Land and Mining Decisions—Mining Patents Issued.

WASHINGTON, 8.—*Kopp's Western Land Owner*, for May, contains a full list of the various decisions recently rendered by the Secretary of the Interior, establishing the following principles: Questions of fact and extent of conflict between two mineral lodes cannot be decided by the department, but must be left to the courts, therefore in all cases where a mining patent is issued for claim A, conflicting with another claim B previously patented, the excepting clause in the last issued patent will have to read as follows: "Excepting from this conveyance, the surface ground conveyed to said B company by its patent, dated blank; also excepting from this conveyance so much of the B lode, if any there be, as was legally conveyed to the said B company by its aforesaid patent." In regard to soldiers' homesteads Secretary Delano decides that a soldier is entitled to 160 acres of land under the homestead law of June 8, 1872, provided his original entry of less than 160 acres was made prior to the passage of said act, as an adjoining farm or as a homestead entry. This reverses the decision of the General Land office, dated December 10, 1874. Commissioner Burdett decides, on a case coming up from California, that officers and soldiers while in the regular army are not entitled to the benefits of the homestead act of June 8th, 1872. Commissioner Burdett also decides that the second section of the act of March 3rd, 1843, gives to the executor or administrator, or one of the heirs, the absolute right to complete the necessary proceedings for the acquisition of a title in case of a deceased pre-emption claimant, and it does not devolve upon the land department the duty of inquiring if there are any heirs, but if there are any it casts the title distributively upon each, by including him in the general provision.

The following mining patents have been issued: California, Eldorado Co., Henry Hagar and J. H. Straten, the German quartz mine: Wm. J. Hale, Big Sandy quartz mine; Jno. Blair *et al* the Bobby Burns quartz mine. In Placer Co.: Chas. D. Dewey, the Hancock and Watson quartz mine; Jno. W. Eckley Greene, the Walter quartz mine; J. H. and R. Hoskin, the Hoskin, Bro's. Canon, placer. Sonoma Co.: J. A. Robinson *et al*, the Eugenia quicksilver mine. San Bernardino Co.: Jno. A. Robinson, the Cyntha gold mine. Amador Co.: R. C. Downs, *et al*, the Pioneer gravel mine; H. Truet and J. B. Belliard, placer. Nevada Co.: H. B. Tickenor *et al*, Canon Creek quartz mine; J. M. English, the J. M. English quartz mine. Shasta Co.: Chas. Camden and Jos. Chitwood, placer. Del Norte Co.: to the Alta California Silver Mining Co., the Alta copper mine.

Nevada, Storey Co.: to the Bullion Manufacturing Co., the Bull Whacker lode. Lander Co.: H. Heynemann, the Eldorado lode. White Co.: Jno. Shoenbar, the Rescue lode.

Oregon, Josephine County: H. Carson and J. Harrington, placer; Jackson Co.: Geo. Younters, Enos A. Wall *et al*, the Queen of the Hill mine.

Utah, Salt Lake Co.: Jos. Marion, Rough and Ready mine, two locations.

Ruffianism.

POTTSVILLE, 8.—There has been considerable excitement at Mahoney city to-night, occasioned by two Frenchmen being attacked in the principal street; one was badly wounded, and the other is not expected to live.

Meeting of Miners, Etc.

WILKESBARRE, Pa., 8.—A meeting of miners, to-day, was attended by delegates from every district in this region. John Sidney, president of the Miners' National Association, was present. The proceedings have not been made public. The Baltimore district, No. 283, unanimously resolved to support their brethren on strike, and to continue to do so until they get their prices.

The warrant for the arrest of the assailants of McDade, at Kingston, has been turned over to the sheriff, the constable and posse being unable to arrest the men.

The Vice President at Memphis.

MEMPHIS, Tenn., 8.—Vice President Wilson arrived at 3 o'clock, on the Memphis and Louisville train. He was met at the National Cemetery by a committee from the general council and chamber of commerce and, on arriving at the depot in this city, was met by Mayor League and the remainder of the city officials. The Mayor received him with a brief address tendering the hospitalities of the city, to which Wilson responded appropriately, taking occasion to say that he was traveling simply as a private citizen to see the country, and after referring to his anti-slavery record, and to the late war, which he thought could not have been averted by any power of man, he hoped that peace and good feeling would succeed its bitterness, and that our country would prosper and become the greatest nation upon earth. After an air from the band in attendance, the party took carriages for the Peabody Hotel, where an immense crowd assembled. In response to a loud call the Vice-President appeared upon the verandah, and made a short address. During the afternoon a large number of prominent citizens, including Col. Casey Young, member of Congress, ex-Governor Harris, Gen. Patterson, collector of internal revenue, and others called upon Mr. Wilson. He remains here until Monday evening, when he leaves for Little Rock. The state of his health and the weather will determine whether he will go thence to Texas or to St. Louis, and if to the latter, he will extend his trip to Denver, but it is his intention to reach home early in June.

Corruption Exposed.

MONTGOMERY, Ala., 8. — The Spencer investigating committee is still in session, and it is understood that astounding developments have been made, showing the corrupt use of money to keep up the Court House legislature.

Injunction Obtained—Fatally Stabbed.

PHILADELPHIA, 8. — Sheridan Shook, proprietor, and A. L. Palmer, manager of the Union Square Theatre, N. Y., have obtained a preliminary injunction restraining Wood's Museum from producing the play of "The Two Orphans," the former having the copyright of the translation, as well as the possession of the original manuscript.

James Daggart and Ferdinand Romelman, while at supper this evening, quarrelled during an argument about the refining of sugar, and Romelman was fatally stabbed.

Baptists in Convention.

CHARLESTON, S. C., 8. — The Southern Baptist Convention accomplished, to-day, a large amount of business; action was taken, heartily co-operating with the northern Baptists in literary and theological education.

MORE THAN

6,000,000

Of One Number Alone of the Justly Celebrated

SPENCERIAN

Double-Elastic

STEEL PENS

Were sold in 1874, being a gain of more than 1,000,000 over the year previous; this, with the marked increase in the sales of the other numbers, shows that the superior qualities of these Pens are being more and more appreciated, and that they are destined to take their place as the most popular Steel Pens in the market. They are made of the best steel by the most skilful workmen in Europe, and are a nearer approximation to the real Swan Quill action than anything of the kind hitherto invented.

The Spencerian Steel Pens are universally used in the Chemical Colleges throughout the U. S., more largely than any others by the United States Government, and quite generally in the Banks, Counting Houses and Public Offices of the country, and are for sale by the trade generally.

We claim for the Spencerian superiority of elasticity, durability, smoothness of action, and in evenness of point.

☞ *The Spencerian Pens are comprised in 15 numbers, varying in flexibility and fineness of point, and, for the convenience of those who may wish to try them, we will send a CARD containing A SAMPLE OF EACH NUMBER by mail, securely inclosed, on receipt of 25 cents.*
