Union Pacific Said to Be at the Back of a Huge Deal.

FOR ONE HUNDRED YEARS.

Plan Contemplates a Graduated Guar antee of 4% Per Cent on Common Stock for Ten Years,

New York, June 5 .- A special from Boston to the Times quotes the Journal of that city as saying:

It comes from excellent sources today by way of explaining the present active demand for the Atchison securities and the strength characterizing the same, that influential directors of the road, including President Ripley, have been in conference in New York for two or three days past, with representatives of the Union Pacific road and its allied lines, that a proposition has been made by these people for a lease of the Atchison property on a gradual guaranteed rental.

The plan contemplates, it is claimed a lease for a term of 100 years, a grad-uated guarantee of 4% per cent on the common stock for a period of ten years. five per cent for the next ten years, 51% for the third ten years and six per for the remainder. The preferred stock and bonds will also get a guaran tee on the present basis.

Senator Clark is expected to arrive in Salt Lake on the 10th inst. His presence will probably be followed by active construction of the road. SAD FATALITY AT MURRAY.

SCHOOL TEACHERS FOR NEXT YEAR.

List the Same as Last Year With

Three Exceptions.

PRINCIPALS RE-EMPLOYED.

Misses Arnoid and Logan Retained **Miss Harrison Released Contracts** Same for Principals as Teachers.

At the meeting of the school board last night a sort of a compromise was made in relation to the Doxey controversy. That is to say two of the young ladies who have figured in the trouble, Misses Arnold and Logan, are retained in their positions as teachers. Miss Harrison, however, was not re-employed. But her friends think that when she puts her case before the board in the proper light it will reconsider its action and keep her in the schools. The compromise is the result of some preity earnest talking on the part of Messrs. Nelden and Bamberger. Those gentlemen maintained that if Mr. Doxey is kept in the schools it was the manifest duty of the board to keep the young ladies there also. They both contended that the ladles had good records, and that it would be a shame to dismiss

them. Mr. Geoghegan was inclined to blame Mr. Cooper for the unpleasantness at the Hamilton. He implied strongly that Mr. Cooper had an ambition to "down" Mr. Doxey and had gone to consider-able length to carry out his purpose. He thought that when Mr. Cooper saw that things were not running harmoniously at the Hamilton he should have moved some of the young ladies to an-other school. The final vote to retain Doxey was six to two, the negative votes being cast by Mr. Nelden and Mr. Bamberger. The vote to dismiss Miss Harrison stood four to four. Those who voted against her were President Newman, Moyle, Giauque and Geoghe-gan. Those who sustained her were Bamberger, Nelden, Branting and Young.

All of this business was transacted in the committee of the whole behind closed doors. After the above matter was disposed of the board met and disposed of considerable routine business. The finance committee reported in favor of the payment of various items aggregating \$2,302.32. The report was adopted. The committee on teachers recommended that Mrs. E. V. Fritch and E. S. Hallock be paid full salaries for nine and a half months, regardless of the schedules. The report was adopt-ed. The resignations of Miss Esther Allen from the High school and Miss Elsie Ada Faust from the Fremont school were accepted. With the ex-ception of these two young ladies and Miss Harrison the list of teachers re-mains the same this year as last. Ap-plications from Carrie Dunyon, Emma

Nothing **Tastes Good**

And eating is simply perfunetory-done because it must be. This is the common complaint of the dyspeptic.

If eating sparingly would cure dyspepsia, few would suffer from it long.

The only way to cure dyspepsia, which is difficult digestion, is to give vigor and tone to the stomach

and the whole digestive system. Hood's Sarsaparilla cured the niece of Frank Fay, 106 N. St., South Boston, Mass., who writes that she had been a great sufferer

from dyspepsis for six years; had been with-out appetite and had been troubled with sour stomach and headache. She had tried many other medicines in vain. Two bottles of Hood's Sarsaparilla made her well.

Promises to cure and keeps the promise. Don't wait till you are worse, but buy a bottle today.
