

A. B. Smith and J. F. Thomas Charged With Driving Sheep Upon Indian Lands.

ENTER PLEAS OF NOT GUILTY.

L. B. Anderson of Manti Accused of Sending Private Letter in a Franked Envelope.

When the recent federal grand jury turned in its report, only four of the 11 indictments found were given out us in the remaining cases the prisoners had not yet been arrested. Three of the latter seven were taken into custody last night, and today pleaded not guilty to the charges against them. 'Two were arrested for driving sheep on to Indian lands, and the third for mailing a private letter in a penalty envelope

B. Smith and J. F. Thomas were A. B. Smith and J. F. Thomas were taken into custody at Heber City by Marshal Heywood, charged with driv-ing sheep on to Indian lands without securing permission of the Indians. They pleaded not guilty and were placed under bonds of \$700, by Com-missioner Baldwin this morning. L. B. Anderson of Manti was taken into custody at the Wilson hotel last evening soon after arriving here. He

evening, soon after arriving here. He was indicted for sending a private lei-ter in a franked envelope, on which there was a penalty for private use. He pleaded not guilty this moraling and was placed under bonds.

JUDGMENT BY DEFAULT.

In the case of Michael Foley vs. the United States Mining company to quie title to the Fraction iode claim in the West Mountain district, a decree was entered by Judge Marshall today in favor of the defendant, the plaintiff having let the case go by default.

VERDICT FOR MRS. NAYLOR.

The petit jury last night brought in verdict in favor of Mrs. Emma Naylor against the Utah Consolidated Mining company for \$550. The decree was for inflicted by the smelter smoke on plaintiff's farm.

WIFE CHARGES CRUELTY.

Huldah Campbell filed suit for dl vorce in the district court this after-noon against John Campbell on the grounds of cruelty and non-support. They were married in this city on Sept. I, 1905, and it is alleged that defendant has failed to properly provide for plain-tiff ever since their marriage and that he has been guilty of using profane and vulgar language towards plaintiff and has thereby caused her much mental distress. Plaintiff asks for alt-mony in the sum of \$20 per month and for the custody of their minor child and the restoration of her maiden bame, Huidah Norman.

TAXPAYER OBJECTS TO ZIG ZAG SIDEWALKS.

Salt Leke City, Utah, Nov. 24, 1905. To the Editor: The present movement on the part DESERET EVENING NEWS: SATURDAY, NOVEMBER 25, 1905.

YOU'VE WAITED FOR ± member of the board of education for that district. Thomas H, Woodbury, Henry Quayle, Samuei Nowell, E. O. Best and John Bird were selected as a campaign committee. The school elec-tion will be held on Dec. 5. It is not likely that any other candidate will be nominated in that district.

Within three miles of the spot where a te was born Oct. 29, 1810, Uncle Isaac F. Perry, who lives at Slate Out, Clark ounty, Ind., 13 miles north of Jeffersonville, fately celebrated the ninetyfifth anniversary of his birth.

The vault has just been completed and a horror "Uncle Ike" has of being put beneath the ground caused him to have the sepulcher built. It is constructed of stone and cement and cost onsiderable money. It is his great delight to visit the pile of rock and mortar.

In his preparations for the hereafter "Uncle Ike" has not forgotten the fact that his body must be incased in a casket, and the lumber for this has been seasoning for 50 years at his home. In speaking of his burial recently, he

The coffn's to be air tight and more than 50 years ago I whipsawed some fine ash timber and put the boards up in the garret in my home. They have been seasoning ever since, to be made into an air tight coffin when I die,

"There will be a window and a fid showing me down to about here," he said, as he touched the bottom button on his vest. "The funeral service will be over there"—he pointed to a little brick church across the fields—"and I'll

"My daddy subscribed \$25 worth of whisky to help to pay for the brick. Same paid in money, some in whisky, and my daddy had more liquor than he had cash, and he paid his subscription in that way."

