SALT LAKE GETS THE THIRD GAME.

McCloskey's Upstarts Given a Thorough Trouncing by Home Crowd

WEED MADE HOME RUN IN THIRD

Jimmy Wiggs Was Guyed by Boise but Held Babes Down to Four Hits And and Won His Game.

It was certainly our day to shout yesterday. The third ball game of the series occurred down at Walker's hay field, and the local crowd managed to separate it from McCloskey's upstarts in a manner that brought great joy to the hearts of the several persons on hand. The result was brought about by various actions on the part of the Gimlinites. Elongated J. Wiggs did much toward wrecking the game from the Babies, and the manner in which our side committed assault and battery—on the horseside, and committed theft with the bases, also helped out some. John, he of the honest proclivities, was forced to drink the bitter dregs of defeat. Eight to two is what the boy chalked up on the score board when the argument was called off in the ninth. Wouldn't that tickle you?

When Wiggs started off, the Infants, including The Honest One, gave him the equine chuckle, and intimated that Jimmy should be given a pass to the tall and uncut. But Jimmy refused to be rattled or afraid. It was well known that he had a sore arm and was not in shape, but allee samee the mighty club wielders from Idaho got only four hits. Wiggs seemed to be happy all the time, and showed his teeth in a continuous two-by-four grin, causing a few to wonder whether or not he were advertising some particular brand of tooth soap.

It is true that Jimmy did not have the best of control, but he managed to keep the Babies guessing; gave them only four hits, and won his game. So what's the odds? In the second, he walked three, which was followed by Weaver's hit and an error. This netted the McCloskeyites their only runs.

A feature of the doings was the home run made by Weed. If he is not the best ticker on th eteam—well, we are from Joplin. Weed's stunt was not an accident. Not one of those fluke affairs. It was a sure-enough-on-the-square smash to left garden, and the spheroid kept a-goin' until it landed up against Mr. Heath's fence. Weed got a ten spot extra for the run.

The local bunch surely had a streak. Not a yellow streak, but a hitting streak, and the things they did to Mr. Thompson, he of National league fame, was scandalous. Eleven safe ones they collected from his delivery.

Tozer played in middel garden for Salt Lake.

Ogden Not Lost.

The Ogden State Journal says: The Salt Lake baseball team has so far only accumulated two goose eggs in the Pacific National league games. But, then, only two games have been played.

It also says: It took two Ogden men to get Salt Lake's only runs in the first league game of the season. This town may be out of the ring, but she declines to be lost.

MR. AURELIO HERRERA.

Sporting Writer of Butte News Taken in For About $250.

Aurelio Herrera will lose all the friends he has made in Butte unless he comes here to fight Louie Long. The Mexican wrote and wired the writer as his western representative, to go ahead and match him with Long for the middle of May. This I did. The articles were signed and the forfeits posted—$500 for the club that the contest would be pulled off here, $250 for Long's appearance and $250 for Herrera's appearance. The writer posted his own money for Herrera and the forfeits are all in the hands of Mr. Wilson of the Butte hotel. After everything was settled Herrera's eastern manager writes that they have another scrap on for the middle of May and that Herrera can't come. Unless Herrera cuts loose from his manager back there and listens to the advice of his friends here it looks very much like his forfeit, posted my me, will go by the boards. Strange way for a fighter to act, to say the least!

The above is clipped from the Butte Evening News, and was written by Sporting Editor "Tosh," who is evidently a good fellow. In fact, he has been too good in trusting the Mexican, and if ever he sees any part of that $250—it is hoped that he will—he will, indeed, be lucky. A fighter who will go about the country pulling off fake fights with fake fighters, is not the man to be trusted, and the sooner the Butte fight fans "cut out" this Mexican, the bettter.

POLICE INTERFERED.

Philadelphia Jack O'Brien Gave Kid Carter an Unmerciful Drubbing.

St. Louis, Mo., April 28.—The police stopped the fight between Jack O'Brien of Philadelphia and Kid Carter of Brooklyn in the third round of a scheduled fifteen-round bout here. Carter was completely outclassed, being practically a beaten man at the end of the first round. He was sent to the canvass three times in the second, going to his corner very groggy. In the third round he was put down and almost out by a right to the jaw. He attempted to rise at the count of eight, but the police ordered the bout stopped.

