

## MAROONS BEAT SOLDIERS' TEAM

Warriors Taken Into Camp by a Score of 13 to 4.

## TEAM FOR LAGOON RESORT.

Former Captain O'Brien Announces His Intention of Putting Club In There This Season.

Down at Walker's field yesterday afternoon, in the presence of about 40 fans, the Maroons took the warriors from Fort Douglas into camp by a score of 13 to 4. With the soldiers it was a case of Salt Lake to the right of them, Salt Lake to the left of them, and in fact Salt Lake all around them. In the language of a street urchin: "Der was nothin' to it but de home port." The list of dead and wounded would have been greater than it was but Manager Christie thought that the soldiers had been punished enough and he gave the command to quit firing. The only time the boys from the hill had a chance was in the eighth. Then Heist, Cook and Hughes pounded out a hit each, and one by Bryant shortly after netted three runs. In the following inning Heist and Hughes scored two more hits, bringing one warrior across the plate, and giving the team their four tallies.

Hughes' collection of warbles were ironed out by the home aggregation, every man pounding him with the exception of Jimmy Byrnes. Thomas hit Byrnes, the local battery, did fine work. The new catcher certainly made good, and between him and Thomas, 12 men were struck out. The summary follows:
