FOUR O'CLOCK.

THE DESERBT NEWS COMPANY

CHARLES W. PENROSE, EDITOR.

SECRETARY SCHURZ.

THE Report of the Secretary of th Interior, the receipt of which we acknowledge with thanks to the Hon. Carl Schurz, contains a brief reference to l'tah affairs, the page and a half of letter press on this subject being condensed from the Governor's report. It is not of any great some palpable inaccuracies. One of were always anticipated, more tanthe plainest of these is in the state-

That is, the mining or "Gentile" imposed because there are no element has increased by immigra- pretensions made as to tion as much during ten years as special or divine call to this the whole natural increase of the mission, such as the assumed Territory and the "Mormon" immi- or understood character of the Book gration combined! This shows how might imply. Men engage in this much the Governor knows of what from notions correct or incorrect; is going on around him, His esti- for no reason or for reasons scarcely mate would make the "Gentile" in- understood; because of tradition, crease during the last ten years some- education, or want of other employwhere in the neighborhood of 30,000, ment; because the book is consideror nearly if not more than double ed to possess some such influence as their entire number. Why, we have a charm, or because of some that many children in the Territory feeling of reverence towards i under ten years of age, to say no- or shadow of worship, thus thing of the annual "Mormon" im- imitating the use of amulets, migration. There are over 30,000 the custom of having a horseshoe children in our Sunday schools, not over the door, the devoting of counting the number disinclined or corner to the semblance of the cross, too small to attend. The "Liberal" etc; a something handy and pleasvote at the late election was 1,357 ant to have in the house, not for use out of a total of 19,933, a proportion particularly, but as a sort of fetish, a of less than one-fourteenth. Allow- savior, or to give tone and respectaing that all the "Gentile" ele- bility, and justify the assumption ment here has been "drawn by of being good Christians. the mines," which is not In many cases, to be sure, it is the actual fact, their proportion of meant to be read, that is-mechaniincrease during the past ten years cally, a chapter every morning or a

We notice in one of our exchanges a reference to the Governor as a per- idea of a duty, and even sacrifice, or son supposed to be a good authority of privilege, as to conning "the word on Utah affairs. The truth is, there of God." is scarcely any one who has a good Now, the Book as to its contents opportunity of learning the true is considerably varied. We have condition of affairs here who is so history and narrative, law and compoorly posted as he. Not mandment, poetry and prophecy, taking the trouble or the pains to biography and proverbs, the words mix with those from whom he could of man, of angels and of God. But obtain correct information, and his to this age it is an old book; the ears being open to the stories with last line was written eighteen hunwhich a certain class are fond of stuff- dred years ago. It is a book of maring the gullible, he is as widely "off" vels and miracles, to a religious as on the social condition as on the re- to a skeptical world. Because of its lative numbers of the two sections antiquity its facts are mainly beyond

As proof of this we will refer to another assertion in his report that they may be numbered among the is quoted by the Secretary of the In- lost arts, and so far as general and

"Polygamy is not only tolerated in might be unrecorded and forgotten. Utah, but, because of the power and influence of the organization in which it is practiced, it is made the shibboleth to position and power. Besides being in direct violation of law, it tends toward a union of church and state too intimate to accord with the spirit of our institu-

How does he know that polygamy is "made the shibboleth to place and communed with him; when He sent power?" Somebody told him so, and somebody told him an untruth. If his statement was correct no man with but one wife would occupy any position of trust or profit under the revelation and inspiration for ages rules of the Church or the laws of among mankind; there was warning the Territory. That this is not so every one knows who is familiar sins of omission or commission with Utah affairs; he understands next to nothing about them. But the Governor has done his best, so far as he is concerned, to disprove his own assertion; for, in the appointments to so small an office as Notary, he has endeavored to estab-Notary, he has endeavored to establish an inquisitorial test to prevent apostles and believers; he gave a cerany person who believes or practices plural marriage from even using a pen under authority. A drunkard, a libertine, a liar or a thief is not barred from the office by the dictum of the Governor; the sole obstacle in the way is supask how about this grand past, port of polygamy; his "shibboleth to position and power" is professed devotion to menogamy.

And wherein does he trace the necessary connection between the practice of plural marriage and a union between church and state? Does marrying more wives than one make a man desirous of uniting church and state? Or does marrying only of the banquet once enjoyed by one wife tend to promote a separa-others? Is it pleasant to have thus tion of church and state? How does it happen that in England, Russia and other monogamic countries, church and state are united and have been for centuries, and that in Utah, where plural marriage is acvocated and practised to some extent, church and state are distinct and separate in spite of all the civilization may have some good stuff that is repeated to the con- points, its glory is utter darkness

There is one more point in the known, when communion with the report to which we will refer and heavens was the characteristic of tainty. then dismiss it from consideration: the best, and noblest of the sons of

"The relations with the Indians lating, reading or recommending are reported, as in general satisfac-tory, many of them having aban-doned their tribal relations and en-gaged in farming and stock-raising."

This statement is correct. But order and glory is either desirable, would it have hurt the Governor's possible or to be expected? feelings too much to accord And should there be those in this the credit of this to- the Territory (where special effort is proper parties, and by so doing now being made for the disseminato silence the senseless clamors about tion of this Book) who belive the re-"Mormon" influence with the red cord as it is, who have the old faith men? But perhaps the Governor in God, the old faith in angels, the was as little informed about the facts in this case as of others. If inspiration, revelation and commutate Indians have been influenced to nion with the heavens; if there are men? But perhaps the Governor in God, the old faith in angels, the the Indians have been influenced to nion with the heavens; if, there are quit their roving, thieving, begging those who have faith in Jesus and life and learn the arts of peace, it in his gospel, in his ordinances and has been through the labors of Church, and even say they are in quit their roving, thieving, begging those who have faith in Jesus and life and learn the arts of peace, it has been through the labors of "Mormon" missionaries, who have not only taught them, but shown the ancient possession of the ancient gifts, not only taught them, but shown the ancient possession of the ancient gifts, and only taught them ancient possession of the ancient gifts, and the ancient gifts, ancient gifts, ancient gifts, and the ancient gifts, ancient gifts, and the ancient gifts, ancient gifts, ancient gifts, ancient gifts, and the ancient gifts, not only taught them but shown the ancient power, the anthem how to work for a living, and elent practices of Patriarchs and men of God; will these realous men, them to fear God and try to keep these Bible circulating and Bible

NEW YORK, 18. - The World's self-imposed work. We say selftion will probably be soon made known. The state of anarchy and fear which now exists in Ireland, is startlingly illustrated by the declaration to the bench by the jury em-panelled in one of the several murder cases shortly to be tried, that they do not and shall not consider as according to their conscience, be-cause a verdict of guilty twould in-evitably cost them their lives. to Liverpool yesterday without op-position and his horned cattle will be shipped to-day.

evitably cost them their lives. Mr. T. M. Sullivan, the member or Louth who yesterday secured the conviction of a fellow member, Mr. Callach, to pay a fine of £50 for having libelled him, left London tonight for Dublin to prepare the de-fense of the inducted members of the

I am informed that the sensational statement published by the Daily Telegraph, to the effect that government proposes to proclaim and rein-force martial law in the disturbed districts of Ireland is without any foundation in fact. O'Kelley, Irish member of Parliament, who protested so vigorously to Forster, a little over a week against orders then issued to disperse the Land League meeting at Enniskillen, has brought an action against Harvey, a magistrate of Brockboro, for an alleged assault committed while attempting instead of being about one half is chapter every evening, or a chapter to prevent the league meeting reat the utmost only about one tenth. on the Sabbath day, but each time

cently at that place.

The cattle of William Bence
Jones, who is now undergoing a course of Boycotting on his estate in Bandon, near Cork, though different steamship lines have several times refused to transport them, have finally been shipped to Holyhead.

Mr. Boyd, of New Ross, has just
pursuaded his workmen, after their threat of Boycotting him, to make a new arrangement for the completion of the work now in hand.

Canadian Boilroads. NEW YORK, 18 .- The Times says: Canada's great Pacific Railway scheme is meeting with vigorous op-position in and out of the Dominion Parliament. The chief opponents are making an appeal to the people in the form of a public manifesto, in the hope of defeating the project. If as is claimed, the government trying to turn over some hundreds of miles of road constructed with public money to a private company, besides giving a subsidy and grants of land, worth more than the entire work will cost, and relieving the whole vast property from taxation for twenty years, it is not to be won-dered at that the opposition to the present administration is trying to turn the project

circulate it, insist most strongly the that its record of man's experience against it as a political weapon. It is is unfitted or unnecessary now; but a short time since the Province there was a time, they allow, when of British Columbia was heard from God was interested in man; when He loudly protesting because a short communed with him; when He sent line of road in Vancouver's Island, promised when the province joined to the confederation, has not been His messengers or angels to tell His will; when prophets and seers were among the people, who could give the word of the Lord. There were the word of the Lord. There were lation and inspiration for ages tective tariff and internal improvement policy is having about all it for impending calamity, reproof for can carry.

Let the Canal be Built. The Sun says: The last century the world has been talking about a ship canal across the Panama Isthmus, Finally Lesseps has got the enterprise well under way. All apostles and believers; he gave a certain order, pointed a certain course, promised certain results; but even that, Is long, ah, long ago!

due time be completed. Let it go on we say. The United States has no call to oppose him. If we want another canal by way of Nicaragua let us follow the example Now when we read and study, and compare Christendom with this book fof the circulation of which such vast pains is taken, we will be to do anything to him except to wish him luck and lend him all the incidental aid that circumstances may allow.
