-8, which have not been paid,
and the same are now past due.

OGDEN CITY TO BE SUED.
For Purchase Price of Willard Canyon
Water Rights.

Ogden, March 14.—Unless Ogden City
puts up the \$5,000 purchase price for
the water right in Willard canyon,
which was bought by the city last year
through the council, a law suit to re-
cover the amount alleged to be due will
probably be brought. The sale to the
city was made by Frank Moore and
several others, and much talk was made
about the good buy that had been made
by the city. The money was not paid
over, however, and later the city want-
ed to get out of the deal, when the
council decided not to build a lighting
plant. The owners practically agreed
to release the city from the purchase
of the water right, but the council de-
cided that it is best to sell and will
hold the council to the bargain. Mr. Moore
has notified Mayor Brewer, but the
latter is inclined to fight the case out
in the courts as the water right would
be practically useless to the city now.

by taking a Cold, most all Colds are

Champions Go to Chicago After More
Laurels.

Special Correspondence.
Logan, Cache Co., March 13.—The B.
Y. C. basketball champions were given
a royal send-off this morning by the
students of the college as they left for
Chicago, where they will enter the na-
tional tournament. At 7:30 over 600
students lined up at the institution, the
college band headed the procession,
then the basketball boys, followed by
the student body. They all marched to
the depot and lined up for a picture. As
the train pulled out at 8:15 the boys
were cheered on to victory and the re-
sults of the games played in the east
will be watched with interest here as
well as throughout the state. The boys
have undoubtedly done well in defend-
ing the Crimson colors this season, hav-
ing gone through the league series with-
out a defeat and every game played be-
ing a decisive victory. There were nine
in the party, composed of Coach Brad-
enough, Manager J. W. Crawford, mem-
bers of the team, Jensen, Roskelly,

held in by members of the ward.

The junior boys of the Second ward
Y. M. C. A. were invited to the
home of one of their class-leaders, Dr.
R. A. Pearce, Tuesday evening, and
report having the best meeting of the
season. The time was spent in play-
ing games, singing songs, and in listen-
ing to an interesting talk by the doctor,
in which he told of the evil results
of immoral living, which he illustrated
with charts, and which made a deep
impression on the boys. After the lec-
ture Mrs. Pearce treated them to ice
cream, cake, etc.

Jones' Family Troubles—Big Musical
Attraction.

Special Correspondence.
Provo, March 14.—The most enjoyable
social season was tendered by the
ladies of the Relief Society of the
Society on the occasion of the 76th an-
niversary of the birthday of its presi-
dent, Margaret M. Watson. In addi-
tion to the usual program, a number of
old time friends were present from
other wards, including the presi-
dency of the Relief Society of the
Utah stake (in all). The sisters
met at the pleasant home of Counselor
Mary M. Boyden. The time was spent
in singing, speeches, congratulations
and appreciation of the labors and
faithfulness of Mrs. Watson. The
presentation of a beautiful cameo pin
and a ring, after which a bounteous
and delicious lunch was served.

FAMILY TROUBLES.

The children of John D. Jones have
entered suit against Mrs. Lena Jones,
his wife, of three months, to compel
her to sign deeds conveying the prop-
erty to them, the children of Mr. Jones
former wife, their mother. It appears
from the complaints filed in the district
court that the children were promised
by their mother before she died, with
the consent of their father, certain
parcels of real estate and personal prop-
erty. The titles were never perfected
or transferred, and a pending but a
legal agreement was entered into, which
seemed to be all that the children de-
manded. Last December their father
again married. The papers and deeds
were all drawn and taken to Mrs.
Jones for her to sign, which she re-
fused to do. Consequently the domes-
tic affairs of Mr. Jones are some-
what unsettled.

In an interview with the parties
concerned, there were no objections
raised by the children to the father's
marriage last December.

Under Prof. A. C. Lund and C. W.
Reed of the musical department of
the B. Y. C., the great Chicago
symphony orchestra will appear at the
city March 31. The orchestra
will be larger and finer than ever be-
fore, and Provo people will enjoy a
great musical treat at the stake taber-
nacle.

A FORMER FATTY

NOW COMFORTABLE

Kills How She Got There.

Dear Editor:—
The idea of me climbing stairs car-
rying a lot of dead weight, eating
about a load of flesh that was taxing
my strength and giving me nothing in
return except a clumsy, uncomfortable
appearance! No one can have a con-
ception of how badly I was handicap-
ped everywhere. To get around half
as well as any well-proportioned per-
son I had to breathe twice as much
and as hard, I fairly waddled and
was never able to attempt to do
what ordinary girls do with ease, but
all this has been changed since I took
the advice of Margaret Knolly. Of
course, now that the secret is out and
everyone will soon know it, I might as
well be candid with you. I have lost 27
pounds in 40 days. My waist line is
now down to 24 inches and my bust
measures 36 inches, so that I can claim
to be well proportioned, but what is bet-
ter than having a nice form or figure is
the feeling of comfort. I can get around
and do anything without the slightest
effort, why I can button my shoes and
put on my waist down the back, and
now of course you want to know what
Margaret Knolly's secret is.
It is known as the Marmola Pre-
paration and contains just three sim-
ple ingredients that are mixed to-
gether in your own home and cost but a
trifle. The formula is as follows: 1/2
ounce Marmola, 1/2 ounce Fluid Extra
Cascara, 1/2 ounce and 3/4 ounces Sy-
rup Simplex. I took a teaspoonful of
this mixture after meals, and before
bedtime and I was told I could eat
and drink all I wanted and I could dis-
continue the violent exercise and the
long, tiresome walks. I must say that
Marmola is a wonderful comfort to
fat girls.
Your formerly fat,
now comfortable friend.

Hood's Sarsaparilla

A Pure Medicine

THE PURE FOOD AND DRUGS LAW

Always pure, safe and beneficial, no changes have been necessary in Hood's Sarsa-
parilla, or its advertising, to comply with the Pure Food and Drugs Law, or with
public sentiment.

From the Time it was first carefully perfected from the prescription of Dr.
Oliver of Boston, to the present day, its ingredients, its proportions, and the peculiar
process used in its preparation, have remained the same.

Being an honest, genuine medicine, it has always welcomed the closest examination.

Its Advertising, too, has always been clean, sane and reasonable.

All the claims made for it have been supported by the unshaken basis of solid
truth, and have been justified by thousands of cures actually effected.

Its Cures of scrofula, eczema, psoriasis, blood-poisoning, catarrh, rheumatism, and
of all other troubles or diseases arising from or promoted by impure blood or low state
of the system, have been truly marvellous.

It is Curing thousands today, just as it has cured thousands in the past. Unfair
criticism may try to create prejudice against prepared medicines, success often meets
with unfair assaults, but Hood's Sarsaparilla continues curing just the same.

If You are in Need of a good medicine to sharpen your appetite, or for any
general or specific trouble coming from causes we have indicated, thousands of
cured people will earnestly recommend you to take Hood's Sarsaparilla, and as its
proprieters we join them in urging you to at least to give it a fair trial, believing that in so
doing we are advocating a medicine of which, because of its own intrinsic merit, we
have a right to be justly proud.

Hood's Sarsaparilla is sold in usual liquid form or in the new form of chocolate-coated tablets, called
Sarsatabs, prepared from Hood's Sarsaparilla itself by a process of distillation and evaporation, and having identi-
cally the same curative properties. 100 Doses One Dollar. Of druggists, or sent by mail on receipt of price by