BRITT IN THE EAST.

Says That by Whipping Corbett He Won The Featherweight Title.

Chicago, April 28.—"Jimmy" Britt, the conqueror of Young Corbett and prospective monologue artist, when in Chicago on his way to New York to make his debut in vaudeville, asserted that his victory over Young Corbett carries with it the featherweight championship.

He said: "I not only claim the featherweight title, but I am prepared to defend it at te same figure that Corbett and McGovern fought at—127 pounds at 4 o'clock. To prove my good faith and to show that I am not afraid to try to make it good. I will take on Corbett at the figure named. In fact, I have already determined to give him the first chance, if he is willing to sign articles."

Britt's right arm, broken in his recent fight is still in a plaster cast. The bandages wil have to remain on the injured member for at least three weeks, and it is practically certain that "Jimmy" will not be seen in the ring again for at least five months.

The report from San Francisco that Graney has not yet received his money from Jimmy for refereeing the fight is denied by Britt.

KELLEY ISSUES DEFI.

Will Back Jerry McCarthy for a Contest With Perry Queenan.

There seems to be considerable talk about Jerry McCarthy not being able to get backing for another contest. McCarthy has never appeared in the ring that he did not fight. He has money to back himself to the extent of $500, and I wish to state through the sporting columns of your paper that I will post $250 as a forfeit and offer it as a side bet to any person wishing to take it, that McCarthy can beat Perry Queenan in a twenty-round contest to a decision. He will make 145 pounds at 3 o'clock p. m. If in public, winner take all. Any date that suits Queenan suits me. Yours very respectfully,

S. J. KELLEY.

FITZ AND M'COY.

Efforts Being Made to Bring Them Together at 'Frisco.

Jimmy Coffroth, the manager of the Yosemite Athletic club, is desirous of getting Fitzsimmons and McCoy to sign articles for a twenty-round bout on Decoration day at San Francisco. Cokroth believes that a bout of this kind would draw a great deal of money and has so advised Fitz. In his letter to the red-topped Australian he says:

"Don't believe the reports that I said you were too old to fight and that after your exhibition against Gardner I would never give you a match again. There is nothing to that kind of a statement, and it must have originated in the fertile brain of some sporting writer. I think, as I always have thought, that you are the greatest card obtainable in San Francisco; that your past fights have always given the best of satisfaction, and that your future ones will always attract good gatherings.

"I have also been after Corbett to give you a match, but the chances are very slim, as Jim is going into business in St. Louis and will have no time to give attention to the fighting game. Let me know whether you approve of my actions in going against McCoy."

Don't Want to Train.

New Haven, Conn., April 28.—The Yale association has decided that no team representing Yale shall be sent to the St. Louis exposition to take part in the games. Some athletes in Yale may compete in the games but not as Yale representatives.

Chess Championship.

Cambridge Springs, Pa., April 28.—At the conclusion of the third round of the International Chess Masters' tournament tonight Janoski, the Parisian expert, and the Leipsic player, Mieses, were tied for first place, Lasker and Marshall for third. Today's results:

Barry was defeated by Marshall in a Ruy Lopez, twenty-seven moves; Mieses beat Fox in a Sicilian defense, twenty-eight moves; Lasker defeated Napier in a Sicilian defense, thirty-five moves; Lawrence lost to Marco in a double Ruy Lopez in thirty-eight moves; Schlechter and Delmar drew; Teichman lost to Janowski in a Ruy Lopez, forty-eight moves, and Hodges and Showalter drew in a Ruy Lopez, forty-two moves. The game between Pillsbury and Tschigorin, a queen's gambit declined, was also drawn after seventy-seven moves.

My Breath.

Shortness of Breath Is One of the Commonest Signs of Heart Disease.

Notwithstanding what many physicians say, heart disease can be cured.

Dr. Miles' New Heart Cure has permanently restored to health many thousands who had found no relief in the medicines (allopathic or homoeopathic) of regular practicing physicians.

It has proved itself unique in the history of medicine, by being so uniformly successful in curing those diseases.

Nearly always, one of the first signs of trouble is shortness of breath. Whether it comes as a result of walking or running up stairs, or of other exercises, if the heart is unable to meet this extra demand upon its pumping powers—there is something wrong with it.

The very best thing you can do, is to take Dr. Miles' New Heart Cure. It will go to the foundation of the trouble, and make a permanent cure by strengthening and renewing the nerves.

"I know that Dr. Miles' New Heart Cure is a great remedy. For a number of years I suffered from shortness of breath, smothering spells, and pains in my left side. For months at a time I would be unable to lie on my left side, and if I lay flat on my back would nearly smother. A friend advised using Dr. Miles' New Heart Cure, which I did with good results. I began to improve at once, and after taking several bottles of the Heart Cure the pains in my side and other symptoms vanished. I am now entirely well. All those dreadful smothering spells are a thing of the past."—F. P. DRAKE, Middletown, O.

AN ENJOYABLE EVENING.

Mutual Improvement Workers Meet at Home of George A. Smith.

The home of Apostle and Mrs. George A. Smith on West Temple street was the scene of a merry gathering Thursday night, when the M. I. aids of the old Salt Lake Stake of Zion, and their escorts came together in response to an invitation to answer to roll call and be sociable Nearly 100 persons were present and the evening was spent in answering questions pertaining to theBook of Mormon characters—a most pleasant and interesting pastime—in awarding prizes to the winners and in levying and collecting fines, imposed upon those who failed to put in an appearance on time.

The first prize for answering the most questions correctly went to Philip S. Maycock and partner, while Elmer Caldwell was awarded the booby prize, a handsome jumping-Jack. Delicious refreshments were served, after which informal talks were made by Philip S. Maycock, Alex Buchanan, Jr., George Q. Morris, Ed L. Parker, Daniel J. Lang, Henry T. McEwan, Mat Thomas and Apostle Smith, all of whom referred in happy terms to associations in the past and expressed the hope that the old organization, though dissolved, would be perpetuated in annual gatherings of those constituting the stake board.

For punctuality the fund collected during the evening was awarded the Salt Lake stake, Elder Smith taking occasion to suggest that perhaps the lesson would be one remembered for all time to come by those who were so unfortunate as to arrive late. This unique feature of the evening was much enjoyed and served as a valuable hint to all present. The motto, "7:29" for Mutual Improvement work, was adopted, and after general handshaking the gathering dispersed with expressions of thanks and appreciation to the host and hostess.

To Prove what the Great Kidney Remedy, Swamp-root, Will Do For YOU, Every Reader of the "Deseret News" May Have a Sample Bottle Sent Absolutely Free by Mail.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

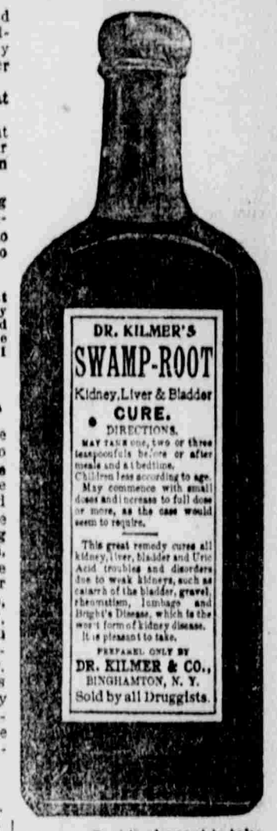
The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected, and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

I cheerfully recommend and endorse the Great Remedy, Dr. Kilmer's Swamp-Root, for kidney trouble and bad liver. I have used it and derived great benefit from it. I believe it has cured me entirely of kidney and liver trouble, from which I suffered terribly.

Most gratefully yours,
A. R. Reynolds, Chief of Police,
Columbus, Ga



Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; makes your head ache and back ache, causes indigestion, stomach and liver trouble, you get a sallow, yellow complexion, makes you feel as though you had heart trouble; you may have plenty of ambition, but no strength; get weak and waste away.

The cure for these troubles is Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford natural help to nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

HOW TO FIND OUT.

If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. If on examination it is milky or cloudy, if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by doctors themselves who have kidney ailments, because they recognize in it the greatest and most successful remedy for kidney, liver and bladder troubles.

(Swamp-Root is pleasant to take.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghampton, N. Y., on every bottle.

SPECIAL NOTE.—So successful is Swamp-Root in promptly curing even the most distressing cases of kidney, liver or bladder troubles, that to prove its wonderful merits you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perfcrm their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.
