GILLET'S YEAST POWDER. The best never fails to please. ds&w

Personal Comeliness is greatly enhanced by a fine set of teeth. On the other hand, nothing so detracts from the effect of pleasing features, fine eyes and a graceful figure, as yellow teeth. That popular toilet article SOZODONT checks their decay, and renders them as white as snow. ds&w

GILLET'S LAUNDRY CASTILE SOAP is the cheapest, as it takes less. ds&w

GILLET'S EXTRACTS. The best in use. ds&w

NOTICE.

LOGAN, Utah, July 20th, 1878.

We the undersigned, farmers of Cache County, Utah, hereby certify that we have this day witnessed the McCormick Harvester and Binder at work on the farm of John Ash at Logan, and consider the machine a complete success in the most essential parts, viz. elevating, binding and delivering the bundles after bound. It does the cleanest work of any machine yet introduced into this valley, elevating and binding every straw, and not scattering and wasting the grain as other machines do. The delivery of the bundles is perfect, as each sheave is pushed gently off the platform by the succeeding one, and strikes the ground butt first, thus avoiding the threshing out of ripe grain.
