AMERICAN.

NEW YORK, 22 .- The following news comes from Havana:

The mail steamer from Thomas on the 17th, arrived today. She brings additional reports of the deplorable riots at Port au Prince. The disorders which were between the Liberals and Nationals began on June 25th. During the sitting of the Chambers a party of Liberals fired upon General ing insanity. Canal, a brother of the President and member of the Chamber of Deputies. The General was not hurt but the sitting was immediately suspended. Fighting then commenced in the street. The Nationals held the police, and the Liberals erected barricades and fortified many houses. They killed the Minister of War who was trying to disperse the mob. On July 1st, President Canal requested the with the rebels. The United States Therefore the representatives from States alone entered into conference with the rebels. President stoutly refused the conditions, and fighting continued on July 2d. The killed, and two soldiers wounded, rick Merith. President again resorted to the serthereupon sent to the rebels a letfighting was kept up all day.

from the front of the houses occupied by the rebels. The first shell set fire to one of the houses, and immediately all were ablaze. The rebels scattered in every direction, the fire spread fearfully, sweeping away four blocks of buildall its documents, was destroyed.

United States has information by cable from Port au Prince that President Boisrond Canal has abdicated and gone to Kingston, Jamaica. Public order has been maintained at Port au Prince and preparation made for the election of a new President. The candidates Montmorensy, Benbamin, Boyer, Basslais and Solomon.
