## CONGRESSIONAL HOUSE.

The Speaker presented a communication from Governor North, of Carolina, transmitting the ratification of the 14th amendment, also the credentials of five members elect from that State; referred to the committee on elections.

Stevens, as a matter of privilege, presented a resolution proposing the appointment of a committee to report new articles of impeachment. The 1st article charges the President with the abuse of government patronage; the 2d with the usurpation of power in establishing provisional governments; the 3rd with attempting to bribe the senators of Colorado, with pardoning deserters, with appointing persons to office who could not take the test oath, with restoring forfeited property and with selling, or allowing pardons to be sold. Stevens also submitted a long printed speech in support of his resolution, which he asked to have printed in the *Globe*. Finally on Stevens' motion the matter was postponed until Monday two weeks.

Williams, of Pa., said he desired, as a matter of privilege, to submit additional articles of impeachment, which he had prepared some time ago. He should desire to support them by argument, but would not occupy the time of the House now, if allowed to print them in the *Globe*, which proposition was allowed.

New York.—The Convention was called to order at 10.40; prayer was offered by Dr. Plummer, in the course of which he referred with feeling to the sudden death of Peter Cagger, a delegate to the Convention.

Bigler offered a resolution that the convention now proceed to nominate a candidate for the Presidency, which was carried amid some confusion. Seymour then explained the two-thirds rule, being anxious that no misapprehension should arise after the ballot was taken. He invited discussion by the convention, whether two-thirds of the whole convention or two-thirds of the delegates voting, should determine the ballot. Richardson moved that two-thirds of the delegates voting should determine the ballot. He denounced the two-thirds rule as mischievous, but finally, after some discussion, he withdrew his motion; the chair ruled that two-thirds of all the delegates be necessary for nomination. The convention then proceeded to receive nominations, which were as follows: Conn. Governor English; Maine, Gen. Hancock; New Jersey, Governor Parker; New York, Sanford E. Church; Ohio, Geo. H. Pendleton; Penn., Wm. F. Packer; Tenn., A. Johnson; Wis., Jas. R. Doolittle. Each nomination was accompanied by a brief speech and was received with applause. A delegate inquired whether nominations could be made after balloting commenced, and was answered in the affirmative.

The 1st ballot the total vote was 317, necessary to a choice 212. Pendleton 105, Johnson 64, Church 34, English 16, Doolittle 14, Hancock 33, Parker 13, Packer 26; the balance was scattering. Several other ballots were then taken. The 6th ballot stood English 6; Hancock 47, Pendleton 122, Parker 13, Church 33, Packer 27, Johnson 21, Doolittle 12, Hendricks 30, Blair 8.

A communication was received from the soldiers' and sailors' convention announcing the adoption of a resolution approving and endorsing the platform of the Democratic convention. A motion for recess was rejected and a motion to adjourn till 10 to-morrow was carried.

New York.—Peter Cagger and John E. Devlin were riding in Central Park last night, when their horses ran off and threw both gentlemen out. Cagger was found about midnight dead, with his neck broken. Devlin was unconscious and still lies in a critical condition.

## GENERAL.

New York, 4.—The National Democratic Convention assembled in Tammany Hall, which was handsomely decorated for the occasion with large American flags, &c., and elaborately painted escutcheons of all the States. The accommodation for the delegates was ample, and there was excellent arrangements for the press. The hall and galleries were densely crowded. At twenty minutes past twelve August Belmont called the Convention to order, and spoke at some length denouncing the policy and character of the dominant party. He concluded by nominat-
