

LITTLE NEWS OF SVEABORG MUTINY

St. Petersburg Anxiously Waiting
To Hear Outcome of Yesterday's Battle.

SPREAD OF REVOLT IS FEARED.

Finland Revolutionaries Have Issued
Appeal to Troops to Support
The People.

St. Petersburg, Aug. 1.—St. Petersburg is anxiously awaiting news of the outcome of yesterday's battle between the mutineers and the government forces at Sveaborg. No definite information has been received here, owing to the damage done to the land telegraph wires. The advice received by the government by wireless telegraphy have not been divulged.

The most importance is attached to the conduct of the fleet. According to semi-official intimations, the crews of these vessels are still under the control of their officers, but private advice says that a portion of the crews have been confined below decks for fear of mutiny.

There was a rumor in circulation here tonight that four of the ships of the Baltic squadron were in complete mutiny and roaming at large in the Gulf of Finland, and that the commandant at Cronstadt had been notified to be prepared for an attack by the vessels.

It is worthy of note that a dispatch to an official agency from Helsinki, Finland, announcing the arrival of the fleet at Sveaborg and the fact that it opened fire does not mention what it viewed a fire against.

Vice-Admiral Birleff presumably has gone to Helsinki to assume personal command of the fleet, it is now develops that Grand Duke Alexander Michailovich, the emperor's brother, is not with the fleet, as previously reported, but at Gatchina with the empress dowager.

The utmost intense anxiety still prevails with regard to a possible uprising at Cronstadt and the general spread of the revolt through the entire naval establishment. A personal visit by a correspondent of the Associated Press to Cronstadt shows that the authorities there received timely warning of the events at Sveaborg and nipped a possible revolt in the bud.

They had the situation well in hand Tuesday night, and quickly placed detachments of infantry at the doors of the marine barracks and removed the carbines from the racks in the building.

Yesterday morning the 1500 sailors composing the seven regiments, quartered at Cronstadt, whose loyalty had been distrusted, found themselves prisoners. The correspondent saw them looking out of the windows of their barracks and unable to communicate with the outside. The streets of Cronstadt are swarming with troops of the loyal guard regiments and the newly arrived men of the Twenty-fourth division, who serve to overawe the disaffected elements.

The commandant at Cronstadt ordered the confiscation of papers from St. Petersburg in order to prevent the news of the break at Sveaborg from reaching the islanders. This measure was fairly successful.

A group of agitators who went over to Cronstadt in the same boat with the correspondent of the Associated Press attempted to hold meetings and communicate news of the Sveaborg happenings. They were dispersed, and fled before the leveled rifles of the soldiers.

The officers of the navy department at Cronstadt are besieged by the wives and relatives of officers on board the ships at Helsinki. The streets are crowded with the reports that the crews had arisen and killed their superiors.

As the correspondent was crossing from Cronstadt to Oranienbaum he saw the imperial yacht Polar sailing with steam up at the pier below the imperial residence of Peterhof.

REVOLUTIONARY APPEAL.
Helsingfors, Aug. 2, 1:30 a. m.—Except in the vicinity of the fort, the town presents practically a normal aspect. During the evening large crowds assembled on the quays listening to the cannonade and watching the dense columns of smoke rising from the islands. All traffic in the harbor has been prohibited.

After midnight the governor issued an order closing all public houses. Regular traffic has been resumed with St. Petersburg, the railroad bridge between Riihimaki and Ryttyla, which was blown up by members of the "Red Guard," having been repaired. Prior to the blowing up of this bridge members of the "Red Guard" seized the Fredericksburg station and stopped the St. Petersburg mail train.

The white flag has been hoisted on one of the islands, but it is premature to say whether the revolutionaries there have surrendered or not. In any event, however, the fire from the battleship Alava and another warship undoubtedly had its effect.

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of
Eczema—Instantaneous Relief
By Cuticura—Little Boy's Hands
and Arms Also Were a Mass
of Torturing Sores—Grateful
Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STAND-BY"

"In reply to your letter I write you my experience, and you are privileged to use as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

Complete External and Internal Treatment for Every Case of Eczema, Psoriasis, Itch, Scabies, Ringworm, and all other Skin Diseases. Cuticura Soap, Cuticura Ointment, and Cuticura Pills. Sold everywhere. Write for Free Booklet.

issued an appeal to the troops to support the people in a fight for land and liberty.

