TRADE OF 1867!

SAN FRANCISCO

The MARKET for

UTAH.

JAMES LINFORTH,

COMMISSION MERCHANT,

No. 3 Front Street, Near Market,

an Francisco.

CALIFORNIA.

The relative value of CURRENCY TO GOLD is more permanent than heretofore, and facilities for getting goods from California at all seasons of the year, with quick dispatch, have largely increased of late, rendering San Francisco pre-eminently the Market for Utah.

It is not generally known to the people of Utah that all kinds of goods of foreign production, such as Teas, Coffees, Sugars and Spices; English, French and German Dry Goods, Hosiery and Bag materials; Iron, Steel, Anvils, Vices, Chains, Shoeshapes and Horse nails, Glass, Oils, and Paints, Earthenware, Glassware, &c., &c., can be obtained from San Francisco at lower prices than from Eastern Markets.

California and Oregon-made Woollen Goods, both pieces, goods and clothing, are superior to anything imported and cheaper. They have been shipped to Eastern and other markets for sale with advantage.

Agricultural Implements and Machinery can be procured from San Francisco in time for the harvest.

Mining and Mill Machinery of superior manufacture can also be procured here at short notice.

GOODS DELIVERED at Carson in six days, at Austin in seventeen days, and at Salt Lake City, in lots of not less than ten tons, in forty-five days from San Francisco by good Mule Trains at lower rates of freight than ever before. Shipments to San Pedro every ten days.

ORDERS respectfully solicited. Merchants and others desiring purchases made here will be furnished with prices and all necessary information on application to

MUSICAL SOCIETIES

AND

Choirs.

THE NEW YORK MUSICAL GAZETTE

IS published by Mason Brothers, and issued monthly, each containing at least twelve quarto pages, (each page 10 by 14 inches) four of which (equal to eight large 8 vo. pages) will be music. It is the best musical journal for the

Family Circle, Musical Societies and Choirs

Published in America; and for quality of paper and letter press is not surpassed by any journal and equalled by very few. The music will be new, easy and of a popular character, including vocal and instrumental, sacred and secular.

TERMS—One copy per annum, one dollar, five copies, four dollars, ten copies, seven dollars.

Extraordinary Inducements

To any one sending me the names of twelve or more subscribers with the money at one dollar each, will get a commission of two-thirds the amount in any of Mason Brothers' Musical publications to their order in New York, or will be freighted to this city, they paying the freight.

Choirs had better order a copy for each member, because it will cost more than three times the price of the Journal for blank music paper on which to copy the musical pieces.

Send orders and money to