Ike" said he became nervous and told the young widow that if he had a wo-man to keep house for him he would buy a whole lot of things and fix the place up. He said he would also buy his wife a sewing machine. This was thrown out as a bait. The widow re-plied that she had a sewing machine. It was too much for "Uncle Ike." who wanted to do the proposing for himself. That was the last time he talked of marrying. In that way." The little church is almost as fa-mous as "Uncle Ike," and was for-merly known as the Silver Lick meet-inghouse. It was in the little struc-ture that the Indiana Baptists and the followers of Alexander Campbell split in 1820. The Baptists withdrew, they being outnumbered by the "Camp-bellites," and went to the "Shade." a large basin near the church. They held their meeting there and because the "Shade" was located near a sink-hole the Baptists became known as marrying. the "Sinkhole eclat." The two factions finally reached an agreement that both Mr. Perry served in the Civil war, belongs to a Jefferson Grand Army post and draws a pension.-Louisville should use the church, as the money of each faction had helped build it. Since then there has been a good feeling existing. Courier-Journal.

phal Book of Wisdom, and on the cele-brated passage in the thirteenth chap-A little book has just been published entitled "How to Write: A Handbook brated passage in the thirteenth chap-ter of the First Epistle to the Corin-thians ending: "And now abideth faith, hope, charity, these three; but the greatest of these is charity." In teaching his pupils how to tell a story, Prof. Baldwin quotes the narra-tive of the death of Absalom from the Second Book of Samuel and the ac-count of the bringing of Beheven to Baced on the English Bible." by Charles Sears Baldwin, A. M., Ph. D., assistant professor of rhetoric in Yale University. According to the author, his volume is the first practical appli. cation of the Idea that the English Bicount of the bringing of Rebecca to Isaac from the 24th chapter of Genesis; ble is a most valuable model of literary style. It attempts to teach from the Biand finally as illustrative of the dra-matic element in story telling, he cites ble as an example, first, how to prepare a speech; secondly, how to prepare an essay; thirdly, how to tell a story; and the tale of Mordecal and Haman from the Book of Esther, Finally, as an exfinally, how to describe, or the art of

ample of simplicity in description, is given the story of Ruth and Naomi from the Book of Ruth. descriptive writing. The models for the preparation of a speech are extracts from the Acts of the Apostles-notably the speech of On October 13, 1893, Charles A. Dana in the course of an address to the stu-St. Paul to the Athenians on Mars Hill. Reference is also made to the speech dents of Union College on the profession of journalism, used these words: The next point to be attended to is of St. Paul in the synagogue at Antioch. this: What books ought you to read? There are some books that are indispenand to the trial of St. Paul before Felix.

The chapter on the preparation of an essay is largely based on the condem- have their use, even the silly ones, and

an omnivorous reader, if he reade in-telligently, need never feel that his time is wasted even when he bestows if out the filmslest irash that is printed; but there are some books that are absolute-ily indispensable to the kind of educa-tion that we are contemplating; and to the profession that we are considering; and of all these the mont indispensable, the most useful, the one whose know. ledge is most effective, is the Bible. There is no book from which more val-uable lessons can be learned. T arm considering it now not as a re-lisions book but a manual of utility, of professional preparation and profes, somal use for a journalist. There is perhaps no book whose style is more suggestive and more instructive, from which you learn more directly that sub-ition such the greatest event with other recounts the greatest event with solemnity, of course, but without sen-timentality or affectation, none which you open with such reverence. There is no book like the Bible. When you get into a controversy and want exactly the right answer, when you are looking for The tomb is almost square in shape and not very tall. There is no door to it, but an opening has been left large enough to push the coffin into place, and after this is done the stone intend. and after this is done the stone intend-ed for the purpose will be placed in the opening and cemented tight. "Uncle Ike" likes to talk about his tomb and coffin and frequently visits the former to see if it is still safe. On the big slab all of the engraving has been cut, excepting the date of his death. He says his father lived to be 99, and there is no reason why he should not see the s no reason why he should not reach

the same age, or even more. Mr. Perry prides himself in saying he was never drunk in his life; that he never smoked or chewed or got married. Once he was inclined to wed and went with the girls until he was about 43. A peculiar remark set-tled the marrying business with him. A widow visited his home and spoke of what a nice place he had, remarking he ought to get married. He replied he did not want any old woman if he should, and he would pick out a good looking one. The widow went away, and several days later another woman into a controversy and want exactly the right answer, when you are looking for an expression, what is there that closes a dispute like a verse from the Bible? What is it that sets up the highest principle for you, which pleads for a policy, for a cause, so much as the right pas-sage of Holy Scripture?"

sage of Holy Scripture?" The publication of the little book which we have noticed from the pen of a professor engaged in educational work at one of the greatest universities in the land is a striking practical recog-nition today of the correctness of the and several days later another woman came. She was younger, prettler and more agreeable. She was also a widow, and "Uncle Ike" found out she was the daughter of his former caller. views thus expressed by Mr. Dana 1 years ago.

