To the Ladies of the Presbyterian Church in Behalf of Salt Lake City.

In the providence of God, the board of Home Missions...

We now appeal to our sisters in the Church on behalf of the poor...

We ask five thousand women of our Church to contribute an amount...

Mrs. C. M. HAWLEY, Mrs. D. W. GIBBON, Mrs. C. P. WELBECOTT, Mrs. J. F. NOUNNAN, Mrs. E. B. DAVIS, Mrs. E. W. EDWARDS, Mrs. J. C. RUTLEY, Mrs. R. K. SHELTON, Mrs. MARY PARSONS, Mrs. M. J. HOPKINS.

THE CHURCH IN UTAH.

ORGANIZATION OF A PRESBYTERIAN CHURCH.—Mormon Editors.—Stirring events are transpiring in Utah.

The firmness of the government in executing the laws is affecting the feelings of the people...

At the close of the evening service it was unanimously decided that immediate steps should be taken...

It may be that the "hundreds of the poor, deluded, and down-trodden women of Utah,"...

By Telegraph. Afternoon Dispatches. PER WESTERN UNION TELEGRAPH LINE.

EASTERN DISPATCHES. Body Identified. The Prince, Mexico-Ku Klux. Colfax will be in Chicago.

New York, 13.—The body of the unknown man, found in East River on Monday, has been identified as J. B. Tuwington...

The Herald's special dispatch, from London 13 p.m., says the recovery of the Prince appears to be impossible...

A Matamoros special says the marshall and foreigners there have refused to respond to the call for a loan of forty thousand dollars.

A Columbia, S. C. dispatch states that the government witnesses against Logan Foster and Mitchell, charged with conspiracy against the government, detailed the full details of the raid on the plantation...

A leading Fenian states that there is no truth in the reported movement of the Fenians in England, in case of the Prince of Wales' death.

A number of unpaid laborers, yesterday, responded to the call for a loan of Green and paymaster Cady, on account of the nonpayment of wages.

Portland, 13.—The steamship President, from Liverpool, has a crew of small boats and has been quarantined.

The Times Washington special says Vice-President Colfax has informed earnestly begged, and therefore it is not reasonable that there will be any excessive hypercritical scrupulosity manifested respecting the source from whence it comes.

Now let it not be thought for a moment that we despise money, or reject what legitimately comes to our hands.

Neither are we averse to our Presbyterian friends drawing money into Utah, not at all averse, for money, though a bad master, is an excellent servant.

We might remark, by way of conclusion, that the remarkable results manifested all around us have been effected by the "Mormons" without the intervention of begging letters, but by the faith, energy, and persevering industry of the people themselves.

WESTERN DISPATCHES. SAN FRANCISCO, 12.—The Francis Mining Company was incorporated today, to operate in this State.

Carlos Codles, a young Spaniard, shot himself in the region of the heart, at Gallatin hotel in Idaho.

There were two incendiary attempts in the southern part of the country last night. A barn and house were fired, but without success in either case.

Mrs. Turner, who obtained judgment of Oris for \$75,000, for seduction and breach of promise, filed an answer to the complaint of her attorneys.

LONDON, 13, 2 p.m.—The official bulletin today is as follows: "Sandringham, 8 a.m.—The Prince passed a restless night. There is no improvement in his condition."

LONDON, 13, 3 p.m.—The Times' extra contains the following: "King's Lynn, near Sandringham—In the case of the Prince there has been no restoration to the first stage of convalescence, as we had a right to expect."

A telegram to the Echo says the delirium has not abated. It does nothing but mutter incoherently, hour after hour, without cessation.

A special from St. Petersburg states that yesterday the Casarwitch Alexander, a quarrel, assaulted Prince de May.

A successful observation of the total eclipse of the sun in southern India, is announced.

LONDON.—The latest bulletin this p.m. says the Prince has been very quiet all the afternoon. The gravity of the symptoms is unabated.

MEMBERS at Deseret Telegraph office for G. W. Grant, C. W. Bennett, Joseph Hill, Jas. Bennett, Wm. Carlin, Margaret Watson, and Mr. Hachstrasser.

QUAKING.—The Omaha Herald says if there has not been an earthquake, "there is a good deal of quaking among the miscreants who are about to lose their occupation in Utah."

AN OLD EDITOR.—We had a pleasant call the other day from Joseph E. Johnson, Esq., of St. George, Southern Utah, who is an old hand in the editorial profession.
