turbulent, excited condition,

turbulent, excited condition, which is the cause of pain. "We used Dr. Miles' Anti-Pain Pills in our family for five years, and I would not like to do without them. Before I found this remedy I would have spells of sick headacho so severe that I would be prostrated for as many as 44 hours at a time. The Anti-Pain Fills stop the pain in a few minutes. I have a great deal of neuralgia around the heart, and the Pain Pills also relieve that. I now take them when I think I will have an attack, and they stop It right then. I also notice that I do not have these spells nearly so frequently as formerly."

SALT LAKE HIGH.

The Salt Lake High School has for the past eight or ten years annually defeated he Ogdenites. This year they are determined will be no exception to the foregoing contests. The Salt Lakers have going contests. The Bart Lader's have been practising hard for this contest and shoe the game with All Hallows last Fri-day they have perfected many new plays. They are now working somewhat similar to "Father" Callahaa's machine. Eight men of this year's team had never been on a team or handled a ball until they were pulled to the field last September. Since then they have been trained and coached by Dr. Murphy and D. A. Calla-tan until they go into a fray like old veterars. Among the new men who are counted on for a great deal are Home, Arnold, Hammond, Grant, Coates, Shores. Harris and Richardson. These men have been working hard all season and will play the game of their lives against their old rivals. The old men "Red" Morris at center is a tower of strongth, and can be relied upon to take care of the ball. Paul, at half. Is one of the best players on the team and will be greatly missed in this contest as he is out with a brokeri arm. which he received in the All Hal-lows game. Captain Jimmy Dunn is last but not least in the Playing register of the High School. He leads his team to practising hard for this contest and but not least in the playing register the High School. He leads his team

ASCOT MAKES MOVE.

Injunction Issued for Jockey Officials To Prevent City Stopping Betting.

To Prevent City Stopping Betting. Los Angeles, Nov. 22.—Officials of the Los Angeles Jockey club were claied to day over the service of injunction papers on Sec. of State Curry at Sacra-mento, restraining that official from cer-tifying to the returns to the recent an-nexation election in this county, by which Ascot park was included within the city limits and rendered amenable to the city ordinances prohibiting betting at the race tracks. The jockey club officials are con-fident now that the city will not be able to interfere, at least before the end of the present racing season. The tempor-ary injunction against the secretary of state is made returnable in this city Nov. 30, which is two days after the opening free from any probable friction by the police. It is said that the race track of-heids are fostering another scheme to be used in case their present plans fails, which includes the establishment of a large policom outside of the city limits and the inauguration of an extensive tele-phone service to the place, connecting with the track, which would enable bets to be laid at that point.

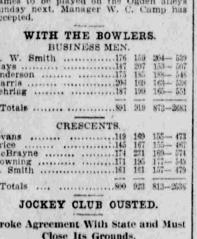

CARLISLE DEFEATED.

Indians Could Not Withstand Rushes Of Strong Vanderbilt Eleven.

MRS. ROSA A. CURMER. Kalamazoo, Mich. Of Strong Vanderbilt Eleven. Nashville, Tenn., Nov. 22-In a fleree gridiron battle on Dudley field today Vanderbilt defeated the Carilsle Indians, 4 to 0. Just at the close of the first half Bob Blake for Vanderbilt kicked a goal from the seventeenth-yard line, and that was the only scoring of an intensely ex-citing game. Four times Mount Pleasant, for the Indians, failed to drop a goal from the field. Early in the game the Indians, by whiriwind rushes, carried the hall to Vanderbilt's three-yard line, but there the locals withstood three charges. After this the play was largely in Car-lisle's territory. Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money, 25 doses, 25 cents. Never sold in bulk. ed of the Bolse directors, and H. O. Sheppard, Lindsey Rogers, and A. C. Ellis of the Sait Lake association. It was finally agreed that the forfeit money should be payed back to the respective clubs, and the different orders on each other were then paid. This could have been done two years ago had the directors and managers of the clubs got together as their president wished them to. The best of spirit prevailed and the national game will not be hampered in any way. This closes another chupter in the fullures of baseball in the intermountain district.