The Sveaborg mutiny first broke out Monday in a sapper battalion which had been sent to Cronstadt to reinforce the garrison.

The sapper battalion was fired upon by the men and wounded. He was then sent to death and thrown into the sea. A midshipman named Delvorn, attached to one of the torpedo boat destroyers, went out and hauled down the red flag from Skatudden fortress while the mutineers were firing on him. He received four bullets in the breast and died in a hospital during the night.

FOURTEEN THOUSAND FEET.

Argentine Central of Colorado Reaches
That Height.

Denver, Aug. 1.—The Argentine Central railroad from Silver Plume on the Colorado & Southern railroad to the summit of Mount McClellan on Gray's Peak, was opened for traffic today.

This road reaches a point 14,000 feet above sea level, and is the highest traction road in the world, with the exception of the Peruvian Central in the Andes. The view from Mount McClellan is said to be the best that can be secured from the mountains on the eastern slope of the Rockies.

A gold spike was driven at the terminus of the new line by A. D. Parker, vice president of the Colorado & Southern railway.

The new road was built by Edward J. Wolcott, a mine owner.

CRIMINAL CONSPIRACY.

San Francisco Grand Jury Trying to
Fix Charge on Insurance Brokers.

San Francisco, Aug. 1.—To support the charge of criminal conspiracy which the grand jury is trying to fix on insurance brokers who have compelled policyholders to accept less than was due them on their losses in the great conflagration, a subpoena was called for this morning, directing Prof. A. W. Whitney, insurance expert of the University of California, to produce evidence of settlements made.

Prof. Whitney is in charge of the insurance bureau of the Merchants' exchange, and it is believed that he has the history of every settlement made subsequent to the fire.

INSANITY PLEA DOES NOT GO

All Papers Will Be Turned Over to
Lawyer Hartridge, Who Will
Have Assistance.

New York, Aug. 1.—Yielding to the persuasion of her son, Harry Thaw, Mrs. William Thaw today dispensed with the services of the firm of Black, Olcott, Gruber & Bonyng, whom she had retained to conduct the defense of the young man on the charge of murdering Stanford White. Following a family council held last night at the residence of her daughter, Mrs. Carnegie, at Roslyn, L. I., and at which Mrs. Thaw was present, Mrs. Thaw this afternoon sent the following letter to her counsel:

"Aug. 1, 1906. Messrs. Black, Olcott, Gruber & Bonyng: 'Gentlemen: After fully considering the question, I have decided that my son's position is the right one. Will you, therefore, kindly deliver to Messrs. Hartridge & Peabody, No. 149 Broadway, all documents, letters, notes, memorandum, data and all papers you have for me, and a full statement of your account.'"

"Thanking you for your courteous attention to my wishes during the past two weeks, I remain, very truly yours, 'M. C. THAW.'"

Former Gov. Black's firm was engaged by Harry Thaw to take charge of his defense a few days after the tragedy. A disagreement occurred between the prisoner and Mr. Olcott on the question of the line of defense to be adopted. Mr. Olcott insisting on the plea of insanity, to which Thaw opposed. A day or two before his mother's arrival from Europe Thaw dismissed his counsel and placed his affairs in the hands of his personal attorney, Clifford W. Hartridge. Mrs. Thaw's first act on landing was to reengage Black, Olcott, Gruber & Bonyng. Since then Mrs. Thaw has been unremitting in her efforts to persuade her son to acquiesce in her views and permit her to dictate his defense. In this she failed. This is taken to mean that his plea of "not guilty" will stand.

It is understood that Mrs. Thaw's defense going to show justification under the "unwritten law" will be relied upon to secure acquittal.

Mr. Olcott declined to make any comment on Mrs. Thaw's action. It is understood that Mr. Hartridge does not intend to conduct the case single-handed. He has been in daily consultation for a few weeks with several prominent criminal lawyers. A number of these lawyers have already been retained to assist in the defense and are now at work on different cases of the case. One of the most noted lawyers in the United States will conduct the trial in court.

HARTJE DIVORCE CASE DEVELOPS SENSATIONS.

Pittsburg, Pa., Aug. 1.—Probably the most sensational incidents and testimony in the Hartje divorce case in the five weeks it has been running were brought out today, when Alma Ross, the mysterious blonde who kept a rooming house, swore that Augustus Hartje and Josephine Wright frequently met in the room at the Ross woman's house; that the Wright woman brought him there and introduced him, and said that the house at which he was living was the best that she could find to the Hartje warehouse. The Ross woman said Hartje paid Josephine Wright's room rent thereafter.

Hartje several days ago swore that he did not know Josephine Wright and never visited her. The Wright woman swore that she did not know Hartje. This was what Hartje's attorneys were introducing evidence in rebuttal. The issue as to the disputed love letters in the Hartje divorce case was decided today when Tom Madine, the coachman who is named as the co-spondent in the case, swore that the letters which the private detectives said were taken from his trunk never were in that receptacle.

Mrs. Hartje swore she wrote only two letters to Susie Wagner, and denied telling Blanche Ashby what testimony she would give.

Detectives H. G. Staubb and John A. Anderson, who testified that they took the famous "love letters" from Tom Madine's trunk, were arrested at the court house on informations sworn out by Madine by Alderman F. M. King, charging them with entering a building with intent to commit a felony and never visited her. The Wright woman swore that she did not know Hartje. This was what Hartje's attorneys were introducing evidence in rebuttal.

STATEMENT OF PUBLIC DEBT FOR AUGUST.

Washington, Aug. 1.—The monthly statement of the public debt issued today shows that at the close of business July 31, 1906, the debt, less cash in the treasury, amounted to \$975,556,801, which is an increase for the month of \$3,421,114. This increase is largely accounted for by the decrease in the amount of cash on hand. The recent issue of Panama bonds does not appear in the July statement. The debt is recapitulated as follows:

Interest-bearing debt, \$950,356,000; debt on which interest has ceased since maturity, \$1,126,585; debt bearing no interest, \$297,525,067; total, \$1,298,820,742. This amount, however, does not include \$1,648,852,869 in certificates and treasury notes outstanding, which are offset by an equal amount of cash on hand which is held for their redemption.

The cash in the treasury is classified as follows: Gold reserve, \$150,000,000; trust funds, \$1,048,852,869; general fund, \$185,231,754; in national bank depositories, \$24,450,156; in Philippine treasury, \$5,177,582; total, \$1,473,765,221.

Against this there are demand liabilities outstanding amounting to \$1,152,799,249, which leaves a cash balance on hand of \$320,965,974.

COINAGE FOR JULY.

Washington, Aug. 1.—The monthly statement of the director of the mint shows that during July the coinage executed at the mints of the United States amounted to \$6,303,164, as follows: Gold, \$6,173,000; silver, \$128,164. These amounts, however, do not include 20,000 pieces minted for the Philippine government.

AUGUST RECEIPTS AND EXPENDITURES.

Washington, Aug. 1.—The monthly comparative statement of the government receipts and expenditures, issued today, shows that for the month of July, 1906, the total receipts were \$32,529,552, and the expenditures \$35,813,721, leaving a deficit for the month of \$3,284,169, as against a deficit on Aug. 1, 1905, of \$38,535,653. One year ago, however, the government had a surplus note of the Central Pacific Railroad company, amounting to \$2,720,000, was paid on the last day of July, so that it was taken into the July account. The note of the company, amounting to \$2,720,000, due Aug. 1, 1905, was not paid until today, and, therefore, will be stated in the August account. The exact deficit this month, therefore, is \$3,104,424 less than for July, 1905. The receipts from the several sources of revenue are given for the year as follows:

Customs, \$26,176,744; increase, \$4,500,000. Internal revenue, \$22,102,238, increase, \$1,014,000. Miscellaneous, \$4,019,589; decrease, \$2,575,000.

The expenditures for the month were \$2,885,000 in excess of those for July, 1906, which is largely due to work on the Panama canal.

KILLED THE BRIDEGROOM.

Charlotte, N. C., Aug. 1.—At Beesamer, City, W. M. Brown, bridegroom of an hour, was shot and killed by John M. Kincaid as Brown was about to take the train with his bride.

It is said Brown was under obligations to marry Kincaid's sister, but instead married Miss Nettie Perry. Kincaid gave himself up.
