A strip of the fur, wide enough to turn in ascurely. looked over the brim, and if there is not enough fur for the under side of the stin a satte facing may be sewed on. This turban is trimmed with small and and heads and two uncurled ostrich feathers.

PROF. MAUD MAY BABCOCK AND THE UNIVERSITY DRAMATIC CLUB.

Salt Lake Theater, Feb. 22 and 23.

There are two events each year on which the state university centers its energies. Having triumphantly passed over the annual Thankegiving day football game, the stage has been cleared for the university demantice performance. The university demantice performance. The university demantice performance. The university demantice performance in Pinero's delightful considerable experience in drauntices in the considerable experience in drauntices, and Tuesday evening. The play is foll of annuing situations and is feel to the considerable experience in drauntices. Lea Roberts and Charlotte Stewart in the play will be given under the personal topic of elevation.

Tell," Erma Hittner and Chifford Ashby of elevation.

The dress ideas of the noment are carried out in two entirely different types of gowns. One is the ultra-clinging, close-fitting princess or semi-princess dress—more often the latter han the former, for the divided bodies and skirt permit the introduction of the high waistline. The other type is he draped dress made in soft, limp, solviess muterials.

iful gown seen recently at Sherry's at sea-time. The under-dress was or considerable sitk cashmere fitted closesy and with a very narrow, clinging dirt. The overdress, which began on the right shoulder and was drawn musty across the figure to the natural vutstline on the left side, was of very biable velvet of the same color as the sady of the gown. The chemieste and deeves were of the new burnishd-goil traquele net—a not that differs from lift in the shape of its mech.

It was worn with a fur bushy—one of the novel toques of the senson whose

THE DESERET NEWS

IN DAYS OF YORE

ISTINCT modes and ideas in home furnishings have characterized the eras of fashion in the past. The delicate designs of Louis Quinze and the somber, quite, substantial effects produced in the Colonial period have both been cleverly harmonized in the furniture and house furnishings of today, as represented at Dinwoodey's.

Rugs and Carpets

No apartment in the home that aims to be among the best and latest in style and comfort is complete without the handsomest product of the loom-
