"All right, then," said the chief "Now don't drink; keep a full head of steam; bring back the specie safe, "Wa'ai?" drawled the engine-driver, coolly.

"I will provide for your family if you are hurt or shot; if not, I will reward you." "We've no head-light!" exclaim-

"Is that all, then? Well, good-night, boss, and thank ye." "Good-luck," was the answer; want to advertise ourselves to-night. There's a flash of some-"I'm not forget you." Seth Martin turned away with a nod of acknowledgment, and di- The remark was not uncalled for. nod of acknowledgment, and di-rected his steps to the shed where his engine was "standing pilot." This means that the engine had steam up (or was "in steam," to speak technically) and was ready for any sudden emergency. The driver was just as well plased to man sconple of hundred miles on a dark night, even with the chance of being shot, as to have an invita-tion to the "White House" itself. "Tom! " "Hallo!" came back in an unmis-takable English voice. "Fire up a bit; we're bound west; specie pilot; ten o'clock. Keep it specie pilot; ten o'clock. Keep it roundings. Fitch-dark over head quiet."

A man unseen by the driver put up his head to listen. Beth was a man of action, and so was his mate, Tom Atkins. They looked to the engine and their re-volvers, put a dozen cartridges in a tin can, filled a similar can with some old Bourbon whiskey at a ratioon close by, whither they were

and their preparations.

After communicating with some accomplice, this invatorious indi-withal left the solution and made his way towards the signal-box, which stood some distance down the line.