WHY THE SIGN FAILED.

They were sitting on a big porch talk-ing and the woman expressed her admi-ration for the place and said her host John W. Gates, at a secret society's banquet in New York, said: "I want to tell you about a young man who lives in a village in New ought to marry some woman who would take care of his home for him. "Uncle Ike" said he became nervous and told

Hampshire.

Hampshire. "This young man had exaggerated ideas of the benefits which membership in your society gave. He believed in fact, that such membership constituted a free pass to everything. "So he asked to be enrolled, and a joke was put up on him. The village wags ran him through a mock initia-tion, and at its end told him that now he had only to stroke the right side of he had only to stroke the right side of his nose, and anything he desired would He lives with a nephew, and nearly

be forthcoming. all of his large farm has been deeded to two or three of his relatives, who are to take possession when he dies. 'I'm going to Boston next week,'said

The new member. 'Can I get a free ticket by strokin' my nose, hoys?' "To be sure,' they told him, Just stroke the right side of our nose at the

depot, and the agent will give you a free ticket without question." "They let the agent in the joke, and

paid him for the young man's ticket. So, in due course, the ticket was forthcoming, and the trip to Boston was he gun. "But the ticket was only for one way

and when the returning youth rubbed his nose before the ticket seller in the Boston depot, the sign, of course, falled to work, and he had to pay his fare. He reached home indignant.

"Confound it all,' he said to the wags in the general store, 'what was the matter with that Boston feller, anyway? When I stroked my nose, he just laughed at me.'

"The jokers considered the matter in thoughtful slience. Then one said; "Which side of your nose did you stroke?

'The right, of course,' said the young man.

"His questioner uttered an exclama-tion of disgust. "You fool,' he exclaimed, why didn't you show some common sense? Return-ing, you ought to have stroked the left side."

OPPORTUNITIES OVERLOOKED.

"I wonder," said the chimpanzee why some human beings are ashaned to recognize monkeys as our common

ancestors." "It's our ancestors' fault," answered the the ourang-outang. "Our ancestors didn't have the foresight to pillage cittes or acquire real estate when it cheap."-Washington Star

WEATHER REPORT

Local forecast for Salt Lake City and cleinity: Pair tonight and Sunday, R. J. HYATT, Local Forecaster,

of the city administration of putting in cement sidewalks all over the city is indeed very commendable, but there is a feature connected therewith that is subject to some criticism, and that is the zig-zag manner in which they are put down. Why it should be necessaput down. Why it should be necessary to do so, in a city with such wide sidewalks as we have here, is hard to understand. It is certainly an eye-sore to most anyone with ordinary eye-sight in walking on a number of the streets to find scarcely two blocks of sidewalk in line, one in a foot or two and the next one out, and so on, and sags where such are apparently uncalled for.

called for. If there possibly are discrepancies in the old surveys of some of the blocks. It surely is not enough, but what, with our wide sidewalks, the cemented part might be put in line, and hence I think the attention of the proper authorities whend he drown sharped and have the should be drawn thereto and have the engineers in charge of the lines for such work instructed to have it conform to this idea wherever possible. A TAXPAYER.

SCHETTLER SALES.

Trustee Blakely Gives List of Property Disposed of to Date.

Trustee Gould B. Blakely of the Schettler bank is still far from a final settlement of its affairs, while the depositors have to date realized about 8 per cent of their money, in the shape of a dividend declared early in Septem-

In order to let all interested see how In order to let an interest we how their affairs stand, the trustee has issu-ed a statement giving the condition of the assets today. It shows that the most valuable property still to be sold is the real estate known as the "Scheither corner," on South Temple and C street, which it is thought will finally bring over \$30,000, and probably allow the final settlement to approximate a per cent

According to the law, a claim must has been declared bankrupt, and in this case the year is about three-fourths gone. There are, however, about \$17,000. in claims still unpresented, and they represent a large number of small deposits.

When the dividend was declared a When the dividend was declared a number of claimants had failed to file their claims, and did not participate in it. Their claims will not be jeop-ardized, however, as any claim pre-sented within the time allowed will be settled on a pro rata basis. A mis-understanding on this point has been general among creditors. The list of property sold to date is given out by Trustee Blakely as fol-lows:
