

COUNCIL SAYS PAVE THE ALLEYS

Martin Introduced an Ordinance
Which Passed Without
Debate.

OWNERS MUST DO THE WORK.

If They Refuse They Are Subject to a
Penalty for Non-Compliance—
Wholesale Liquor License.

Without a word of debate and by a unanimous vote, the city council last night passed an ordinance requiring the owners of private alleys throughout the business district of the city to pave the same with material and in such a manner as to meet the approval of the city engineer. The alleys are declared by the ordinance to be a public nuisance and it requires them to be paved on or before Sept. 1, 1906, or the owners shall be subject to a penalty for non-compliance with the ordinance. Martin introduced the ordinance, a copy of which follows:

THE ORDINANCE.

The ordinance declaring certain alleys nuisances, directing them to be paved, guttered and curbed, imposing a fine for failure, and for abatement of the same as nuisances.

Be it ordained by the city council of Salt Lake City, Utah:

Section 1. That all private alleys within the boundaries named in section 2 of this ordinance, shall, on or before Sept. 1, 1906, be paved, guttered and curbed in such a manner and of such material as shall be approved by the city engineer of this city.

Sec. 2. That all private alleys within the boundaries named in section 2 of this ordinance, shall, on or before Sept. 1, 1906, be paved, guttered and curbed in such a manner and of such material as shall be approved by the city engineer of this city.

Sec. 3. Any person, firm or corporation, owner or owners of a private alley or of private alleys in the district mentioned in section 1 hereof, who shall fail to comply with the provisions of section 2 of this ordinance, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined in any sum not exceeding two hundred (\$200) dollars, or be imprisoned in the city jail not more than sixty (60) days, or be punished by both such fine and imprisonment, and a separate offense shall be deemed to be committed every 10 days during which such person, firm or corporation shall fail to comply with the provisions of said section 2 of this ordinance.

Sec. 4. Nothing herein contained shall be construed to prevent the city council of this city from abating or ordering the abating of any of the nuisances declared in section 1 hereof, if so desired. This ordinance shall take effect upon approval.

THE LIQUOR LICENSE.

The license committee submitted an amendment to the license ordinance reducing the license of wholesale liquor dealers from \$1,000 to \$600 per annum. The committee also recommended a reduction to \$400 too great. He offered an amendment to the effect that the license be made \$600 instead of \$400. Mulvey and Hobday opposed the amendment. Precedence was in favor of a reduction of the license of wholesale dealers but contended that an amendment should also be made which would place the license of joint wholesale and retail dealers at a larger amount than the retail license. Fernstrom was in favor of the ordinance but contended that the license of joint wholesale and retail dealers should be a regulation of the liquor traffic and without his amendment with the understanding that the entire ordinance would be revised as soon as possible in accordance with the changes suggested. The ordinance was then passed by a unanimous vote.

WANT FRANCHISE ENFORCED.

A petition was received from A. R. Lundin and a large number of other residents of North Salt Lake asking that the franchise granted to the Salt Lake & Ogden Railway company on Sept. 7, 1905, be enforced. One section of the franchise provided that the company shall run at least one car every hour of a. m. and 10 p. m., and that a fine of five cents shall be charged within the city limits. Another section provided that the tracks shall be completed within six months after the passage of the franchise. It is claimed that both of these provisions have been violated and the petitioners ask that the franchise be enforced or declared forfeited. The matter was referred to the committee on municipal law.

TO TAP THE CONDUIT.

In regard to the petition of F. R. McDonald, asking that he and other farmers be permitted to tap the Big Cottonwood conduit in order to get the flood waters in the spring, the waterworks committee recommended that the board of public works be instructed to put six outlet valves in the conduit for the accommodation of the petitioners. The report was adopted by the council. The board of public works submitted

FREE BOOKLET ON BRIGHT'S DISEASE AND DIABETES.

We desire to place in the hands of those afflicted with Bright's Disease or Diabetes a free booklet that is saving human lives. It is not a mere pamphlet, but is principally made up of reports of scientifically conducted tests in a large variety of cases, showing the results of recovery in these hitherto incurable diseases. This booklet is for thoughtful people who can discriminate between common patent medicine literature and a carefully prepared report of a patient. It is free. P. J. Hill Drug Co., Local Agent, Salt Lake.

When to suspect Bright's Disease—Weakness or loss of weight; puffiness ankles, face or eyelids; kidney trouble after food; blood in urine; urine may show sediment; vision; drowsiness; one or more of these.

Diabetes the distinguishing feature is weakness with great thirst and at times profuse appetite.

A MATTER OF HEALTH PAVING POWDER

ROYAL BAKING POWDER CO. NEW YORK.
The bid of O. Chytrores for the construction of the new fire station on Ninth South street between Tenth and Eleventh East streets. The amount of the bid was \$8,300, but the council only authorized the expenditure of \$6,000 for the station, so the matter was referred to the fire committee for further consideration.

A protest was received from A. Fishman and other property owners against the paving of East Temple street below Fifth South street until the sewer is constructed on that street. The matter was referred to the committee on streets and highways.

JUVENILE COURT MONEY.

City Recorder Moreton reported that he had received a total sum of \$301.70 from Jan. 1, to April 1, 1906, as fines imposed by the juvenile court. He recommended that the sum be turned over to the city treasurer, and that in the future all fines for the juvenile court be paid to the recorder as ex-officio clerk of the court, instead of to the city treasurer. The juvenile court commission, as has been done in the past. The recommendations were concurred in by the council.

Chief of Police Sheets submitted the appointment of W. J. Keith as a special policeman at the Warm Springs to serve without pay from the city, and the appointment was confirmed.

Upon request of Street Supervisor Raleigh the Utah Light and Railway company was instructed to set poles and string wires from Second West street to the rock crusher on the old Pascoe quarry for the purpose of furnishing light and power for the crusher.

Food Inspector Frazier submitted a report showing that the revenues of his department had increased 300 per cent or \$700 for the quarter ending April 1, 1906, over the same quarter in 1905.

FIRE ORDINANCE PASSED.

The Martin fire department ordinance was passed by a unanimous vote. At present the ordinance provides for a fire of three men in the department but there will be an increase of 13 additional men when the fire station No. 5 is completed.

Under the supervision of the rules the council passed an ordinance levying an assessment upon the property on the east side of Eleventh East street between First and Third South streets for the construction of a cement sidewalk. An ordinance was also passed levying an assessment on property on both sides of street between South Temple and First streets for the construction of a sewer.

The following resolution by Carter was adopted:

Be it resolved by the city council of Salt Lake City, that the minimum width of all sidewalks on streets 132 feet wide be fixed at six feet, and that hereafter no walks shall be built either by public or private means of less width on streets 132 feet in width.

SPECIAL MEETING CALLED.

Chairman Mulvey announced that there will be a special meeting of the waterworks committee tonight at 8 o'clock to continue the investigation instituted upon request of the city attorney in regard to the city's title to the waters of Big Cottonwood creek. It is expected that the resolution of Councilman Wells, instructing the committee to at once negotiate for additional water in Big Cottonwood, will also be considered.

President of the council last night, owing to the absence of President Davis. On account of next Monday being a holiday the council adjourned until next Tuesday night.

FULL OF TRAGIC MEANING

are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes. "I had a fearful cough that disturbed my night's rest. I tried everything, but nothing would relieve it, until I took Dr. King's New Discovery. It cured me. I had a cold, which completely cured me. Instantly relieves and permanently cures all throat and lung diseases; prevents grip and cold. At Z. C. M. I. Drug Store, 112-114 Main Street, guaranteed; 50c and \$1.00. Trial bottle free.

REVOLT AGAINST FELT.

Tropical Session Held by the Utah Press Association.

There is dissension in the ranks of the Utah Press association and matters came to a focus at the meeting held last night. The insurgents are out in open revolt against their president, David P. Felt, and taken all together there was a warm session last evening at the special meeting. Members of the organization stated openly that they would not stand for the methods of Felt any longer, and if he does not resign at the next meeting, which will be called after the excursion to Los Angeles in May, they will resign and proceed to organize a new association of the country press.

President Felt started the ball rolling, it is said, by asking at the meeting that he be placed in sole charge of the proposed excursion and that the other members of the excursion committee resign. Parley P. Jensen and J. T. Jakeman, he retired. This modest request had the effect of a grand rally around the two members and charges and counter-charges flew thick and fast. Jensen and Jakeman replied that they had tried to get Felt to work with them, but he apparently did not see fit to do so. Taken all in all, it was a very tropical session, and the only question decided was that the Utah Press association would take its annual banquet this spring to Los Angeles, leaving here May 5.

FUNERAL SERVICES.

Tregoning—The funeral cortege of Mrs. Dorothy Tregoning will leave her residence at deceased at 1 p. m. Wednesday for the Hill M. E. church, corner of Ninth East and First South streets, where services will be held at 1:30. Interment at Mount Olivet cemetery. Friends invited.

Nowlan—The funeral services over the remains of Mrs. Geo. F. Nowlan will be held at the Union ward meeting-house tomorrow at 1 p. m.

MINISTERS BACK WELLS' ORDINANCE

Say They Are in Earnest About
Securing Enactment of
Sunday Law.

TO PROHIBIT AMUSEMENTS.

Make Strong Appeal to the City Council in Favor of Law and Order Measure for Sabbath Day.

The Salt Lake Ministerial association, at its regular weekly meeting yesterday afternoon, decided that the times were ripe for a moral house-cleaning in this city, particularly in reference to closing up the Sunday theaters and saloons, and the wiping out of prize fighting exhibitions.

The following petition was thereupon drawn up and signed, and will be presented to the city council:

To the City Council of Salt Lake City: "We, your petitioners, respectfully request the unanimous action of your honorable body in the passage of the ordinance now before you, calling for the closing of the Sunday night theaters."

We would represent that the open theater on Sunday night is exerting a gravely immoral influence upon the character of our people and particularly our young people; and we plead for your favorable action in the passage of the bill, believing that the suppression of an open theater on Sunday will conserve the best in the life of our people, and that the character of our city's life will be raised in tone thereby.

Signed, S. E. Wishard, D. A. Brown, F. S. Spaulding, D. M. Helnick, McLean Davis, Emmanuel Rydberg, R. G. McNiece, Benjamin Young, Peter A. Simmler, Oscar L. Cook, G. Sandblom, J. D. McGilvray, John C. Lincoln, Lee A. Brown, James H. Worrell, J. C. Andrews, Josiah McChlain.

The proposed ordinance is now in the hands of the Municipal Law committee of the city council composed of Messrs C. J. Crabtree, W. Mont. Ferry, M. E. Mulvey, John Holley and T. R. Black. It was introduced by Councilman Ruess S. Wells. Members of the Ministerial association say they are in earnest about the matter, and the fact that the proposed ordinance was introduced by a member of the "Mormon" Church cuts no figure whatever. The association proposes to stand by Mr. Wells and his measure whether its enemies try to reflect on it as a "Mormon" proposition or not. It is not a question of religious or denominational difference; it is a question of good morals in which every good citizen should be interested to the extent of giving his active sympathy and support. The city council is unapproachable. It is believed that the Legislature can be induced to extend a helping hand.

REPORT FROM IDAHO.

Conditions in Snake River Valley Are in a Flourishing Condition.

Geo. E. Hill, Jr., is one of the many conference visitors from Fremont county, Idaho. He will also remain to attend the big lumber meeting of the Utah and Northwestern Idaho dealers at the Rialto hotel Tuesday. Mr. Hill is secretary of the Eastern Idaho Lumber association and comes to the convention in that capacity.

He reports everything in the great Snake river valley in a flourishing condition. The influx of people looking for desirable home locations is so great that the valley is getting well filled up. Real estate values are rapidly increasing and money seems to be plentiful as many people are buying good farms and business property. The last winter, while long, has not been severe, but a great deal of dry weather in that section of the country. Still in the dryest year since Snake river valley always has plenty of water, because the water shed of the great Snake river is from 20 to 30 miles square, which insures a big flow. Irrigation operations this spring and around Rialto commenced about week ago. Everything points to the most prosperous year ever enjoyed in that section. Building operations in nearly all the towns is assuming unusual proportions already this spring.

Fremont county is now the wealthiest and most populous of any of the Idaho counties.

Every indication points to an early commencement of work on the new line up the South Fork of Snake river, from Rialto into Wyoming, that the recently incorporated company known as the Idaho & Wyoming Railroad company. This will ultimately connect with the Chicago & Northwestern Railway company, that is building west through Wyoming, or the Union Pacific, and will relieve the present inadequacy of the railroads in that part of Idaho. It will also bring in cheap coal with a great abundance exists up the Snake river.

The people of eastern Idaho feel that the Socialist party is unduly worked up over the arrest of Messrs. Moyer, Heywood and Pettibone in the Steunberger murder case. While Idaho's loyal citizens desire to bring the perpetrators of this heinous crime to justice, still they are disposed to proceed calmly and take no advantage of any individual. They insist that these men shall have a fair trial. It is hoped that discretion will prove to be the better part of valor on the part of the Socialist leaders, and that they will not let their treasonable utterances carry them too far beyond reason, thereby inciting the displeasure of the patriotic citizens of the country, and doing the men now under arrest no good.

The removal of the county seat of Fremont county to either Sugar City or Rexburg, the all-absorbing question in that county. The two latter towns have deposited certified checks for \$20,000, which will be paid to the town that wins the county seat by their votes will locate the county seat in those towns. The campaign is on in earnest this early.

HAVE YOU DYSPEPSIA, INDIGESTION?

If to-day you suffer from impaired digestion, sluggish liver or impure blood, and you were told of a preparation which would cure you at a small cost would you try the remedy? There is a medicine—Green's August Flower. Go to your druggist's and buy a test bottle for 25 cents, or the regular size for 75 cents. If you have used all other dyspepsia remedies without satisfaction, or if you have never used any, prepare for these distressing affections: If you have headache, biliousness, loss of appetite, sleeplessness, nervousness, or any disorder of the stomach or liver, cure yourself quickly by using the infallible August Flower. It is not an alcoholic stimulant but a gentle harmless for general use. Get a copy of Green's Price Almanac. At all druggists.

WILL HOLD WATSON.

Man Who is Mentally Unbalanced Remains in City Jail.

J. M. Thompson of Kansas City, Mo., has telegraphed Chief of Police Sheets to hold J. P. Watson until the first named gentleman can reach this city. He is evidently a close friend or business partner of Watson and is coming here to take care of that individual. Watson is the man who killed at police headquarters on Sunday afternoon, and is now in the city jail, after having left \$500 for safe keeping with the clerk of the Wilson hotel. The man is evidently mentally unbalanced and imagines that his life is being sought at the hands of people who he thinks suspicious of having committed crime. It was thought at first that Watson had been drinking, and that he would be all right when sobered up, but it appears that what whiskey was not the cause of his trouble, and his condition does not improve. He furnished the police with the address of Mrs. Edith Watson 1115 Pacific avenue, Kansas City, but a dispatch sent has brought forth no response.

LIFE INSURANCE MEETING.

Utah Association Held a Successful Session Last Night.

The banquet of the Utah Association of Life Underwriters celebrated the first birthday of the organization, and was the most successful of any yet given. At the Commercial club the members held carnival until past midnight last evening. The early part of the session being devoted to the election of officers and the latter part to the discussion of the elaborate banquet in which the ladies of the members joined. The menu card was handsomely gotten up with appropriate mottoes relative to life insurance, and the program itself consisted of the following:

Introduction of toastmaster, Mr. W. G. Farrell; piano solo, Mr. Edw. P. Kimball; "The Answer," Mr. J. M. Spencer; song, Mr. H. S. Ensign; "Tom Lawson and Life Insurance," Mr. E. E. Shepard; recitation, Mr. D. H. Frost; "Some Pictures," Mr. T. W. Sloan; song, Mrs. Emma Ramsey-Morris; "The Examiner," Dr. H. N. Mayo; quartet, Messrs. Peyer, Whitney, Ensign and Spencer.

The election of officers resulted in the re-election of the former officers excepting that D. H. Livingston was chosen second vice president in place of M. J. Deane. Mr. D. H. Frost, Mr. J. M. Spencer was elected to the executive committee to succeed J. H. Mayo. John D. Spencer, who has so successfully filled the office of president, was unanimously re-elected, as were W. G. Farrell, first vice president, T. W. Sloan, secretary, and V. O. Wells, treasurer.

If you would lose that dull old headache, and feel as lively as a bee, Make haste to your druggist.

And buy some Rocky Mountain Tea. Z. C. M. I. Drug Store, 112-114 Main Street.
