SOLONS AFTER POWER SITE

Council Authorizes Its Purchase For Use in Installing Municipal Lighting System.

TWO BURGLARS CAPTURED.

Changes in County Clerk's Office Force—June Weddings—Funeral of Mrs. Richardson.

Ogden, June 25.—It is very evident the present Ogden city council is going to secure for the city a lighting plant of its own, as at the council meeting last evening the following resolution was presented by Councilman Thomas and unanimously adopted: "Resolved, That the committee on lighting be and is hereby given power and authority to make such arrangements and agreements as may be necessary to secure a water power site and rights for Ogden city, or to purchase the same at a cost not to exceed \$5,000."

As some of the council have not visited the proposed site, which is said to be an ideal one, Councilman Thomas extended an invitation to them to accompany him Wednesday afternoon to the site. The movement is one that has long since been looked forward to, and now its consummation seems assured. None of the councilmen would tell at the present time where the site is located, but it will generate power enough for lighting purposes for Ogden for many years to come.

The street committee was instructed to notify J. P. O'Neill to put all streets where he has done sewer work in as good condition as when he commenced to dig them up. Several of the streets have been left in bad condition, especially is this true of Washington avenue between Twenty-eighth and Thirty-third streets.

A communication was received from P. J. Moran, who put down the pavement on Twenty-fifth street, expressing his willingness to repute the pavement where it has worn through. A committee composed of Eugene Parker, Councilman Thomas and Moyes was appointed to go over the street with Mr. Moran and show him the repairs necessary. He will begin the work by July 1.

The city engineer and public building committee reported that the plans and specifications for the proposed new concrete bridge over the river near the mouth of Ogden canyon were satisfactory. The recorder was authorized therefore to advertise for bids for the immediate construction of one concrete bridge over the main channel of the river.

The city engineer reported that the annex number two to Ogden city cemetery has been surveyed and plotted and was ready for the adoption

Manager, E. A. Larkin, 463 24th St. Telephone 123-K.

Advertisements for the Daily, Saturday and Semi-Weekly News accepted on the same terms as at the Salt Lake Office.

Circulator, John J. McGregor, 235 Wash. Ave. Tel. 124. Office with Lambert Paper Co.

Payments for the Daily, Saturday and Semi-Weekly News should be made to the circulator. Delivery made by carrier on the same terms as in Salt Lake.

of the council. The same was adopted and the work of grading and putting it in good condition ready for use was commenced today.

The city sexton reported that he has been unable to keep a good man to dig graves at the salary of \$2 per day and asked that he be permitted to increase that pay to \$2.50 per day, which was granted.

The health report showed nine cases of diphtheria in Ogden at the present time under quarantine, eight of which are diphtheria and one scarlet fever.

The auditor was authorized to draw a warrant in favor of the county treasurer for \$2,545.46 to pay the city expense in collecting taxes.

TWO BURGLARS CAPTURED.

Caught in Montana Roominghouse With the Stolen Goods.

Ogden, June 25.—A clever capture of two burglars by Sheriff J. W. Bailey, Sr., and Sergeant Chambers yesterday. The men gave their names as J. W. Cooper and Fred Rodgers. A report was sent to the police station that two men were in a room at the Montana House whose actions were suspicious. The officers quickly went to the place and succeeded in getting the men before they could leave the place and found on them goods taken from the trunk in a room in the building and watched the opportunity when the occupants of adjoining rooms were out, then they entered and tore open two valises and one trunk, which they ransacked, taking out what they wanted. They overhauled the trunk and found a purse containing \$35. A charge of burglary in the third degree will be placed against them.

Rodgers is known to the officers here, having been arrested several years ago on the charge of burglarizing a box car. He was found guilty and sent to the reform school, being under age, but he escaped and went to California, where he was accidentally caught on the streets of San Francisco by former Sheriff J. W. Bailey and returned to the school. He is considered by the officers a bad man.

FUNERAL OF MRS. RICHARDSON.

The Plain City meetinghouse was well filled yesterday afternoon at the funeral services over the remains of Mrs. S. P. Richardson, who died Sunday from the effects of burns received Friday in the fire which destroyed her barn. The services were commenced at 4 o'clock, Bishop Henry Palmer presiding. The ward choir rendered a number of selections. The speakers were Presidents L. W. Shurtliff and C. F. Middleton, Bishop Garner, Elders G. W. Bramwell and Charles W. Thompson, who spoke of the deceased as a true Latter-day Saint, a most devoted wife and mother.

COUNTY CLERK'S OFFICE FORCE.

County Clerk Mattson has decided on several changes in his office force. Ernest P. Brown, who has been his chief deputy, will be made chief clerk of the auditing department, and Carl Allmon will be made chief clerk of the recording department. The same was referred to the special committee on sewerage check over and report next Wednesday evening. At the mass meeting held last Thursday evening, at which a full representation of the business men was present, the sewerage question was discussed until a late hour. At the conclusion of which a vote was taken, which was in favor of the sewerage system. However, there is such a diversity of opinion as to the details, the extension and the adjustment of the assessment, that if the proposition is defeated in its present form, it is more than likely that it will be abandoned as far as the present city council is concerned. Several of the members have expressed themselves to the effect that if a sewer cannot be put in that will be a credit to the city they will not be a party to putting in a makeshift that would have to be replaced in five years.

Mr. J. J. Thomas and Mr. Ulmer, leading business men of the city, have come in to Vernal Friday evening and have been attending to lodge business. The Odd Fellows have a reunion this evening.

SEWER PROPOSITION.

Opposition Likely to Defeat Much Needed Improvement.

Special Correspondence. Logan, Cache Co., June 25.—The city council met last evening to hear protests on the sewerage proposition. A petition was presented representing it is claimed, sufficient to defeat the proposition. The same was referred to the special committee on sewerage check over and report next Wednesday evening. At the mass meeting held last Thursday evening, at which a full representation of the business men was present, the sewerage question was discussed until a late hour. At the conclusion of which a vote was taken, which was in favor of the sewerage system. However, there is such a diversity of opinion as to the details, the extension and the adjustment of the assessment, that if the proposition is defeated in its present form, it is more than likely that it will be abandoned as far as the present city council is concerned. Several of the members have expressed themselves to the effect that if a sewer cannot be put in that will be a credit to the city they will not be a party to putting in a makeshift that would have to be replaced in five years.
