NO EPIDEMIC OF SMALLPOX.

A number of misstatements as to health condition in this city were pub-lished in a recent issue of a Salt Lake morning paper, to the effect that many cases of smallpox existed here and was likely to become epidemic, and that it was supposed to have been spread at a public Christmas tree print bett here was supposed to have been spread at a public Christmas tree party held here. The facts are that the disease broke out in one family, which was promptly quarantined, and the contagion con-fined there. There was no public Christmas tree party held here, and that "epidemic" which was said to ex-ist here, is, on the authority of Dr. Raley of Sait Lake, declared to be noth-ing but chicken pox.

Induces Supervisors to Issue Permits For the Entire Year.

For the Entire Year. By clever scheming James W. Coffroth has succeeded in having the board of su-pervisors adopt the recommendation of the police committee and assign dates for data for the entire year to the Associated Athletic club. The Associated Athletic clubs are the Hayes Valley club, Morris Ley, man-ager; Yosemite Athletic club, James Cof-froth, manager; National Athletic club. Eddle Graney, manager, and Golden Gate Athletic club. Willie Britt, manager, All these are consolidated and Coffroth is the head. They will hold all their con-tests at Mechanics pavilion, which is leased by Coffroth at a rental of \$19,000 per year for one date in each month.

# GOOD GAME OF HOCKEY.

# Salt Lake Club Defeated the University Club Team Yesterday.

There was a good game of Hockey yes-terday atternoon between the Salt Lake club and the University club teams. The former carried off the honors by the score of 4 goals to 3. The first half of the af-fair was the best. Neither team was able to score although both tried hard enough. In the second half both treams played as though for a king's ransom and ended with the score indicated above. The teams lined up as follows: University Club. Salt Lake.

University Club. Bait Lake. Brodie .......Forward .....Ferguson Hogie .......Forward .......Ames Sturges .....Forward ......Lindsay D. P. Taylor ....Forward .......Sigie Moore .......Cover Point .......Sigie Moore .......Cover Point ........Sigie

Father at Hegewisch. Milwaukee, Wis. Jan. 28.-Battling Nelson, the champlon lightweight pug-linst, who has had his own troubles of late with chorus girls who wanted to add his name to their maiden patrony-mics, today transferred all his proper-ty to his father. This will make the Battier immune from breach of prom-ise suits. Nelson owns a large amount of real estate at Hegewisch, Ill. and is afraid that it will be attached by some of the fairies who have hovered in his vicinity since he became a real champion. "When I get ready to have a Mrs. Nelson's clothes in my trunk, all right, but she won't be no chorus sing-er who wears tights instead of skints."

Every nerve is a live wire connecting some part of the body with the brain. They are so numerous that if you penetrate the skin with the point of a needle you will touch a nerve and receive a shock-pain it is called. Aches and pains come from a pressure, strain or injury to a nerve ; the more prominent the nerve the greater the pain. When the pain comes from a large nerve it is called
