War-time Woe and Fun.

Great Generals of Both Sides Relate the Saudest and Fun-niest Incidents of the War, Appropriato Reading for Decoration Day.

Generally and all receives the consequence of the late of the late of receives and of the late of receives when the consequence of the late of southern and content ermises whom have meet, to jot flower the me in his own words which is consequent the formation of the late of the lat

stees of the distinguished gentierment on telling throw.

Georgice Williamston Christines.

Been Jene and Gyling the white in the same town had been harn out herein the same town had enlared at the same town had enlared at the same town had enlared at the same town had receive been separated for a movement done high gird at the same town had receive been separated for a movement done high gird at the same town had receive been separated for a movement done high gird as movement done high gird at the same town had girdly have had dones he life for the other. He was to go the same and the same server had a superior threat in the feel same, and the other backing had been being with the chresh backing had be index and middle same and the true of host man to be to the gravely of the expression department that they both had but a few minutes to live.

Teen, as was his coase—he tool them had it as physician of the true state of his case—he tool them had not a physician of the gravely of the expression department of the research of the gravely of the expression department of the gravely of the expression of the property of the gravely of the g

AM regal, "said one candity, our intrite," we will die tagethere, as I always hoped we world."

We will die tagethere, as I always hoped we world.

The control of the control of the candidate of the candidate of the form of the companion reached out the fart hand.

The dying man grauped the extended hand, but finding it whole and outsidered he cand in from him saying. "No, no! Not that hand! I sent the one partly drift away on the bankfadaid."

His countral was the distribution of the control of the control of the control of the mission fingers.

Thus is the hand it want," he exclaimed, and, existing it to five line, his spirit passed, with nothing the form, and control of the control of

needs can ever whip the great southerts, confederary.

When Gen. Shormon New.

One of the most magnificant questions of mathoud 1 ever new was a soldier who was consistenty laughting of abelian mather long matches, or who unit under seemingly trilling woulded. His courage, beauth and strength, sometimely trilling woulded, however, the courage, beauth and strength, sometimely trilling woulded. His courage, beauth and strength, sometimely trilling woulded. He courage, beauth under strength of the courage, beauth under strength of the courage, beauth and strength counter the courage of t singuing at highly the sear shappy singuistic contents of the two friends were remarked in the two friends were friends in the friends i
