Ward Reunion -- Willie Tanner Thrown from a Cart.

Nearly Causes Serious Trouble. White Rocks Indian Agency, Utah, March 2.--An unfortunate accident happened at the Ouray school a short time ago, which came near involving its agent in serious trouble. An Indian named Waro, after much persuasion and entreaty, was induced to put his little boy in school. The little fellow had been in school only a few days when he, with several other boys, went down to the river skating. The Waro boy accidentally fell through a hole in the ice, cut for the purpose of getting water for the stock and the school, and was drowned, A few days later Special Correspondence. Granger, Salt Lake Co., March 2 .-The residents of Granger held a ward reunion gotten up under the auspices of the Young Men's and Young Ladies' Mutual Improvement associations. cos-Work of Cliff Dwellers.

McElmo, On every side can be seen evidences of cliff dwellers. At one place they had cut steps in the rock to reach the dwellings, at another place a large dwelling was built on the top of the cliff where a point ran out like a promontory and the place was almost inaccessible.

The scenes up the McElmo are weird

A few days later the body was found, when the agent went down, ostensibly to pacify the boy's father. On arriving, he found Waro, with some of his friends, heavily BROKE HIS ARM.

Willie Tanner, son of S. T. Tanner of Granger, was thrown from a cart caus-ing a painful fracture and dislocation of the elbow. Dr. Farebee set the joint and relieved him of pain. Backer Routs a Robber,

his boy was out at Salt Lake in schoel, and it was useless to go up there after him for he was not there. Mr. Myton, after many promises and persuasions, succeeded in pacifying Waro, and purchased his good will by giving him a wagon and a horse. Evidently Waro is satisfied with his bargain, and feels indemnified for his loss. Notwithstanding this misfortune, the Ouray school is filling up. They now have about fifty-five pupils, which is the largest the attendance has been since the school was opened about six years ago. J. R. Garrison, Cashler of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote: "It is the best medicine I ever used for a severe best medicine 1 ever used for a severe cold or bad case of lung trouble. I al-ways keep a bottle on hand." Don't suffer with Coughs, Colds, or any Throat, Chest or Lung trouble when you can be cured so easily. Only 50c and \$1.09. Trial bottles free. Z. C. M. I. Drug Dept.

Old Folks' Made Happy - Sad Bereavement-Mutual Reunion.

Special Correspondence.

Special Correspondence. Fairview, Sanpete County, March 3.-George Washington's birthday was cel-ebrated here by remembering the aged people of our ward. All from 65 years and upward were invited to participate in the dinner prepared and served in the large pavilion at 1 o'clock p. m., in which all participated who were able to be present. The rest of the afternoon was spent in a very pleasing manner by singing, recitations, speeches, con-versations, and a little dancing.

SAD BEREAVEMENT.

Visit of Apostle Young-An Inspiring Indian Boy Drowned - Occurrence Nearly Causes Serious Trouble. Prediction.

Prediction. Special Correspondence. Bluewater, N. M., Feb. 19.—On Feb. 15th our little town was much gratified with the presence of Apostle Brigham Young and wife, who stopped off on their way to Arizona, and made us a very cordial visit. While they were here, four meetings and Sabbath school were held, Apostle Young occupying much of the time, which was very much to the satisfaction of the Saints here. He encouraged the people to maintain this place, as it affords excellent op-portunities for people who are seeking portunities for people who are seeking new homes. He predicted that the time was not far distant when we would have a thriving settlement of Saints here, with every advantage of such an association. Elder John R. Young, of Fruitland,

New Mexico, was here on business dur-ing the fast day of our grand little con-ference, which added to our enjoyment. return for his boy who had been drowned. The agent told Waro that his boy was out at Salt Lake in school.

Mild Winter Apparently Detrimental to Health--Mutual Conference.

Special Correspondence. Fairview, Star Valley, Uinta Co., Wyo., Feb. 26.-This winter has been exceptionally fine, it almost reminds one of the winters in Salt Lake Valley. Cattle are doing nicely and everything bids fair for a fine season the coming year.

year. The health of the copie seems to be improving of late, although there has been upwards of twenty deaths in the past four months from mea-sles and other complications. The mild withter has, it seems, been the cause to a great extent, for hereto-fore death seldom occurs in our mildst. Our Stake extends as far north as the lower nortion of Sait River Valley, thus

YOUR FACES Shows the state of your feelings and the state of your health as well. Im-pure blood makes itself apparent in a pale and sailow complexion. Pimples and Skin Erupilons. If you are feeling weak and wora out and do not have a healthy appearance, you should try Acker's Blood Ellxir. It cures all blood diseases where cheap Sarsaparillas and so-called purifiers fall; knowing this, we sell every battle on a positive guar-antee. Z.C. M. I. Drug Dept.

cos-Work of Cliff Dwellers. Mancos, Colo., Feb. 24.—The trip from Bluff to Mancos is an interesting one. About twenty miles up the river Holy-oak is reached. Here the Methodist church has a mission and are establish-ing a school to educate the Navajo In-dian children, whose reservation is just over the river, and all along the south side of the San Juan river their shacks and farms can be seen. A large adobe building is being erected by the Meth-odist mission here. From here the road goes up the McElimo creek, which was formerly a dry wash but since the construction of the canal bringing water from the Dolores river into the Montezuma valley there has been quite a stream of seepage water from that valley. This has been utilized by the settiers, and now there are some ex-cellent ranches and fine orchards on the McElmo. If your child is cross or peevish, it is no doubt troubled with worms. WHITE'S CREAM VERMIFUGE will remove the worms, and its tonic effect restores its natural cheerfulness. Price, 25 cents, Z. C. M. I. Drug Dept.
